DEDICATION

We, the class of nineteen-thirty, wish to show our appreciation to the people who have labored so earnestly for the welfare of the school. Therefore we dedicate this, our memorial, to the citizens of the village of Worthington, and extend our sincere and best wishes for success in coming years.

The Oracle and Its Meaning

Among ancient Egyptian races the deity was called the Oracle. And so our year-book, called the Oracle, is published with the same thought in mind, to afford pleasure and information to the students and also the graduates of the high school, the Alumni.

So, in accordance with the true meaning of the word Oracle, the theme of this edition is of Egyptian nature, as can be judged by the various drawings and division pages which occur in the book.

Class Prophecy, 1955 A. D.

I am an interested observer. Many years I have lived in Worthington. Now I am old, my friends are gone, and I am alone with my thoughts. I have seen twenty-five classes graduate from Worthington High School, and last night as I attended the commencement exercises in the magnificent new building, which was erected five years ago by the people of the town, my thoughts went back to the graduating class of twenty-five years ago, whose efforts as leading citizens of the town, were largely responsible for the new building.

My interest once aroused, I began to compile as a record the events, the failures, and achievements in the lives of men and women whom I knew as boys and girls in the class of 1930.

Warren Insley gave up his dreams of aviation and succeeded his father as editor of The Worthington News. He is president of the Board of Education and was the leader in the movement for a new school building.

Lawrence Long built a mansion north of Worthington twenty years ago with the money he received from his only successful invention. He spends his entire day in his laboratory, however, and experiments with gases, electricity, and acids, but as yet he has failed to achieve another success equal to the one which made him famous.

Elizabeth Keys met her husband at Oberlin College. He is an author, and together they travel about the country in search of material. This spring they returned from Paris and purchased a home in one of the most fashionable suburbs of Dayton, Ohio.

Joan Stritmatter became an opera star. For a time she was with the Metropolitan Opera Company, but unable to survive the severe criticisms of her voice by the press, she returned with her fortune to Worthington where she is in retirement. She originated the Stritmatter prize for the winners of the Annual State Music Contest.

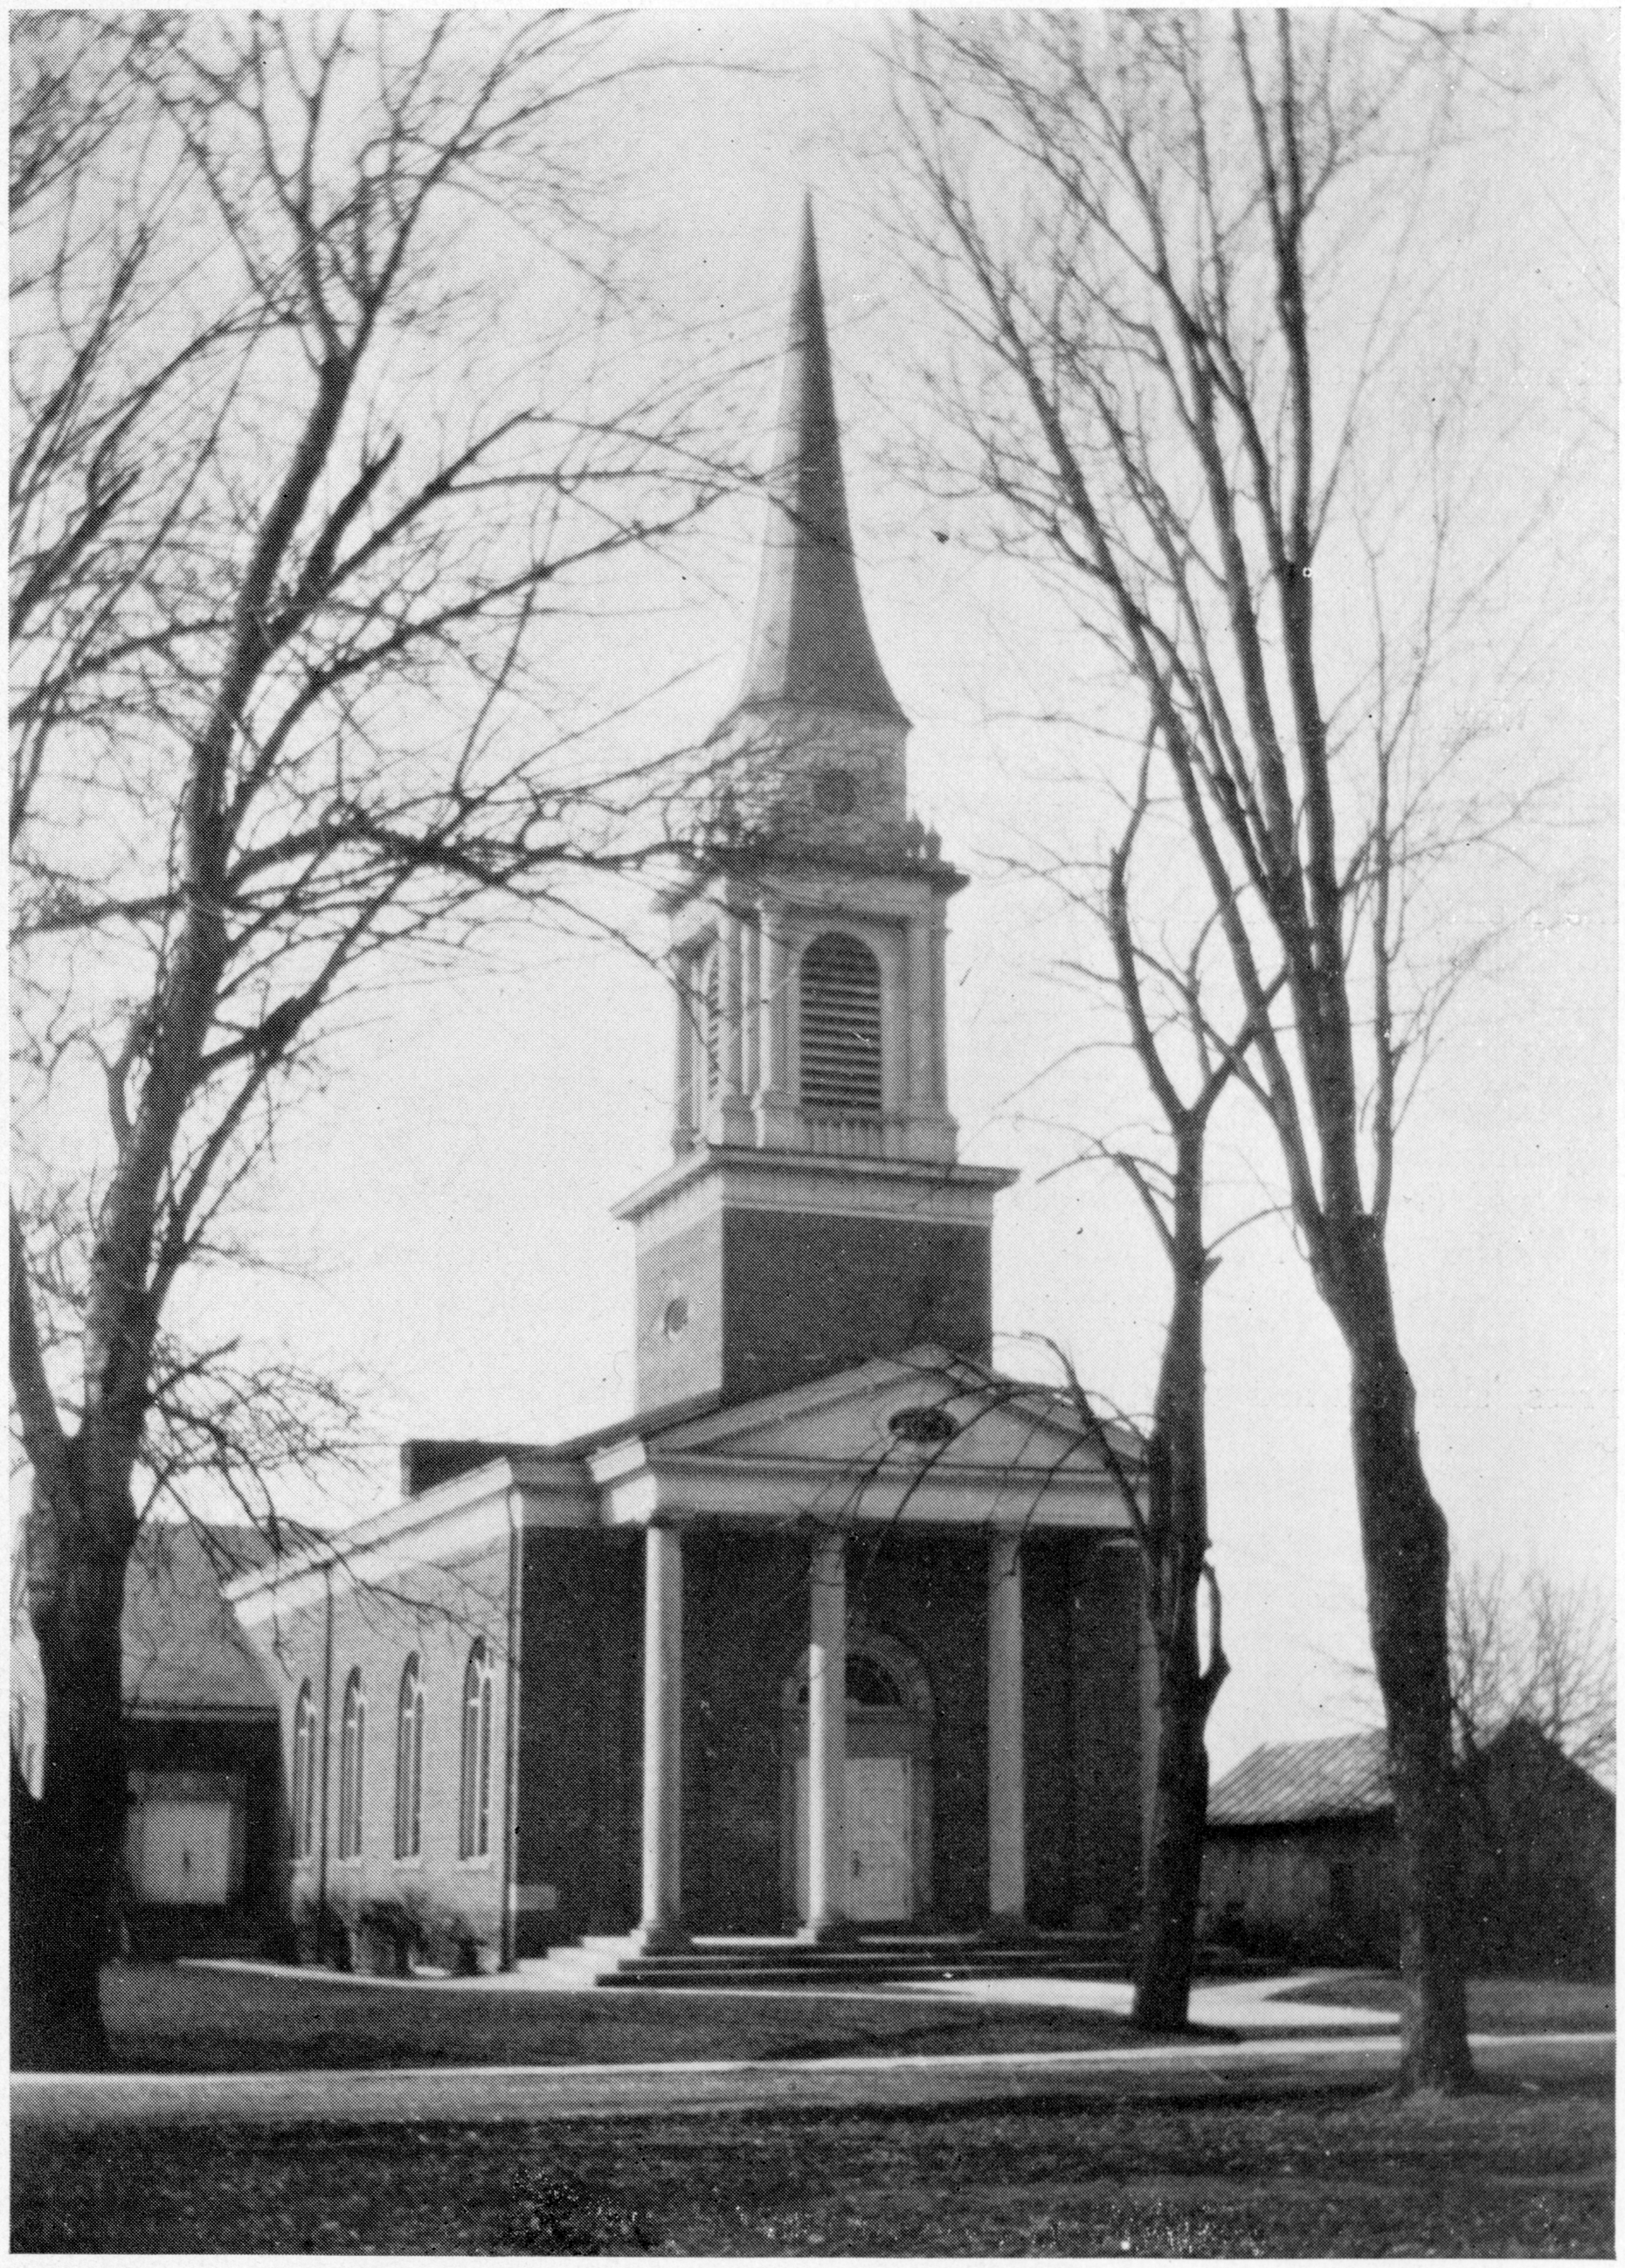

Ernest Schaeffer, after several years of indecision, during which he worked, traveled, and attended Ohio State University, accepted a position with the Columbus Y. M. C. A. in 1936. He has been secretary of the State Y. M. C. A. and in connection with his job has spent many years abroad.

Virginia Ullom met her husband while attending O. S. U. Graduating in 1934 as a chemist, after taking a short wedding trip he accepted a position with the government, and they are now located in South America, doing research work.

