THE SENIOR CLASS

Was Shakespeare correct when he said "Life's but a walking shadow, a poor player that struts and frets his hour upon the stage and is heard no more; it is a tale told by an idiot, full of sound and fury, signifying nothing."? Are we nothing but thespians wandering on the stage of life with no purpose? If we accept this at face value, we may find ourselves leaping from bridges while we pull others with us! Our present educational effort is but a scene; we must make the most of our talents in order to add to the plot, for the last act may bring down the curtain sooner than we expect. The lines to speak are ours, but the Director knows what we should say.

JUNIOR CLASS OFFICERS: Dick Andrews, **Vice President;** Ira Porterfield, **President;** Jeff Lowman, **Treasurer;** Barbara Miller, **Secretary.**

THE JUNIOR CLASS

"I feel proud to have been elected as President of my Junior class. It has provided for me an opportunity to work with and to represent an outstanding group of people. The excellent co-operation of my classmates and their willingness to accept responsibility has made my task a pleasant one. We have all worked very hard throughout the year in an effort to finance our major activity, the Junior Senior Prom. As a class we have set and tried to achieve many goals. I believe that members of the class will be successful in their varied ventures and that they will continue to exert the kind of enthusiasm and leadership, which will help insure the development of a better world. It is my hope that we as a class have broadened our knowledge and can use it beneficially in future years.

"On behalf of the members of the class of '1964,' I should like to express our thanks and appreciation to both the teaching and administrative staff for their excellent guidance and council."

THE SOPHOMORE CLASS

The class of 1965 was the largest ever to enter W.H.S. As freshmen we did our share in school activities, but we don't feel that just our share is our goal. As Sophomores and then as Juniors and Seniors it is our sincere hope that we will excel in every task laid before us.

CHIE OKAKI

Miss Chie Okaki has been our American Field Service exchange student this year. Her home is in Hiroshima, Japan.

"I am happy to be surrounded by really nice friends," was Chie's comment on her stay in Worthington. She has enjoyed all of her subjects, but has found speech the most rewarding, since she is planning on becoming an interpreter after finishing her education.

Chie has felt as though she were a true part of her American family, the James Chapmans. She has become especially close to her American sister, Linda.

We at Worthington High School have been privileged to have Chie with us.

CLUBS PROMOTE SPORTSMANSHIP

G.A.A. Highlites

The Girls' Athletic Association plans the intramural program for high school girls. The intramurals include: tennis, fencing, basketball, bowling, hockey, golf, kickball, and table tennis.

The club's advisors, Miss Bach and Miss Stewart, agree that the program keeps with the goals of G.A.A.; which are to promote good sportsmanship and physical fitness. The club members vote and give awards for various achievements.

Varsity "W"

Varsity "W" Club consists of boys who have earned their letters in one of Worthington's competitive sports. Mr. Nelson, the club advisor, and Ron Davis, the "63" club president, are in charge of the duties of the club.

During football season the members help park cars and guard the gates and fences around the field. During the basketball season they see that no one takes food into the gym.

The club works toward the betterment of our high school and to achieve better sportsmanship here at Worthington.

Hi-Y Aids In Charity Newsies

"To create, maintain, and extend throughout the home, school, and community high standards of Christian character." This is the purpose of the Hi-Y club. Under advisor Mr. Dow Nelson, the club tries its best to back up these words.

Although Hi-Y is mainly a Christian organization, it also provides many "extra-curricular activities", the charity newsies drive, intramural sports, the Christmas Formal (along with Y-teens), and the Homecoming Dance.

Foreign Orphan Receives Aid From Y-Teens

This year Y-Teens adopted a foreign orphan as a new service project. Both Miss Marianne Lynch and Mrs. Marilyn Braun, the advisors, feel that this project will give the girls an incentive to work for the club.

Miss Lynch stated, "This project will serve as a living example of what T-teens stands for -- to serve others and to develop good character."

Y-Teens sponsored the King Korn Ball. Also on December 27 Y-Teens and Hi-Y co-sponsored the Christmas Formal.