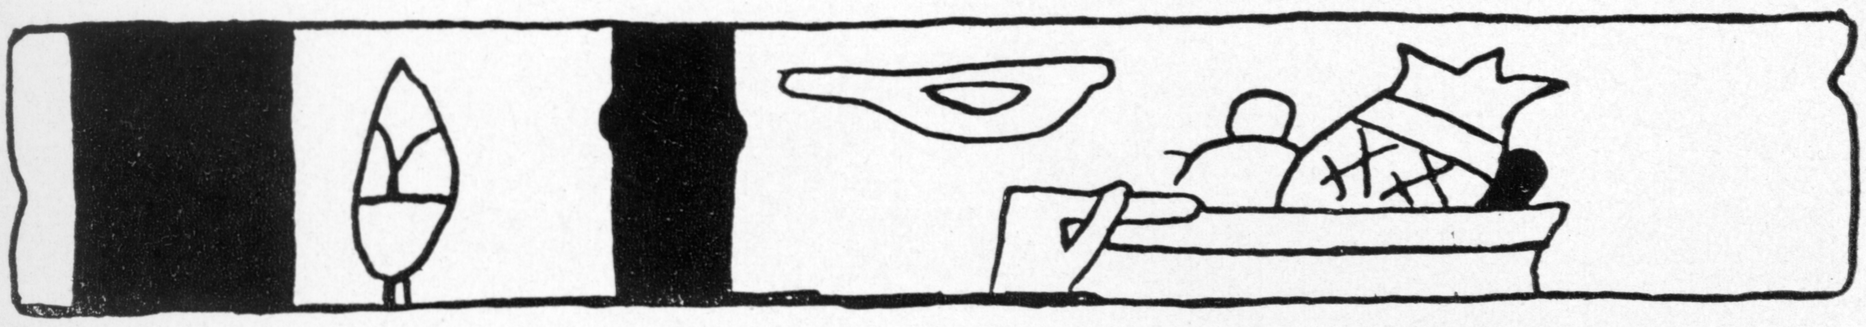

Emily and Emerson Coe live on New England Ave. Together they graduated from O. S. U. in 1934, Emerson taking a course in engineering, Emily receiving a B. A. degree. Emerson abandoned his profession for one which would permit him to be nearer home and accepted a position at North High School where he teaches in the Engineering department. In 1940 he became superintendent of Worthington Public Schools and aided greatly the movement for the new school building. His son, Edgar Allan, was president of the class of 1955.

Benjamin Grace is dead. He was one of the several men which the class of 1930 furnished in the last World War. At the outbreak of the war he was sent with the Ohio Aviation Corps to defend our eastern coast. Two years ago he

Back Row—Kenneth Tice, Jack Slyh, Ralph Quelette, Earl Trees, Charles McGurer, Frank Archer, Carl Zimmerman, Paul Fenstermaker.

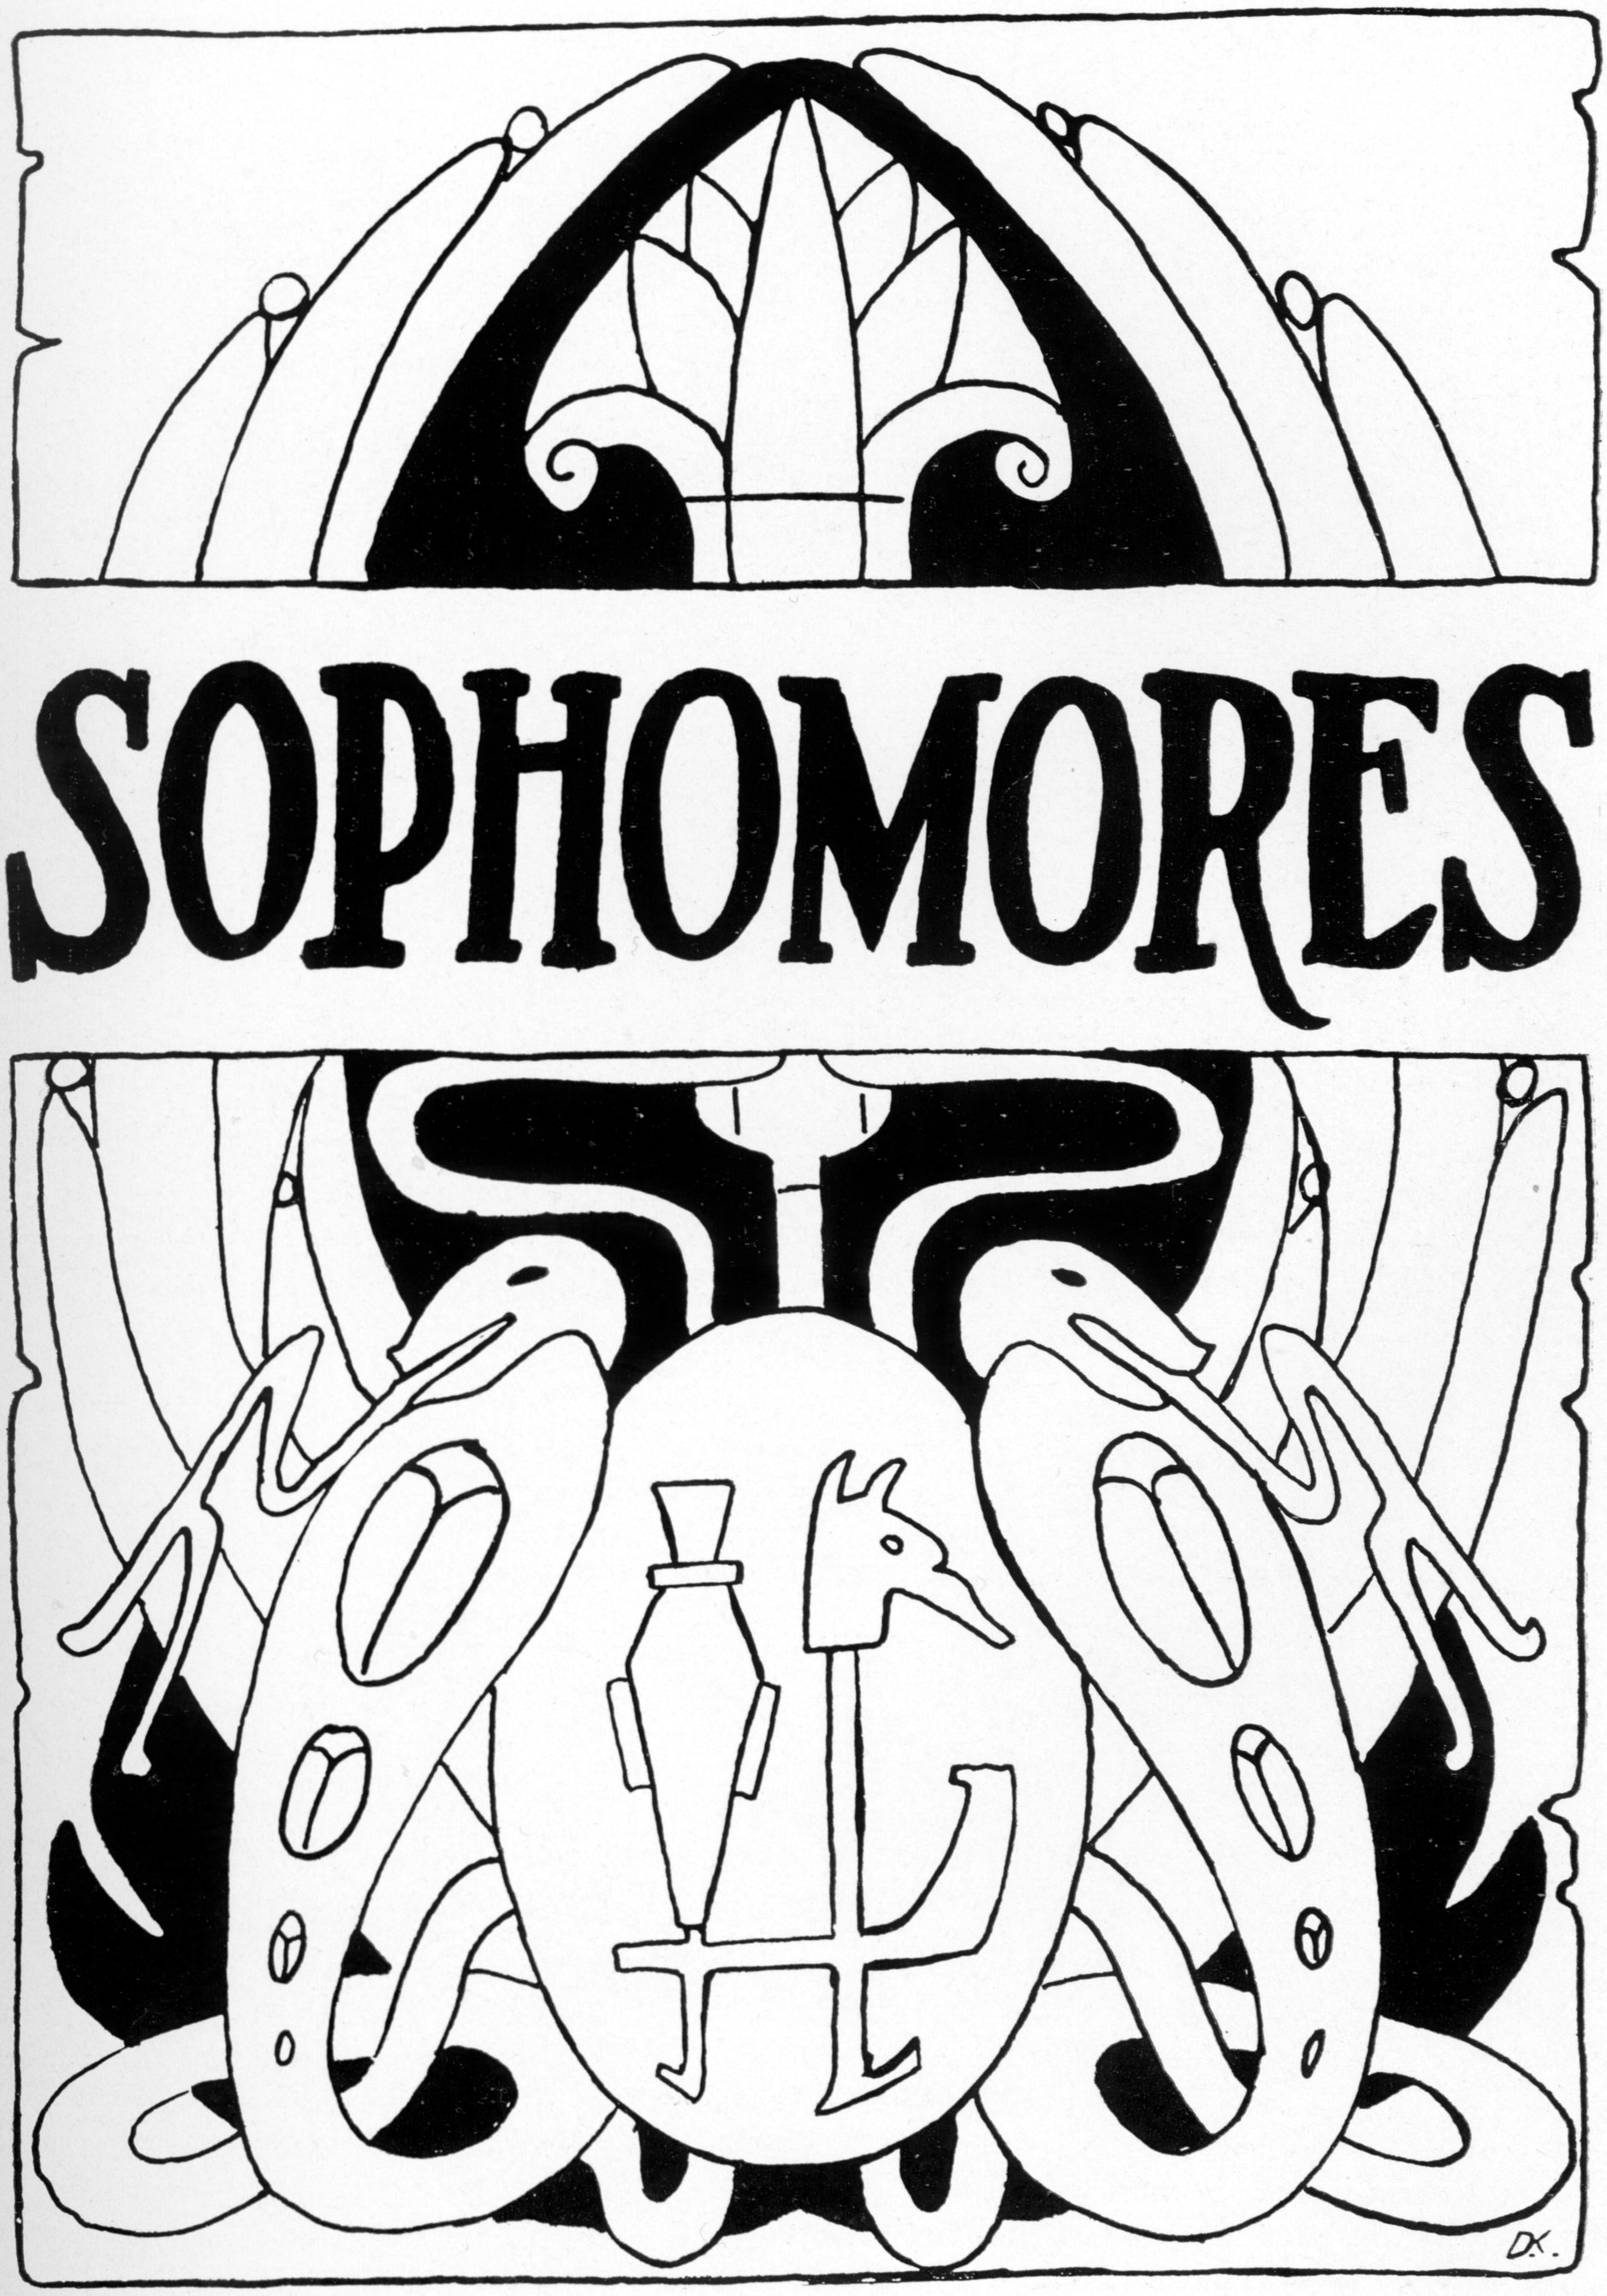

We started out with thirty-five members and Miss Robinson as our guide. At our first class meeting the officers were elected. Ralph Backus was elected president and Robert Ball, secretary-treasurer.

The Junior year is devoted mainly to acquiring money for the annual Junior-Senior Banquet and so from time to time means were devised for raising this money. The first half of the year we sold candy at the noon hour. Several picture shows were sponsored and an entertainment by John Bockewitz, a dramatic cartoonist, furnished us with a few dollars. The rest must come from our dues which were fixed at one dollar for the year.

The annual inter-class basket ball tournament was held, and although our prospects for a winning team were poor, we entered with high spirits.

We are nearing the end of the term, and, although we hate to think of leaving dear old W. H. S., we sincerely hope to make our Senior year, our last year, a memorable one.

During the past year the Sophomore class elected the following officers: president, Ed Roseberry; vice president, James Hoskins; secretary-treasurer, Dorothy Collins.

Committees composed of class students arranged delightful programs for the class meetings.

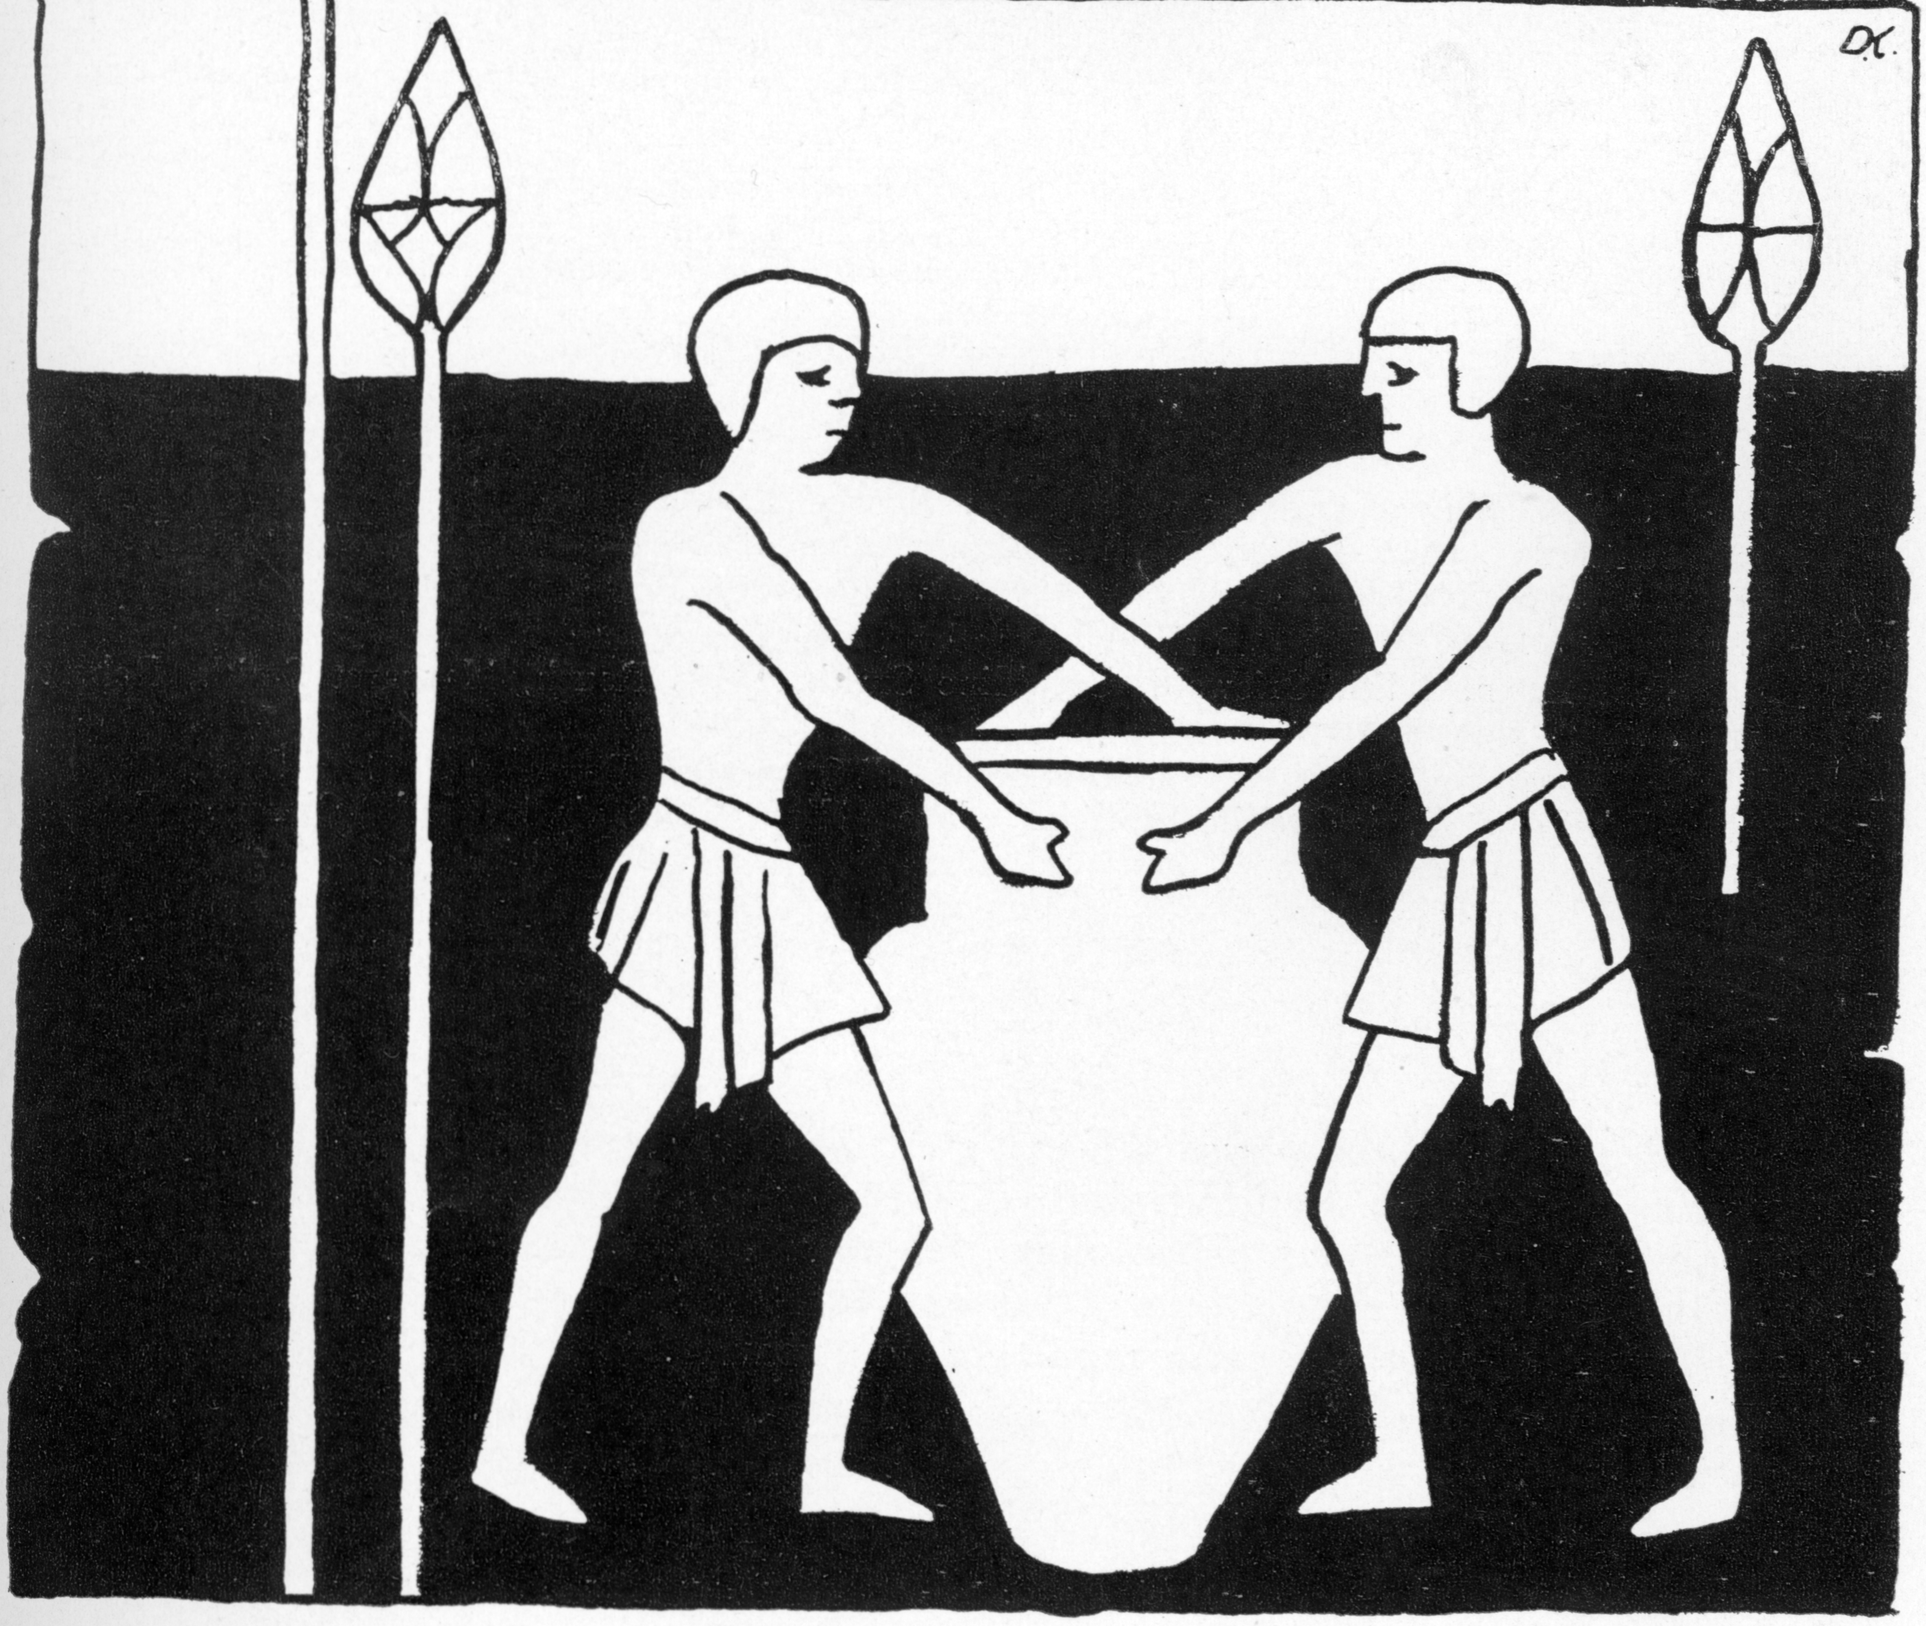

In October a group of sophomores enjoyed a wiener roast at Shelter House No. 2 at the Storage Dam.

In most of the various clubs organized at school there are representatives of the class who take part in all activities.

The class is well represented in football, baseball, boys' and girls' basket ball, swimming team, and boys' and girls' Glee Clubs. E. R.

The Freshman class whose officers are: Nelson Rowe, president; Susan Scatterday, vice president; and Virginia Barker, secretary-treasurer, has during the past year, had two parties. The first, the annual Freshman party, given by the upper classmen, and second, the Freshman Halloween party, were each held in the auditorium during the earlier part of the year.

We are proud to say that the class has been well represented in both athletic and social activities.

The Seventh grade has for its officers: Thelma Wall, president, and Harry Main as secretary-treasurer. The Eighth grade officers are: Maude Allan, president, and Ruth Anderson, secretary-treasurer. The classes united in celebrating their Halloween festivities, which were held at the home of Jane Kemp. The Junior Dramatic Society, organized by Mrs. Wilson, presented to the assembly and grade school a play entitled Buying a Suit for Jimmy. A boys' basket ball and football team, composed of seventh and eighth grade pupils, contested with other nearby schools and have promised new stars for the high school teams.

The Glee Clubs

Through the constant co-operation of the members of our Glee Clubs with our friend and music supervisor, Miss Sanford, we have built up two of the best groups that have ever represented Worthington and Worthington High School, during the past school year. As a disadvantage our number has not been so great, but the thing that overcame this disadvantage is the fact that many of the voices were exceptionally good.

Our clubs have had the opportunity through several public appearances to show the town what we have achieved. The following is a list of the appearances of either the clubs or groups from them:

On November seventh, a mixed chorus from the Glee Clubs sang at a Franklin County Parent-Teachers Association meeting in Columbus.

On November fourteenth, the Kiwanis Club asked for representatives from the school to give special musical numbers at their meeting, this being one of the days of National Education Week.

GIRLS' GLEE CLUB

Front Row—Dorothy Riel, Emily Cummins, Elizabeth Dixon, Florence King, Eloise Sanford, music director; Jane Roller, Helen Cassidy, Evelyn Anderson, Mabel Southard.

Middle Row—Vera Allan, Sally Menaul, Pearl Smiley, Frances Cotter, Elizabeth Keys, Margaret Bartley, Irene Perrin, Mary Wikle, Dorothy Collins, Jane Rader, Helen Sinclair.

Back Row—Virginia Barker, Virginia Ullom, Elizabeth Watt, Susan Scatterday, Joan Stritmatter, Peggy Scatterday, Louise Garner.

On December tenth, a mixed chorus from the two clubs presented the cantata, "The Building of the Ship."

On December twenty-sixth our school was represented in the All-State Chorus at Central High School in Columbus.

On January twenty-eighth, the Girls' Sextet from the Girls' Glee Club sang at a Child Conservation League meeting, and the Boys' Octet from the Boys' Glee Club, and the Girls' Sextet, sang at a Mother and Daughter banquet at the Methodist Church.

On March sixth and seventh the Boys' Octet sang at the American Legion entertainment.

The Girls' Sextet is composed of the following: Joan Stritmatter, Virgie Snouffer, Martha Brown, Florence Brown, Elizabeth Dixon, and Emily Cummins.

The Boys' Octet is composed of the following: Albert Proudley, Emerson Coe, Ernest Schaeffer, Jack Collins, Junior Hard, Jack Slyh, Marshall Devol, and Wallace Hard.