FTA ENJOYS TEACHING DAY

Many F.T.A. members anticipate student teaching day not only as a day to escape from school, but as an opportunity to observe or participate in classroom situation.

CHRONICLE Staff Serves Students Through Paper

When you returned to school last fall on Sept. 8, you were welcomed by a free issue of the **Cardinal Chronicle.** This was only one of the benefits offered to you by your school newspaper.

The purpose of the **Cardinal Chronicle** is twofold. It enriches the minds of the student body through its student-written articles; in addition, it serves as a means of practical experience and learning for journalism students. Each member of the journalism class has a staff assignment, as on a regular newspaper. However, everyone participates beyond their assignment in the publishing of the **Chronicle.** Each student ararranges interviews, gathers ideas for articles, writes articles, composes headlines, proofreads, helps to arrange the articles on the page, and folds the printed papers.

Subscribers to the **Cardinal Chronicle** are treated to informatve news articles, thought-provoking editorials, captivating features, and exciting sports news.

Row 1. E.Kasner, M.Allen, D.Kirkwood, P.Weiss, M.Schultz, C.Moore
Row 2. B.Miller, K.Rose, L.Chapman, L.Beetham, S.Bratton, P.Burnhagen
Row 3. T.Moore, T.Moore, R.Fow, B.Albertson, B.Anderson

It costs the staff about $1400 per year to publish the newspaper. Only $750 is obtained through subscriptions. The staff sells advertising and sponsors canteens to raise the remainder of the money. With this money, the staff publishes 10 regular issues during the school year and also at least two extra issues that are free to subscribers.

Mrs. Jerri Lawrence was the advisor for the first semester and Nancy Hofferberth was advisor for the second semester.

NHS SPONSORS BOOK STORE

The major project of the National Honor Society is the operation of the book store each morning before school. The store contains supplementary material, ordered by many teachers, as well as many well-known paper back books.

Under the capable leadership of Miss Frye, the National Honor Society is designed to create enthusiasm for scholarship, stimulate a desire to render service, promote leadership and to encourage the character development of W.H.S. students.

Safety Council Promotes General Safety Around School and Community

Worthington High School's Safety Council is one of the two pilot programs in Ohio. With the help of Mr. John Hammill, advisor, the Council sponsored a number of projects which included showing the movie

SNHS OBSERVES SPANISH CUSTOMS

Anne Burnside during the first semester, and Miss Miller during the second, F.T.A. tries to help its members decide if the teaching profession is for them through guest speakers, panel discussions and films.

In addition to observing two student teaching days, the club had a Christmas party. Later in the year, they sponsored Teachers' Recognition Day. A banquet at Perkins Pancake House, where the new officers were announced, concluded the year's events.

R. Hitzemann, W.H.S. Photography Club members learn the various photographic skills which make a good picture "worth a thousand words."

Although the majority of Thursday night meetings are spent in the Industrial Arts room, developing negatives and enlarging pictures, occasional film strips are shown illustrating more complicated picture-taking techniques. Guest speakers and field trips are also part of the club's yearly agenda.

THESPIANS ORGANIZE SCHOOL PLAYS

"The purpose of the WHS Thespian Club is to further interest in dramatic arts," says Mrs. Whitacre, club advisor. "Each year we sponsor the Evening of One Acts in January, the spring play in which the entire student body may participate, and at least one canteen during the year."

During each play sponsored by Thespians, committees are organized to handle production problems: publiciay, make-up, props, costumes, tickets, and scenery. Through participation in the cast and on committees, students can earn the necessary 10 points required for official membership.

Radio Club Learns of Electronic Relay World

A few years back several boys who were interested in amateur radio saw a ham license on Mrs. Cowgill's car. Wishing to start a radio club, they asked her if she would help them organize a club and perhaps be their advisor. She consented and the radio club of W.H.S. was born. The members of the radio club first learn the technical theory about using electronic equipment and components that make up the world of electronic relay.

Art League Increases WHS Cultural Interest

The Worthington Student Art League formed this year brought a cultural interest in art to W.H.S.