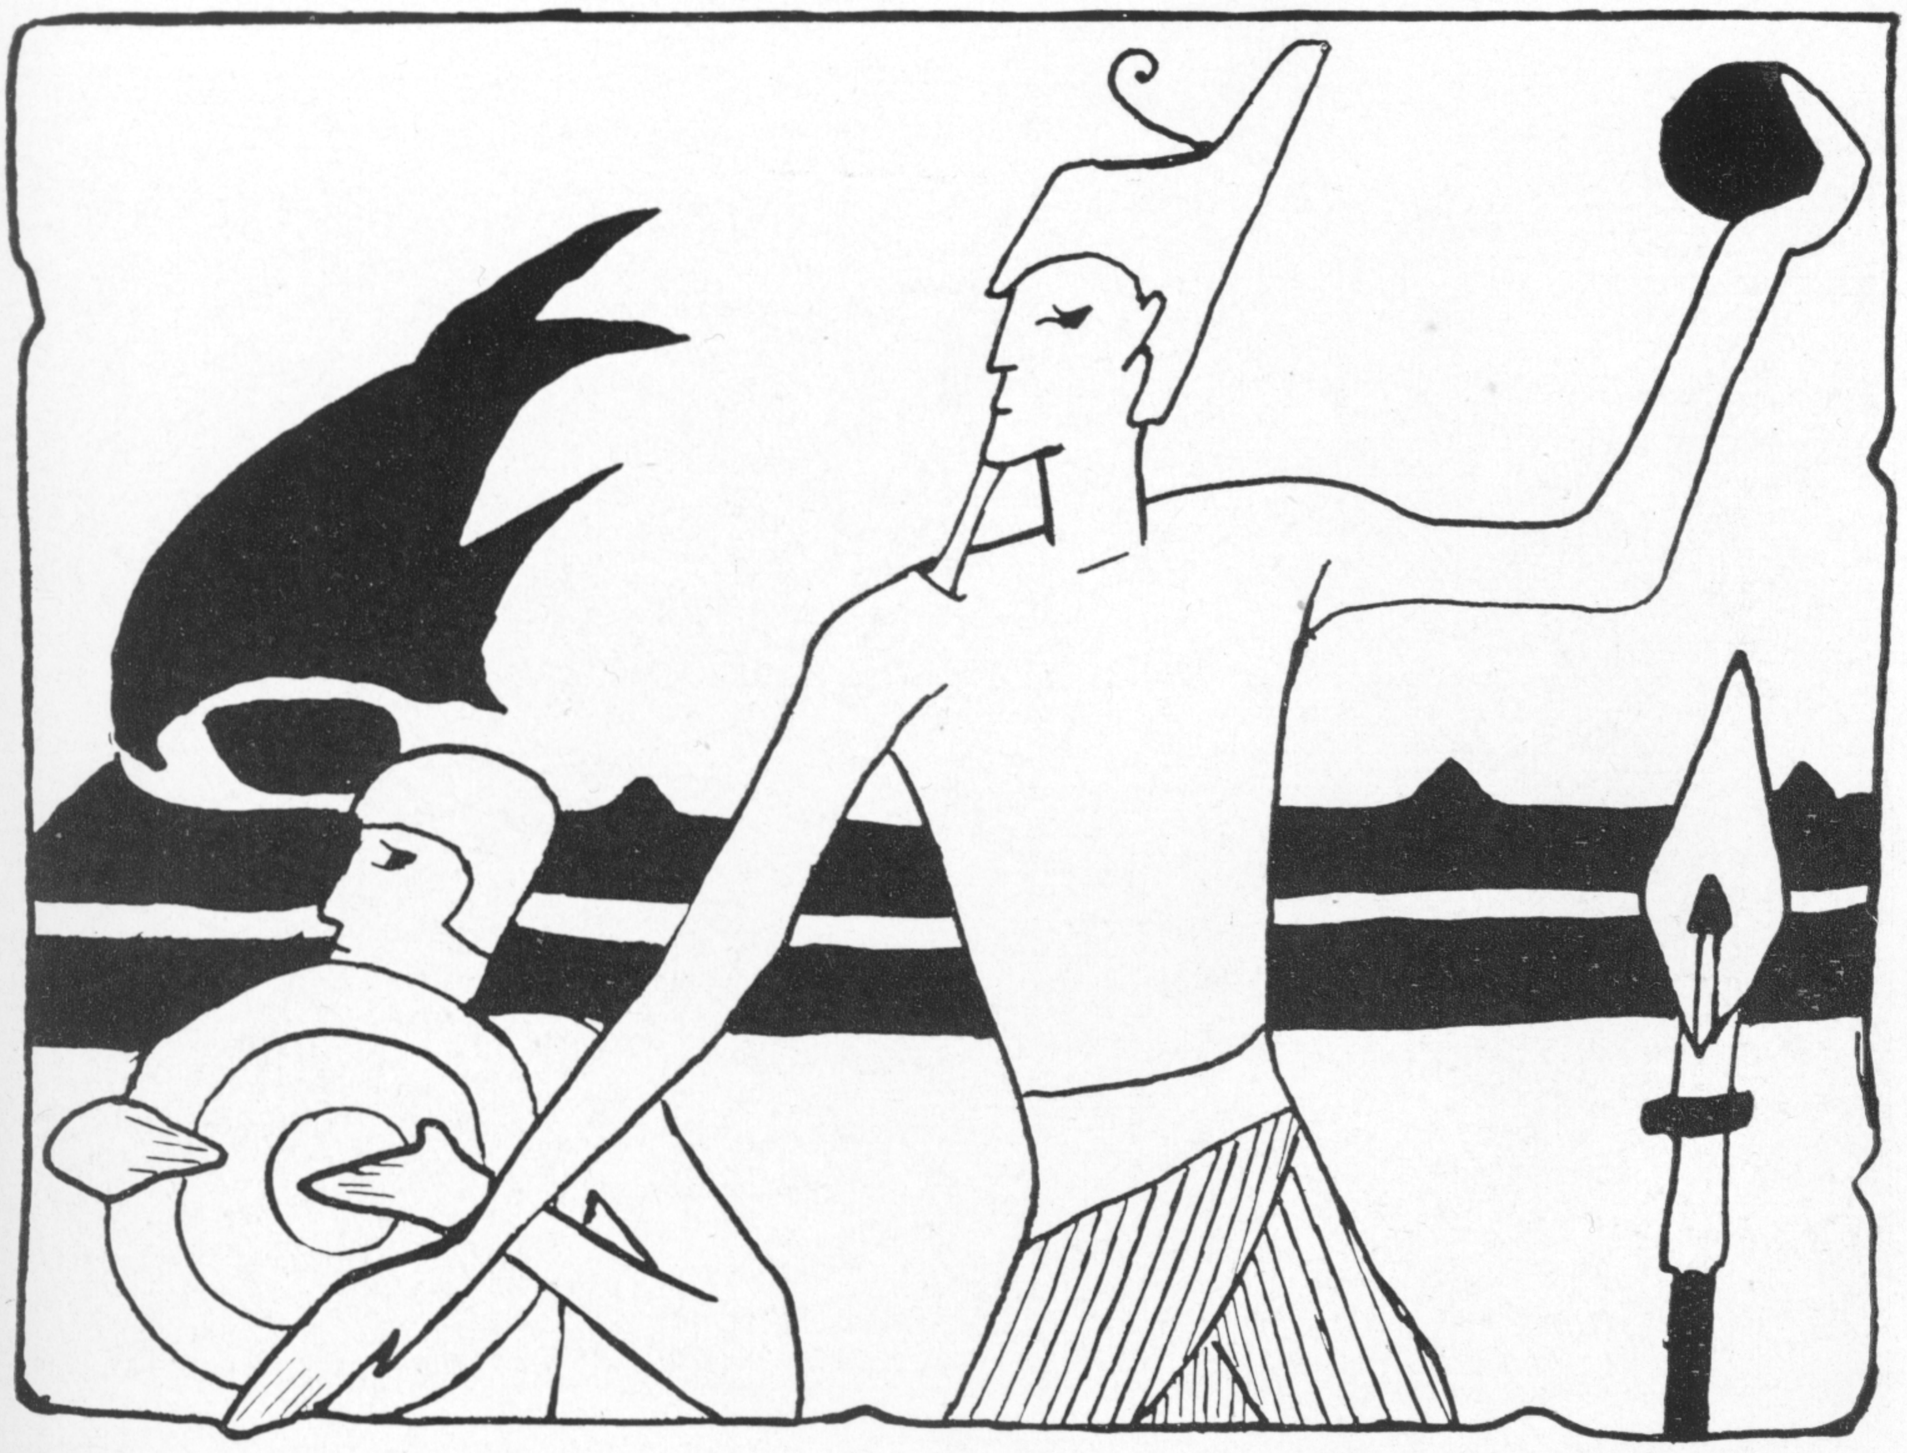

HIGH SCHOOL ORCHESTRA

Front Row—Wallace Hard, George Bonnell, Helen Cassidy, Mabel Southard, Alvin Wagner, Allan Webb.

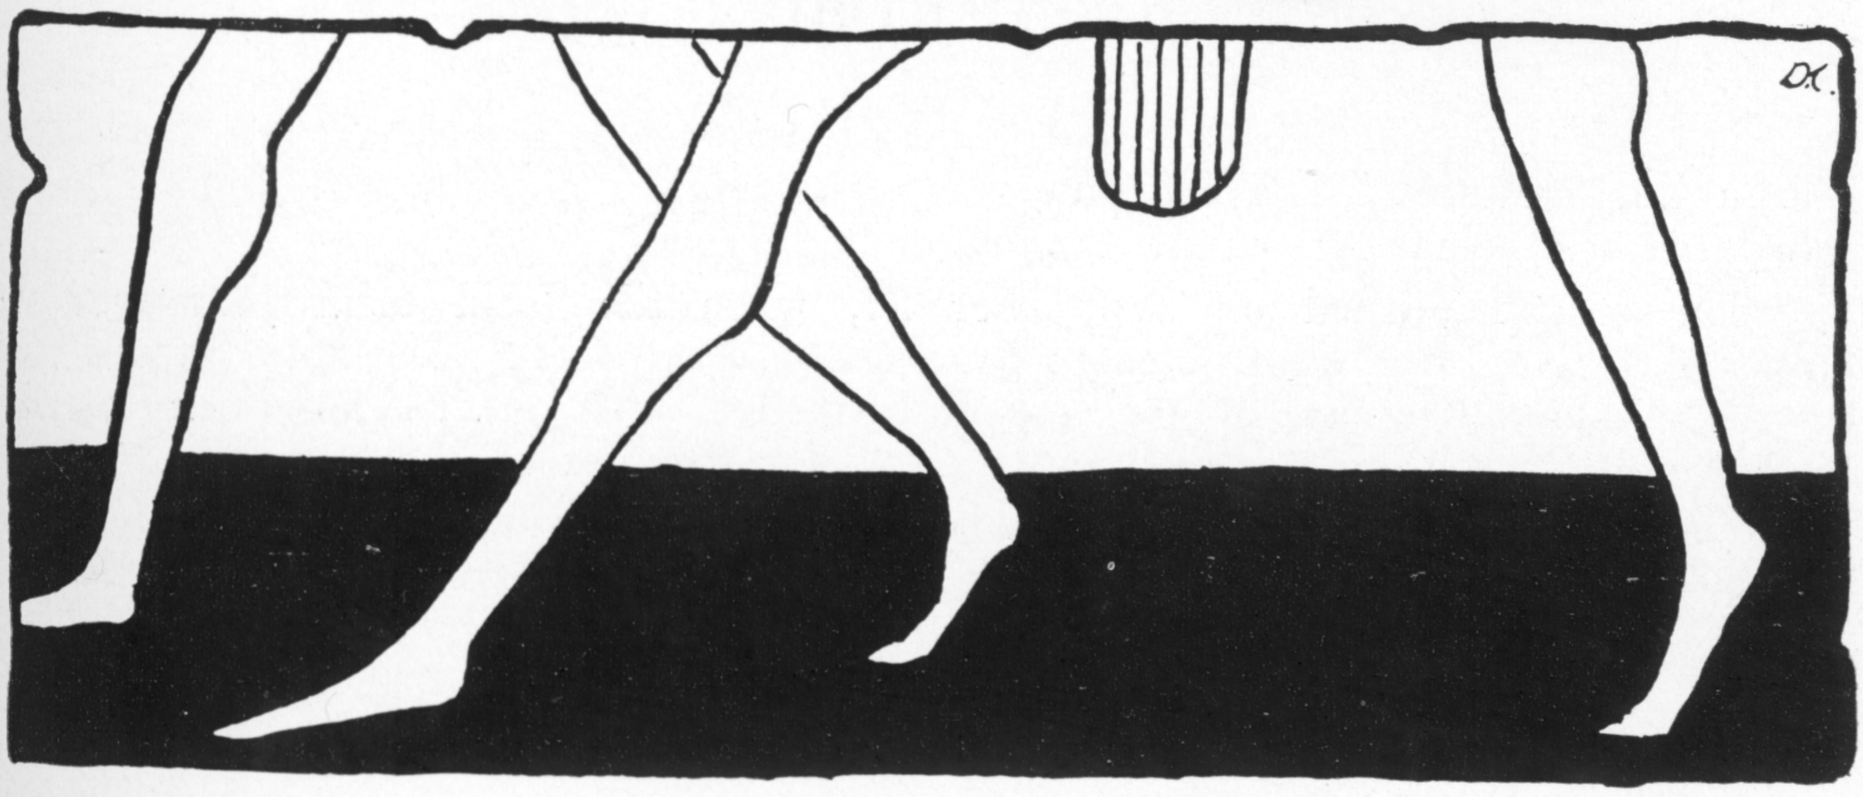

Back Row—James Hoskins, Elizabeth Dixon, Jack Slyh, Peggy Scatterday, Junior Hard, James Michael, Eloise Sanford, music supervisor.

In spite of the numerous handicaps, and the fact that our number and instrumentation has been greatly reduced compared to that of last year, we have been able to maintain an orchestra, of which the town as well as the high school should be proud. We have not had the opportunity to appear in public very many times, but when this opportunity came we all gave the best we had, and, under the direction of Mr. A. K. Germanson of Capital University, we have an orchestra that adds to the long list of successful activities of Worthington High School for the school year of nineteen-thirty.

Football

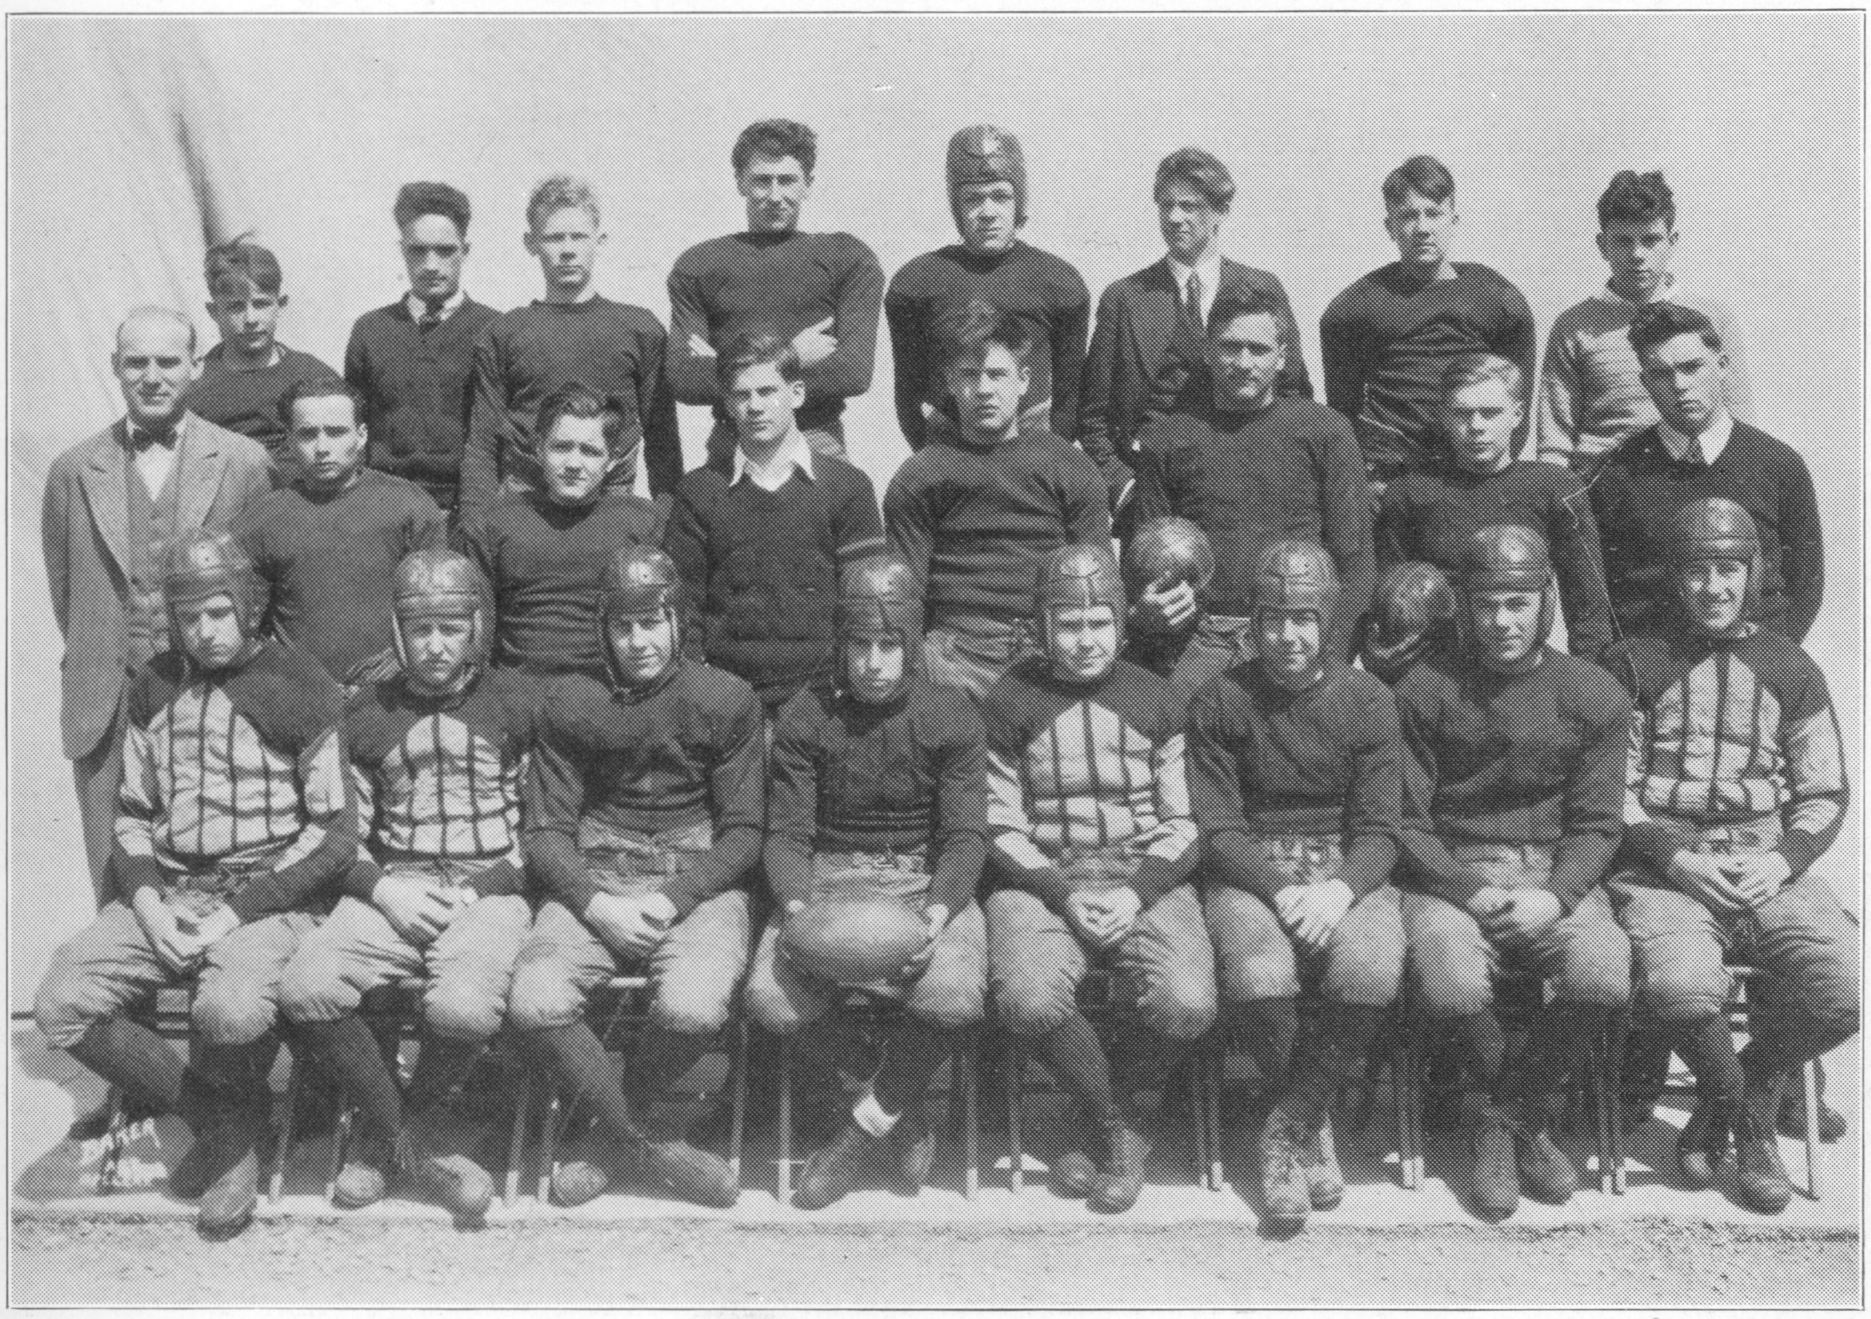

The Worthington High School football team experienced a very successful season during 1929. The schedule was considerably difficult, two games being scheduled with class A schools, Arlington and Bexley.

The season opened on September 27, when the local team journeyed to Upper Arlington and were defeated by a score of 30 to 0. The team in the first quarter was handicapped by the loss of Schaeffer, who received an injury to his knee which forced him to give up football for the rest of the season.

The local games started on October 4, when Worthington met and defeated Columbus Academy, 6 to 0, the only touchdown being made by Trees, Worthington's fullback.

On October 11 Worthington motored to Bexley, to be defeated by a score of 29 to 0. The team played excellent football but were outclassed by their larger and faster opponents.

Worthington team went to Plain City on October 18 for what they thought would be a sure victory, having defeated the Plain City aggregation 57 to 0 a

few years ago. They were fooled badly, however, when the Plain City players proved to be as good as those of Worthington. Each team made a touchdown, Worthington's being scored by Gibson, who recovered a blocked punt over Plain City's goal line.

Mt. Sterling came to play W. H. S. at the local field on October 25, and were badly beaten by a score of 25 to 7. The first touchdown came as a result of a long run by Insley. At the half Coach Miller devised a play which brought another touchdown on the first play of the second half. Insley and Bonnell each accounted for one of the remaining touchdowns scored.

On November 1 Groveport journeyed to Worthington. The game was played in a sea of mud, the referee being unable to distinguish Worthington players from those of Groveport. Groveport's fullback made the only touchdown of the game, and the final score was 7 to 0 in Groveport's favor.

On November 8 Worthington visited Gahanna and defeated the Lincoln High School team 20 to 0. Insley scored the first touchdown on a pass from Trees.

Boys' Basketball

The boys' team under the direction of Coach Miller did not have a very successful season owing to a rather hard schedule.

WARREN INSLEY:

Acted as captain in many of the games, rather small but played the fastest game on the floor.

ALBERT PROUDLEY:

Played guard, always putting up a good fight and breaking up shots.

GEORGE BONNELL:

Played forward and was the best shot on the squad, scoring many of his shots from the middle of the floor.

BERNARD GIBSON:

Played guard always doing his share of playing, being a menace to sure-shot forwards.

CHARLES MCGURER:

Played well at center and was very good at follow in shots.

LAWRENCE LONG:

A close guarding athlete. A fine all-around player.

Back Row—Virginia Taylor (Mgr.), Elizabeth Keys, Joan Stritmatter, Evelyn Anderson, Susan Scatterday, Doris Williams, Catherine Kieffer, coach.

Girls' Basketball

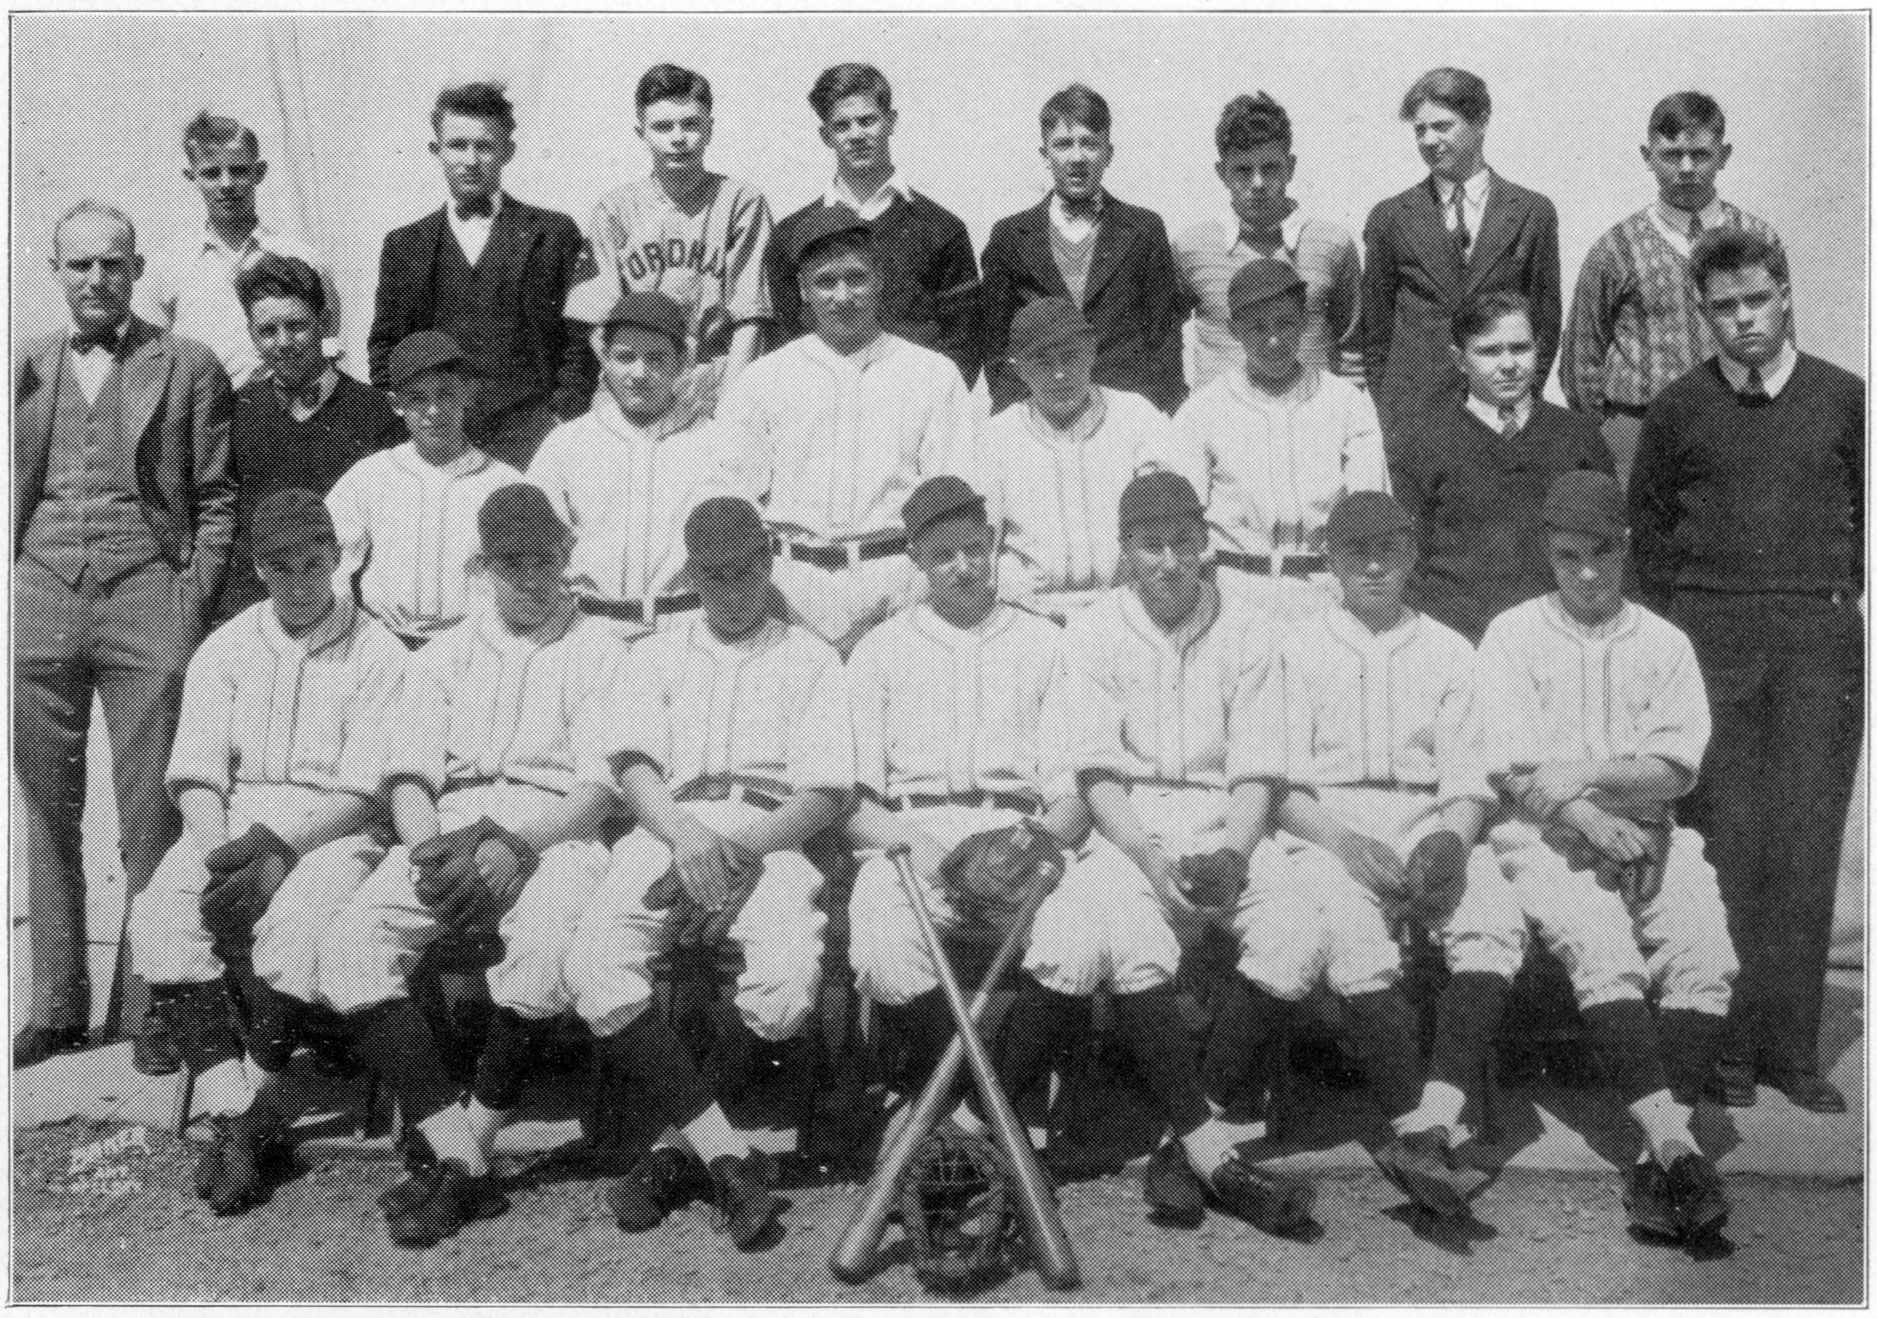

The girls' basket ball team under the excellent coaching of Miss Catherine Kieffer completed a very successful season, winning five games out of eleven. The individuals on the team played well.

The most interesting game of the season was played with Reynoldsburg. Reynoldsburg had defeated Worthington earlier in the season, but being over-confident were completely swept off their feet by Worthington's sweeping attack.

The forwards, Bartley and Cotter, were able to run up some large scores with the aid of Stritmatter, Scatterday and Dixon's accurate work at center, and also by the fast and splendid work of the guards, Keys, Compton and Mitchell.

Capt. Cotter was high point scorer with 139 points and Bartley was runner up with 74 points.

Baseball has reappeared at our high school after an absence of several years. The north end of the football field has been converted into a diamond and if cared for properly should be excellent in a few years. Early in April a dozen suits were Kieffer completed a very successful season, winning five games out of eleven. The team is fortunate in having C. E. Webb and Lester J. Miller as coaches, both of whom have had much experience in both coaching and playing baseball. Because of this fact and of the interest taken by the team, a very successful season is anticipated. The following games have been scheduled:

April 8—Columbus Academy, there.
April 17—Columbus Academy, here.
April 25—Hilliards, here.
April 30—New Albany, here.
May 2—Dublin, there.
May 9—Hamilton Twp., here.
May 14—Y Day, here.
May 16—Grove City, there.
May 21—Y Day, there.

Back Row—Eleanor Wightman, Virgie Snouffer, Florence Brown, C. E. Webb, Coach; Dorothy Collins, Pauline Schoaf, Helen Cassidy.

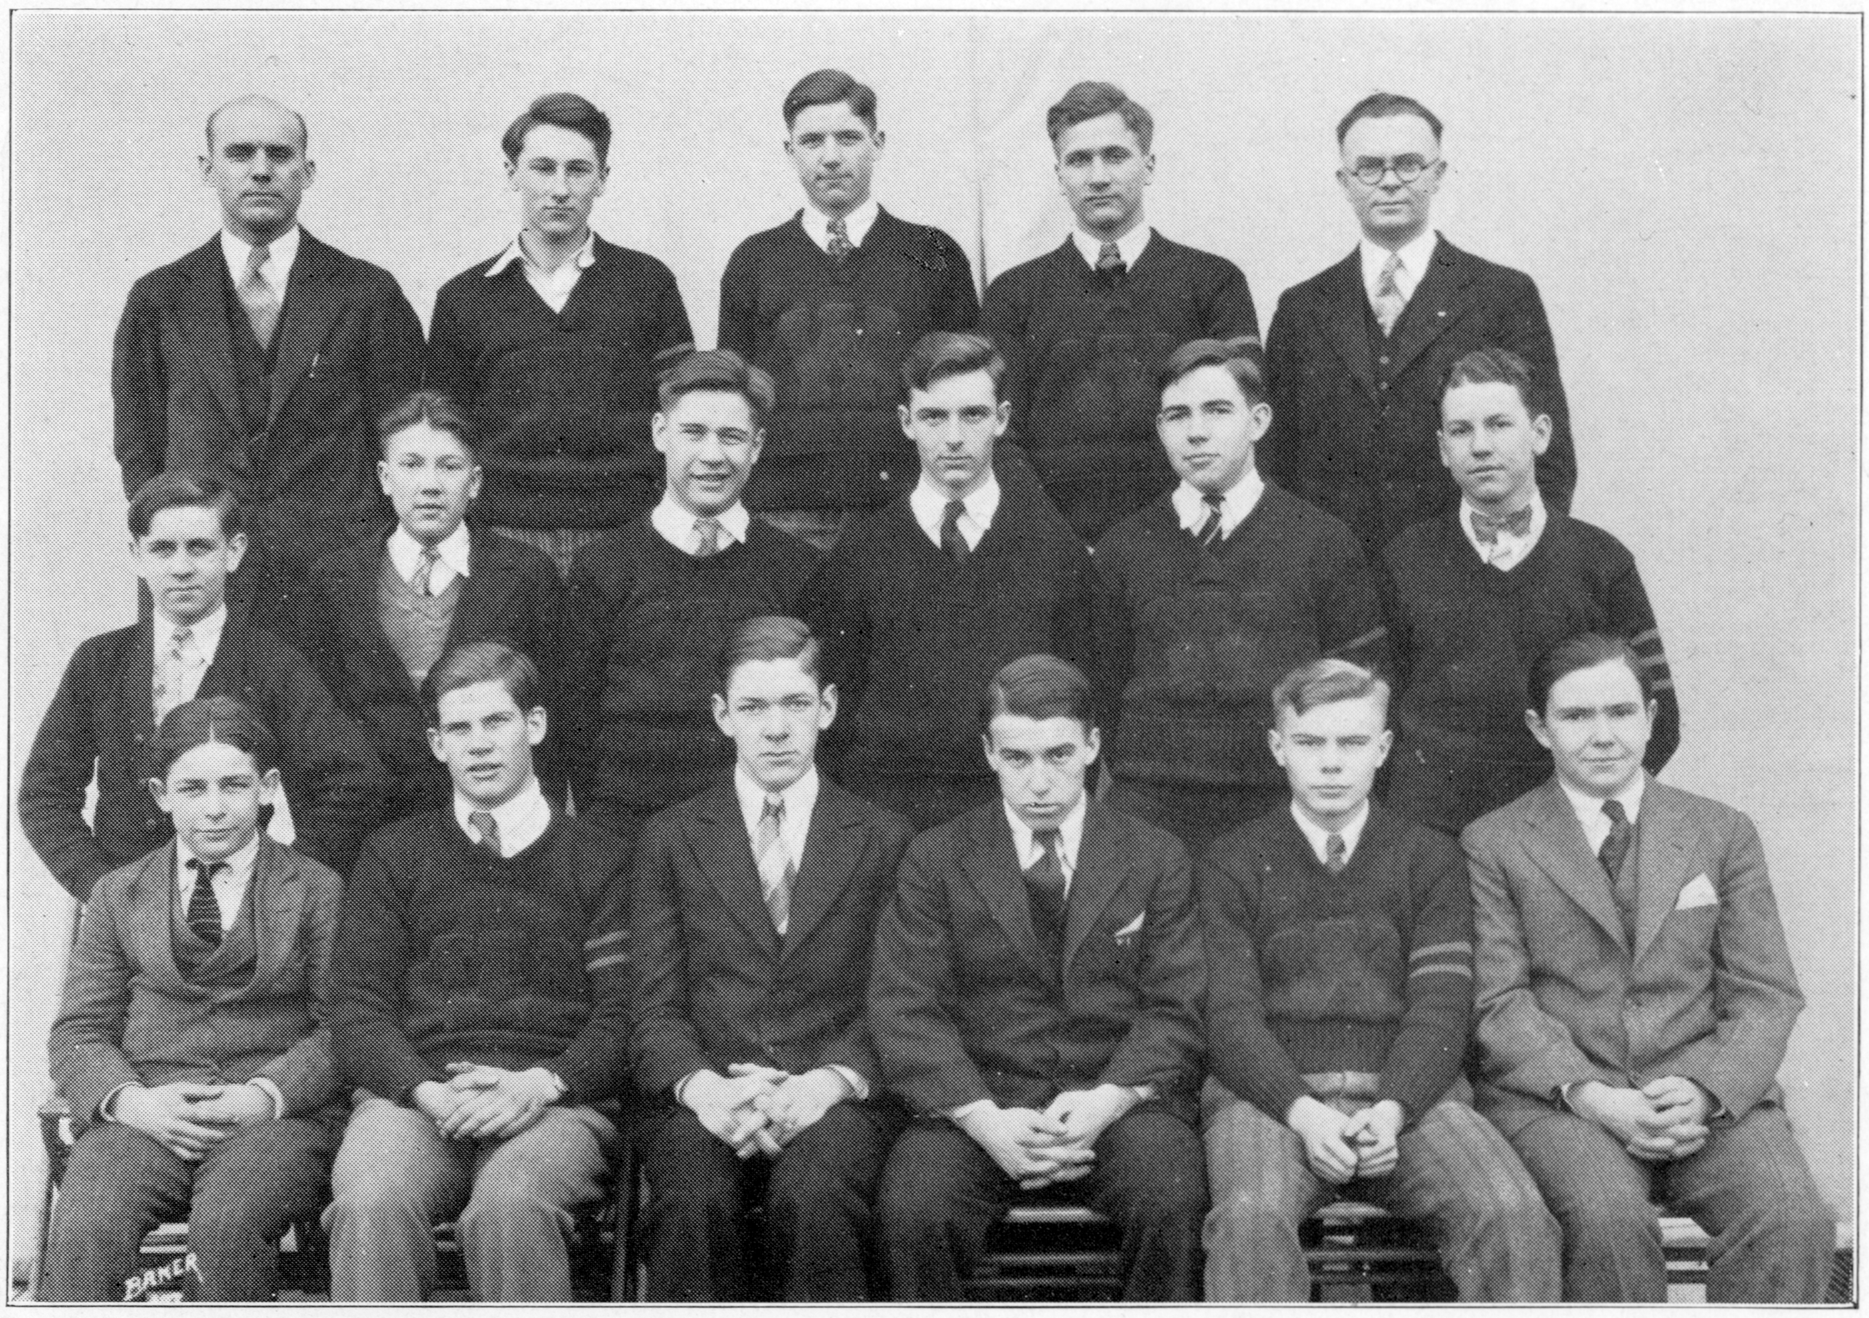

This year Worthington High School started its athletic activities by organizing a girls' baseball team.

Everyone enjoyed the games that were played because of the sportsmanship and cooperation displayed by the players. Although the team was small and inexperienced they made great headway under the leadership of Capt. Susan Scatterday and Supt. C. E. Webb.

Middle Row—Ralph Grove, Paul Fenstermaker, Herman Jeffers, Robert Ball, Carl Bowers, Richard Knost.

Back Row—Lester Miller, faculty advisor; George Shupe, Charles McGurer, Earl Trees, C. E. Webb, faculty advisor.

C. E. Webb, Coach Miller, and a group of Hi-Y boys assembled at the high school early in September with O. H. May, Y. M. C. A. executive, to elect officers for the succeeding year. President, Lawrence Loung; vice president, Ernest Schaeffer; secretary, George Bonnell; and treasurer, Warren Insley, was the result.

The Hi-Y Club being purely an honorary society, it is necessary for a unanimous vote to accept a member.

The aim of the Hi-Y club being to improve social conditions in and around the school, we filled our club to capacity to obtain workers.

The club managed the football field decorations and ticket sale, and inaugurated a "Dad's Day" on November 22, which was a decided success.

With the funds left by the class of '29 and part of our treasury we purchased a trophy case which filled a long-felt need.

Four delegates, Schaeffer, Long, Insley, and Knost were sent to Piqua on November 28, where they attended the Older Boys Conference.

C. E. Webb and Coach Miller are commended for the active part they took in this organization and we sincerely hope the future Hi-Y Clubs will be as successful.

Middle Row—Raymond Snyder, Harold Putnam, Lester Alexander, Jack Ensor, Ross Lafler, Paul Cotter, A. C. Kennedy, Instructor.

Back Row—Paul Rosser, Eb Roseberry, Elwood Carpenter, William Glave, Lawrence Cheeseman, Ray Knost, Ralph Zeischang.

Vocational Agriculture

The Vocational Agricultural Department has completed another year of accomplishments, in which practically every member has had an outstanding part in some way.

The officers of the Chapter are: Charles McGurer, President; Carl Zimmerman, Vice President; Richard Knost, Secretary; Paul Rosser, Treasurer; Mr. Kennedy, Adviser; Robert Gibson, Reporter; Russell Ream, First Conductor; Clarence Potter, Second Conductor, and Eb Roseberry, Watch.

The first of the year's activities was the annual Judging Contest, held at the Ohio State University. Of the two teams judging dairy cattle and general livestock, our team placed ninth in judging swine.

During Farmers' Week we sent two delegates to the University to attend the Leadership Conference, sponsored by Townsend Agricultural Education Society.

COURTESY CLUB

Front Row—Evelyn Anderson, Mary Wikle, Secretary; Sally Menaul, Peggy Scatterday, President; Elizabeth Watt, Jane Rader.

Middle Row—Anna Davidson, Helen Shupe, Virgie Snouffer, Ralph Grove, Harold Putnam, Dorothy Riel, Virginia Taylor, Marjorie Davis, Alpha Wilhelm, faculty advisor.

Back Row—Alice Sherman, Marshall Devol, Benjamin Grace, David Anderson, Julia Hard.

The Courtesy Club, with Mr. Webb and Miss Wilhelm as sponsors, was originated for the purpose of helping the school in every possible way and to have a good time. This club is a new organization in the school.

Two picture shows were sponsored to increase the funds of the club. At each school debate the club served a little luncheon for the debaters. In assembly one morning a play was given in which the participants exhibited their talents.

In the fall elections Margaret Bartley was chosen president and Virgie Snouffer secretary. A constitutional committee was appointed to frame a suitable constitution. At the election after Christmas, Peggy Scatterday succeeded Margaret Bartley and Mary Wikle was the new secretary.

Every week the president appointed pupils for office clerk during each period of the day. In the early spring the members enjoyed a formal party and had lots of fun, formal and informal.

SENIOR DRAMATIC GROUP

Front Row—Helen Robinson, faculty advisor; Elizabeth Dixon, Pearl Smiley, Virginia Ullom, Frances Cotter, Vera Allen, Florence King, Helen Cassidy, Florence Brown, Martha Brown.

Middle Row—Bonnie Rosser, Eleanor Wightman, Dorothea Pendleton, Pauline Compton, Louise Garner, Nellie Miller, Mary Myers, Helen Sinclair, Ethel Beck, Evelyn Aleshire, Geraldine Smith, Jane Roller, Margaret Smith.

Back Row—Paul Rosser, Robert Fenstermaker, Isabelle Wightman, Caroline Dunbar, Doris Williams, George Roller, William Proudley, Mildred Merwine, Junior Hard, Ruth Crowner, Paul Cotter.

The Senior Dramatic Club, under the direction of Miss Robinson, elected the following officers for this year:

Virginia Ullom, president; Mary Myers, secretary.

Two plays were presented in assembly, the first of which was "A Lapse of Memory." The cast deserves highest credit. The characters follow:

Mr. Marvell ---------- Helen Cassidy
Mrs. Marvell ---------- Elizabeth Dixon
Maggie ---------- Pearl Smiley

The second play, "Spreading the News," showed the danger of gossip. The cast was:

Bartly Fallon ---------- Paul Rosser
Mrs. Fallon ---------- Vera Allen
Jack Smith ---------- Junior Hard
Shawn Early ---------- William Proudley
Tim Casey ---------- Paul Cotter
James Ryan ---------- Florence Brown
Mrs. Tarpy ---------- Eleanor Wightman
Mrs. Tully ---------- Jane Roller
Jo Muldoon (a policeman) ---------- George Roller
A Magistrate ---------- Robert Fenstermaker

JOURNALISM CLUB

Front Row—Wilmanelle Scott, Ruth Taylor, Elizabeth Dixon, Mabel Southard, Margaret Bartley.
Back Row—Caroline Dunbar, Carl Zimmerman, Ethel Beck, Helen Bates, sponsor, Frank Archer, George Bonnell, Dorothy Collins.

The Journalism Club, a newly formed organization in the high school this year, has proved to be a great success in its own line. At an early meeting this club chose Elizabeth Dixon as editor and Ruth Taylor as assistant editor for the purpose of assembling the accounts and news of school activities for the local paper, The Worthington News. Each week Mr. Insley, the editor, has very kindly given one page of this paper for such publication. Therefore by the effort and extensive work of this club the public is informed of our numerous activities.

DEBATE TEAMS

Front Row—Jane Roller, Frank Archer, Ralph Backus, Virginia Ullom.
Back Row—Margaret Bartley, Marshall Devol, C. E. Webb, faculty advisor, Elizabeth Keys.

This year, under the supervision and coaching of Superintendent C. E. Webb and Mr. Probst of Capital University, Worthington entered the Ohio High School Debating League, which is sponsored by Ohio State University. The league is composed of 112 high schools of our state. The decision of each debate was rendered by a judge who was selected from a list of eminent and experienced men, by the university. The question was: Resolved, that trial before a judge or board of judges be substituted for trial by petit jury in the United States.

Our first debate was held on December 6, at which time the affirmative team, composed of Capt. Virginia Ullom, Jane Roller, Marshall Devol and Frank Archer met Westerville and were defeated.

On January 10, the negative team upheld by Capt. Elizabeth Keys, Margaret Bartley and Ralph Backus, lost to Newark, but not without a valiant struggle. The same night the affirmative won their debate with Pickerington.

The negative team was defeated by Lancaster on January 23, although the decision was closely contested. On January 24, the affirmative defeated Frazeysburg. This ended the preliminary contests.

All things considered this is an encouraging report for our first attempt in this competitive enterprise and Worthington will assuredly do better in the future.

The team feels that the winning of the debate was not the only gain to be considered, but the practice in public speaking and argument was an inspiration and help to be obtained in no other way. I hope Worthington will decide to enter these contests in the coming years and really be enthusiastic about it because it is an enjoyable and an enriching experience.

ALUMNI

ALUMNI NEWS

We are glad, we of the alumni, that we had the opportunity to pass our high school years in Worthington and it is with the greatest of pleasure that we welcome these new initiates, the class of 1930, to our ranks—feeling that they, too, are glad.

We are scattered, we have moved, some of us may be found in all parts of the world; some of us have achieved the heights and found wealth; a few of us have met with misfortune and adversity; most of us have formed substantial links in that long, unending chain known as the middle class, but all of us treasure above most things the memories of our high school days. In later years a goodly number of us have pursued higher education in many colleges of the country, more particularly our near neighbor, Ohio State University, and with few exceptions our records have been excellent.

Many of the alumni have remained in Worthington and vicinity and in every case they have been active in town and high school affairs.

The following is a record of a few of the prominent graduates of Worthington High School:

James F. Wright, '81—For many years a Worthington hardware dealer and now retired.

Mary Griswold (Mrs. Coleman), '84—Wife of Col. Coleman, U. S. Army. She is now located in Washington, D. C.

Henry Pingree, D. D., '93—Resides in Colorado and its state representative of the National Board of M. E. Sunday Schools.

Moses Wright, '95—President of Real Estate Appraisal Board at Washington, D. C.

Frank C. Medick, '95—President Medick-Barrows Picture Frame Co. A most successful business man. Mr. Medick is now showing his interest in Worthington by putting in a very beautiful land addition.

Otho Noble, '95—An official in the Ohio Printing Co., Columbus, Ohio.

Warner P. Simpson, '99—President of Warner P. Simpson Printing Co. A prominent Columbus citizen, also a former school board member.

Max Milne, '99—Commander in U. S. N., and now on duty in Italy.

Harry Wilson, '01—Local representative of the Ohio Bell Telephone Co.

Fred Sharp, '02—Worthington's representative in the field of veterinary medicine.

Howard Potter, '02—President of Creith-Potter Lumber Co. Howard is one of Worthington's foremost boosters. He fully believes that there is Worth in Worthington.

Carrie Vest (Mrs. Carl Long), '02—Has her third son in this year's graduating class.

Frank Welling, '03—Deputy clerk in the State Supreme Court.

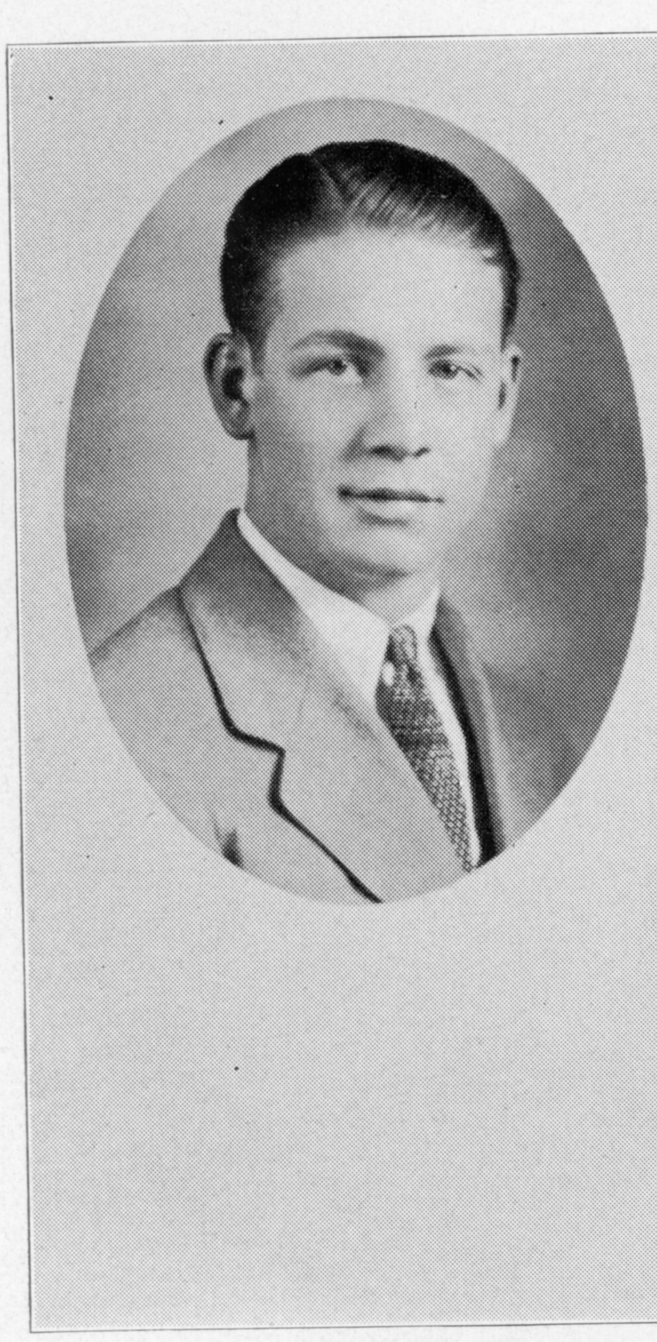

Robert Williams, '03—Assistant superintendent in Station B, U. S. Post Office, Columbus, Ohio.

Ursula Tyler, '04—At present a missionary in China.

Charles Collins—General passenger agent of Union Pacific R. R., and has headquarters in Omaha, Nebraska.

HAROLD W. GLOYD HAROLD C. HARD PAUL B. WAGER

"Sunset and evening star,
And one clear call for me,
And may there be no moaning at the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep,
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell
When I embark.

For tho' from out our bourne of time and place,
The flood may heave me far,
I hope to see my pilot face to face
When I have crossed the bar."

FOOTBALL BANQUET

A banquet for the football squad of 1929 was held at the Central Hotel on December 11, 1929. This banquet, which is an annual affair, is given by the fathers and friends of the boys on the team.

The arrangements committee was very fortunate in being able to secure Dr. J. W. Wilce, former coach at Ohio State University, as the speaker of the evening.

Dr. Wilce discussed football from "the human side, the man side, and the boy side." He related many interesting experiences and brought out many fine points about football.

Warren Insley was elected captain for the 1929 season and on behalf of the team presented the coach, Lester Miller, with a pen and pencil set as a token of their appreciation. Coach Miller awarded letters to the following: Robert Gibson, Lester Alexander, Richard Knost, Albert Proudley, Charles McGurer, Alfred Anderton, George Shupe, Herman Jeffers, Bernard Gibson, Ernest Schaeffer, George Bonnell, Warren Insley, Wallace Hard, Carl Cook, trainer, and David Anderson, manager.

THE VALUE OF ATHLETICS

Many people wonder if there really is any reason for athletics, especially in the high school. Surely a boy gets enough exercise without entering competition, they think. But apparently those officials holding high offices in the State Board of Education think otherwise, as at least ninety minutes of physical education per week is required. In these regular periods of supervised exercise it is possible for a boy or girl to correct some physical defect by using the proper exercises, or to develop some special talent.

A boy or girl answers the call of a coach for candidates for a team and attempts to win a place on that team. To do so he must readily accept advice and work diligently. No "shirker" makes the team. If he makes the team he must not get an exaggerated idea of his own importance. It must be understood that he is merely a cog in the machine. He must avoid all things which would lower his value to the team. The faith of his teammates must be kept. If his team wins, it is considered improper to boast, also he must accept defeat gracefully. If he loses his temper during a contest he is ejected. He gains nothing and his value to the team is lost. Aggressiveness must be a quality in a successful athlete, whether it comes naturally or is acquired.

But what is the value of athletics to the spectator? Why do so many people go to athletic contests? For many people the feats of an athlete express their own unfulfilled desires. Others prefer the action and excitement to the theater or a book.

First, last, and always the athlete and the team followers must uphold their own honor and that of their school.

GEORGE BONNELL, *President Athletic Association.*

SOCIAL

FACULTY PARTIES

For the first time the high school and grade faculties have united in giving parties and picnics.

The first was a picnic given at Mt. Air in October. The families of the high and grade school faculties attended.

The second party was a 6 o'clock dinner at the high school. Miss Robinson and Miss Wright were hostesses. The dinner was served as a project by the girls of the Home Ec class.

In February a Valentine party was given at the home of Mr. and Mrs. Kennedy. After a delicious dinner, bridge was played.

FRESHMAN PARTY

The Sophomores, Juniors and Seniors initiated the Freshmen at a party given in October in the High School auditorium.

The Freshmen who were made to perform were given green neckties and green hair ribbons. The rest of the initiation was soon over and the remainder of the time was spent in dancing.

Later delicious refreshments were served and in spite of the initiation all the Freshmen had a good time.

THE BON VOYAGE BANQUET

The Junior-Senior banquet given May 3, 1929, was a unique affair for it was made a Bon Voyage dinner to the Class of '29 which was soon to set out on the sea of life. Even the invitations were in harmony with the idea, being in the form of passports for the coming journey.

The banquet was held in the high school auditorium which, divided into a reception room, drawing room, and dining room, was beautifully decorated in green and white, the colors of the graduating class. From a circle in the center of the ceiling alternate stripes of green and white crepe paper were draped in graceful festoons to the side walls. The lights were also decorated with the two colors. Lattice gates, hung in arches trimmed with green leaves and white roses, opened from the reception room into the drawing and dining rooms.

The drawing room was furnished with davenports, easy chairs, small tables, floor lamps and, of course, the piano and electrola, and here a program consisting of music, readings and jokes was given, after which the party was invited to the dining room and was seated at a U-shaped table. The table decorations, aside from the white roses, the class flower, emphasized the idea of a Bon Voyage for each place card and menu bore a hand-painted ship and the nut cups were little paper trunks, hat boxes and valises. The mothers of the Juniors served a dainty supper consisting of fruit cocktail, perfection salad, rolls and butter, pickles, olives, ice cream ships, cake, cocoa, and nuts.

Then Mr. Dixon, in the capacity of toastmaster, called on Lawrence Long, Charles Quelette, Virginia Ullom, Violette Fenstermaker and Miss Robinson for toasts. The remainder of the evening was spent in dancing.

Everyone thoroughly enjoyed the banquet, and why wouldn't they? Wasn't it the best ever?

CLASS PROPHECY

was shot down in flames over Washington. He had a record of twenty-nine enemy planes.

Peggy Scatterday is raising a family. She and her husband returned from abroad six years ago to enable their children to finish school here. Her family no longer requires her entire attention, and she finds time to edit a column in the Columbus Dispatch, now the United States's greatest home daily, on the Care of Children.

Bernard Gibson, after completing a course in veterinary medicine, practiced his profession in Canal Winchester for five years. In 1940 he was appointed assistant professor of veterinary medicine at O. S. U., and is now at the head of his department.

Elizabeth Dixon is a war widow. She was married soon after graduating from Ohio University. Her husband was killed in an air raid over Baltimore in 1942. She lives with her parents and contributes articles to the Ladies Home Journal and Good Housekeeping.

Albert Proudley owns the Old Chase Tavern, which is widely known throughout the eastern states because of his effective advertising. He is a member of the Chamber of Commerce, and aided in the campaign for the new school building.

Pauline Schoaf inherited a small dairy farm from a distant relative. Being at first unable to sell it, she developed the farm until at the present time it is one of the largest and best in the middle west.

Helen Fisher returned to Worthington eighteen years ago to become bookkeeper in the new First National Bank. She has since become vice president and a member of the board of directors. She is a progressive business woman, and recently purchased the new business block on High Street between W. New England Avenue and South Street.

Wallace Hard was forced by a permanent injury some years ago to teach music for a living. In 1940 he founded the Worthington Academy of Music, of which he is president and which is now well known throughout the state.

Frances Cotter taught two years at Grove City, coaching the girls' basket ball team to two consecutive county championships. She founded the Cotter School of Physical Education, which is located in Columbus. She devotes her time to directing the school and helping to edit the Physical Culture magazine.

Richard Knost is the owner of the Chaseland Construction Company. He began as a truck driver and worked his way to the head of the company. Included in his recent constructions are his new home in Chaseland, the Fisher block in Worthington and the new school building.

Ruth Hill married and stayed in Worthington. Two of her sons have graduated from high school here. As members of the W. H. S. basket ball team, who were the state champions this year, they were chosen all-state forwards.

Pearl Smiley became a nurse. She was trained at White Cross Hospital and went abroad in the last war, serving in both Russia and Japan. She is now matron at Grant Hospital and writes articles for the Worthington News.

Elizabeth Watt and Louise Garner have a home in Chaseland. They taught nine years at Worthington, then five at Delaware and are now members of Central

and North High faculty. They spent last year abroad, visiting Europe, Africa and South America. A recent addition to their home is a large anteroom in which they display collections of medieval art which they spent twenty years in gathering.

George Shupe alone remains unaccounted for. Over twenty years his friends have sought in vain to trace him. When the people of this town occasionally recall his name and comment upon his mysterious disappearance and his probable fate, they know he will never return again. Twenty years ago this May he sped westward through the town, probably to Chicago, in a new Chevrolet and was never seen again.

THE OPERETTA

For the past ten years, the Glee Clubs of Worthington High School have presented an operetta.

On the evenings of February twentieth and twenty-first of this school year, our Glee Clubs presented "Riding Down the Sky," an operetta in two acts, written by Geoffrey F. Morgan and Geoffrey O'Hara. This operetta has just been published and was well presented.

The cast of characters was as follows:

Ben Baker, an American aviator ---------- Wallace Hard
George McDonald, a mining expert ---------- Jack Collins
Joshua Scroggins, deck-hand on the airplane ---------- Junior Hard
Don Pedro de Garvanza, president of Santa Delmonica ---------- Albert Proudley
Carmelita, his young daughter ---------- Joan Stritmatter
Pepita, her friend ---------- Helen Cassidy
Rosa Escondido, a duenna ---------- Virgie Snouffer
Don Jose del Molino, an elderly suitor ---------- Marshall Devol
Francisco Bandino, a revolutionary conspirator ---------- Emerson Coe
Maria Bandino, his wife ---------- Elizabeth Dixon
Sgt. Timothy Riley, of the U. S. Marines ---------- Ernest Schaeffer
Fernando Gonzales, the President's bodyguard ---------- Bernard Gibson
Dancer ---------- Lavorne Yeram

ON THE OLD WOODEN DESK

Oh, 'tis a pity! a shame! and a crime!
To think of the hours spent wasting the time.
Do look at the ridges, each little dent
Carved by an owner who's new paying rent.

We ask the use of the desk and the knife—
Surely to carve your initials for life.
Here is a letter that stands quite apart,
Here are two names that are linked with a heart.

The desks have seen many a pin and a blade.
For scars of an age, at least a decade,
Remain on each surface to show despair
Was caused when a student was freed from care.

Some carvings have depth, others just a crevice,
Which shows how things would run if random would let us,
How graceful some lines, how ragged are others,
The markings made by the hands of school brothers.

Pictures are drawn of wild, wobbly horses
Prancing down race tracks, pursuing their courses;
Others show ladies in whose lovely eyes
Reposes the heart of the artist who tries.

Here underneath there are two persons, named
Each for the other; both hearts were inflamed.
Now they have parted, she has another;
Woe strikes me down, but he's wed her mother.

Stories are told by the names and the dates.
We enjoy spare time, thanks to old graduates.
Numbers are marked W. H. S. leaving year,
But time rolls round and we still find them here.

Such is life and fortune, perhaps they are blessed
In losing the one to them that looked best.
Why care we now, who have high school ahead?
Those folks go on eating or earning their bread!

—Ruth Taylor.

THE SENIOR CLASS PLAY

The Senior Class Play "Lightnin'" was given on Monday and Tuesday nights, May 26 and 27, by the Senior Class of 1930.

The play is the main dramatic event of the year and is given annually.

The setting is the "Calavada Hotel" on the border line between Nevada and California, owned by "Lightnin" Bill Jones and his wife.

The plot of the play is John Marvin's implication in an alleged timber steal. Marvin proves his innocence and wins Millie as his bride.

"Lightnin" is the comic character.

Margaret Davis is successful in her divorce and weds Lemuel Townsend.

The cast was as follows:

"Lightnin" Bill Jones ---------- Lawrence Long
John Marvin ---------- Emerson Coe
Raymond Thomas ---------- George Shupe
Lemuel Townsend ---------- Albert Proudley
Rodney Harper ---------- Warren Insley
Everett Hammond ---------- Wallace Hard
Nevin Blodgett (Sheriff) ---------- Ernest Schaeffer
Oscar Nelson ---------- Benjamin Grace
Fred Peters ---------- Bernard Gibson
Miss Lennon ---------- Emily Cummins
Zeb Crothers ---------- Benjamin Grace
Livery Man ---------- Richard Knost
Mildred Buckley ---------- Virginia Ullom
Mrs. Jones ---------- Elizabeth Dixon
Mrs. Margaret Davis ---------- Peggy Scatterday
Mrs. Harper ---------- Elizabeth Keys
Freeda ---------- Pauline Shoaf
Emily Jarvis ---------- Pearl Smiley
Mrs. Moore ---------- Helen Fisher
Mrs. Jordan ---------- Joan Stritmatter
Mrs. Preston ---------- Louise Garner
Teddy ---------- Elizabeth Watt
Mrs. Corshall ---------- Frances Cotter

IT IS ENTIRELY due to the cooperation of the men and women whose advertisements appear in this book, that we are enabled to publish this volume of the Oracle. We gladly take this opportunity to thank all who have helped us in this way, and we heartily recommend that our readers patronize these advertisers.

While congratulating the graduates of the 1930 class of the Worthington High School, may we call attention to the fact that you are now making your first real beginning in life, and, to some extent, will all become business men and women. Trees came through with the next six points. Gahanna's excellent defense was due mainly to their fullback. Worthington scored another touchdown which was made by Bonnell.

A game was scheduled with Canal Winchester on November 15, but due to the muddy field and the fact that Canal Winchester had had an unsuccessful season, the game was cancelled.

On November 22 Grove City motored to Worthington to play the W. H. S. team. This being the last game of the season the team was very much determined to win. Grove City was in the lead at the half, 7 to 6. The Worthington players came through with 11 points in the second half, however, and the game ended in their favor, 18 to 7.

Thus ended the scheduled games for 1929, with four won, three lost, and one tied.

Much of the team's success was due to the extraordinary ability of the coach, L. J. Miller, who along with Mr. Webb, showed fine sportsmanship by dressing and playing with the squad many practice sessions.

At the beginning of the season the school board kindly appropriated several hundred dollars to the athletic fund, part of which was used to purchase much new and badly needed equipment.

Through graduation the team loses several valuable players, including Shupe, Insley, Proudley, Long, Knost, Gibson, and Hard. With Trees, Bonnell, and Quelette in the backfield and R. Gibson, McGurer, Alexander, Jeffers, Anderton, and others for the line, a bright outlook should be held for the 1930 season. The rest of the squad is praised for their highly satisfactory services.

Carl Cook is complimented on his valuable and efficient services as trainer.

BE A BOOSTER

For many years Worthington High School athletics have been struggling along, having to be content with more defeats than victories.

A large share of these losses has been due to insufficient backing, for a team always has to have support from the townspeople. The citizens in the village expect wonders from our teams but they are not willing to back them and as a result our squads have had very poor equipment and training facilities.

In the past few years, the conditions have been improving somewhat but can still be bettered in many ways.

Our teams have need of basketball equipment; the football field needs re-seeding and has been neglected for a long time. In addition to this we need a suitable track.

Remember, athletics are an essential part in a student's education, so in the future please boost them.

WOMAN IS LIKE—

A book: Usually bound to please.
A train: Often gets on the wrong track.
A magazine: Lots of fiction beneath the cover.
A program: Subject to change without notice.
An automobile: Often runs people down.
A banjo: Often picked on by her friends.
A thermometer: Often of high degree.
A cigar: Inclined to be puffed up at times.
A church: Men make sacrifices to her.
A stove: Often needs a new lid.
But the average man admits there is nothing like her.

VOCATIONAL AGRICULTURE

Continued from page 45

The state officers of the Future Farmers of America staged an initiation ceremony during which three of our candidates, Ross Lafler, Robert Gibson and Lawrence Cheeseman were initiated into the society. Paul Hartsook, a member of our local organization, is reporter for the state organization.

Our apple judging team participated in the state judging contest during Farmers' Week. Our chapter also made eleven entries at the Franklin County Fair and won five first; three second and two third places.

The livestock judging team which consisted of Carl Zimmerman, Robert Gibson, Charles McGurer and Paul Rosser won first place in the judging contest sponsored by the Saddle and Sirloin Club at the Little International Livestock Show, held at Ohio State University the first of March. A large loving cup was awarded the team for this outstanding placing.

During the year seven evening meetings have been held at which times discussions and demonstrations were given on poultry and dairy problems.

Our officers initiated the members of the Grove City Agriculture Department into the F. F. A. organization, which is a national organization of boys enrolled in Vocational Agriculture.

"All right back there?" called the conductor.

"Hold on," cried a voice. "Wait until I get my clothes on."

The passengers craned their necks. Ethel Beck was struggling to get a basket of laundry aboard.

ATHLETIC ASSOCIATION

An athletic association was organized under the supervision of C. E. Webb and Coach L. J. Miller. At the first meeting George Bonnell was elected president and Helen Cassidy secretary-treasurer. An athletic board was formed consisting of a representative from each class and the coaches of the various activities. It is the duty of this board to decide who shall be awarded letters for their services. A committee was appointed to secure suitable awards for the champions in the inter-class basket ball tournament. The Senior girls and the Junior Boys will receive the awards.

Joan: How did you come out with your exams?
E. Keys: Oh, I knocked 'em cold.
Joan: Howzat?
E. K.: Got zero.

THE TROPHY CASE

The Hi-Y Club has purchased a large trophy case which is placed in the hallway of the high school. The purchase of the trophy case was in part made possible by a donation from the class of 1929. The rest of the money was obtained from dues paid by Hi-Y members and also from several picture shows sponsored by the club. With the need for a trophy case now fulfilled the school should find no difficulty in securing enough cups to fill the case. There are already several cups on hand, obtained from swimming meets, basket ball tournaments and music contests.

A teacher was telling her class stories in natural history and she asked if anyone could tell her what a groundhog was. Up went a hand. "Well, Ralph, you may tell us what a groundhog is."

Ralph Z.: Sausage.

COUNTY BASKET BALL TOURNAMENT

The Franklin County basket ball tournament was held at the Columbus Y. M. C. A. February 27, 28 and March 1. The girls' team was eliminated in the first game. They were defeated by Upper Arlington, with a score of 25 to 13. The boys played three games, winning one and losing two. On February 21 Worthington met and were defeated by Canal Winchester, thus being eliminated from the regular tournament. On March 1 Worthington, in the consolation tournament, won from Lincoln High, Gahanna, by a score of 25-17. This game gave them the right to play Westerville for the consolation championship. They were defeated, however, losing the cup to their stronger opponents. The score was 29 to 17.

WHAT OF THE FUTURE?

If the young men and women graduating from High School realized how much their success in life depends on learning the wise use of money, they would give the subject most thoughtful consideration. To be generous, yet not extravagant; to save, and not be penurious; to acquire, and still be sympathetic with the needs of others; these are some of the problems that confront every young person.

The Northern Savings Bank covets the opportunity to help all worthy young people plan wisely for financial success.

INTER-CLASS TOURNAMENT

This event was held on Friday and Saturday nights, March 7 and 8. The Junior girls forfeited their game to the Freshmen. The Senior girls won by a small margin from the Sophomores, this making them the champions. In the first boys' game the Juniors scored 32 points to 2 by the Freshmen. The Seniors, playing part of the time with four men, defeated the Sophomores 17 to 6. The Junior-Senior boys' game was the most exciting and roughest game of the tournament. The Juniors finally emerged as victors, however, the final score being 16 to 13. Both the Sophomore boys and girls were the consolation champions.

Mr. Webb: "Why are you tardy?"
Dave Anderson: "Well, a sign down here—"
Mr. Webb: "Well, what has a sign got to do with it?"
David A.: "The sign said 'School ahead, go slow'."

"POETRY"

Sing a song of physics,
Seniors in a row;
Miller in front a-lecturing
Fast as he can go;
Schaeffer's asking questions
With indulgent air,
Peggy reading from her book
With knowledge to spare,
All the rest are dreaming
In abstraction sunk.
Then Miller springs a quiz,
And you ought to see us flunk.

When Wilhelm keeps the study hall,
You're sure to hear her call
"David, please change seats with Beck,
I'm surely tired of giving you heck."

A little pup strolled in the room;
Miss Wright had study hall, oh pity!
Her eye then spied the little cur,
Said teacher, "Come here, kitty."

HOW TO BE POPULAR

Be generous with the little knowledge you happen to have on hand.
Join the debating team.
Have a supply of pencils and paper from which one may borrow.
Don't tell anyone that you got an A unless they ask you.
Give rousing cheers in assembly, be it for football, music or debate.
If you draw a good cartoon let everyone see it except the model.
Work hard on all tedious reports and then give them to all those less fortunate.
In registration stroll into the room at least three minutes after the bell has rung.
Suppress all whispers and giggles except in registration, study hall and recitations.

Pauline Shoaf (in Home Economics): Oh! My cake is burning and I can't take it out for five minutes.

Commencement

As you finish your High School career the above word seems to be a contradiction, but as you take your place in the world you will find that your place tonight is really the "Commencement" of your education.

There are many things to learn, but we hope you never lose sight of the most valuable lessons you have learned in school, namely; obedience of laws of God and man, that you may respect yourself, live peaceably and command the respect of your fellow man; industry, that you may prosper; and thus you may assure yourself a place as a loyal citizen in this great country of ours. This is the wish of,

Warren Hawkins: Mother, was Robinson Crusoe an acrobat?
Mother: I don't know, why?
Warren H.: Well, here it reads that after he finished his day's work he sat down on his chest.

Emerson: That fellow gets a cold shoulder every time he comes in here.
Wallace: Who's that?
Emerson: The ice man.

Helen C.: Did you take father apart and talk to him?
Dick K.: No, I didn't have to. He went all to pieces when he saw me coming.

Mrs. Wilson: Do you know why the earth turns round the sun on its axis?
Allan Webb: Sure. Because it doesn't want to be roasted too much on one side.