Club activities included participation in Christmas projects, making posters for school activities, and other activities to create and develop new phases of art for the club's members.

Mr. Richard Phipps is the club advisor.

F.H.A. Attends Spring Rally

F.H.A. is a group of girls dedicated to encouraging an interest in good homemaking and to help the community through service projects. Each year, the members earn money to purchase a gift for the Home Ec. Dept., such as a lamp. Highlights of the year are the annual spring and fall rallies which all F.H.A. clubs in Franklin Count participate in.

DIRECTORIES FBLA PROJECT

Student Directories and Poindexter are just a couple of the projects F.B.L.A. sponsors. Since it was established, F.B. L.A. has been doing typing and mimeographing for various teachers and clubs in W.H.S.

In February several of the members of F.B. L.A. and its advisors, Mrs. Watters, Mrs. Bettridge, and Mr. Wachtman, attended the annual state convention to become acquainted with members of other chapters of F.B.L.A. and to learn new ideas on how to improve the club.

F.B.L.A. holds many opportunities for the prospective business employees by teaching the members how to run various office machines and how to act and dress for an interview.

The Spanish National Honor Society, under the leadership of Mrs. Ruth B. Clausing, benefits the Spanish student by promoting interest in Hispanic Culture and skill in the use of Spanish.

The Spanish Club anxiously awaits the Christmas Season, for this is the time they celebrate the coming of the "Posadas" and the breaking of the "Pinata."

The highlight of the year is the annual State-wide convention, which includes delegates from 20 chapters. The Worthington Chapter usually has two or more of its members elected state officers.

Debate Club Attends Tournaments

Under the supervision of Miss Elaine Hottenroth, the Worthington High chapter of the National Forensic League experienced an excellent season. The season got off to a fine start when Mike Manley received the season's first NFL Student Congress' Best Speaker Award. During the year, club members attended two congresses and several tournaments. In addition to sponsoring a Student Congress for the W.H.S. student body in February, they hosted the Metropolitan Tournament in March.

The club's function is to acquaint members with the fundamentals of speech and debate, prepare for actual debate competition, and provide opportunities for them to compete against other schools.

Bug Collectors Are Busy

"To stimulate interest in the biological sciences at Worthington, this," said Mary Lou Williams, "is the purpose of the Biology Club." Mary Lou, Secretary (the only officer) assists Mr. Dindal in the adminisration of the club. The activities of this active group include movies, field trips, phenology, hiking, and the preparation of show cases. In addition, each member works on a personal project of his or her greatest interest.

"Worthington High School May I Help You Sir?"

"The purpose of our club, why to furnish better office service to the students and teachers of Worthington High School," says Lee Lechner, president of the Main Office Assistants.

Every month the office assistants meet to discuss the problems of the office staff and how their service can be improved. Each year the club has a christmas party at one of the finer Columbus restaurants. Mr. Lane and the club advisors, Mrs. Phillips and Mrs. Severns, also attend. At the end of the year, the club members have a farewell luncheon.

We're With You Team

Members of the Cheerleading Club promote sportsmanship and school spirit at W.H.S. through many service programs. Projects include printing and selling basketball programs, selling pins and decals, printing slogan cards, and sponsoring the All Sports Dance in the Spring. In addition to planning pep rallies, the varsity cheerleaders also organized the Cardinal Club this year.

nior and senior classes, conducting fire drills, and writing a student Driving Safety CODE. Due to their efforts, the Board of Education approved plans for a sidewalk around the school. The Council also works actively in the field of civil defense.

The objectives of the club are to promote general safety around the school and community.

Red Cross Aids Thru Volunteers

The Worthington High School Red Cross is part of a worldwide organization, the International Red Cross. There are over 28 clubs in Columbus and outlying areas which come together once a month. The purpose of these meetings range from a hayride party to a discussion of world crises.

The activities of Worthington's club center around the main organization. These activities include helping with the holiday celebrations for bed-ridden patients, taking surveys to better the club, and hospital volunteer work.

Mr. Wachtman, advisor, guides the club.

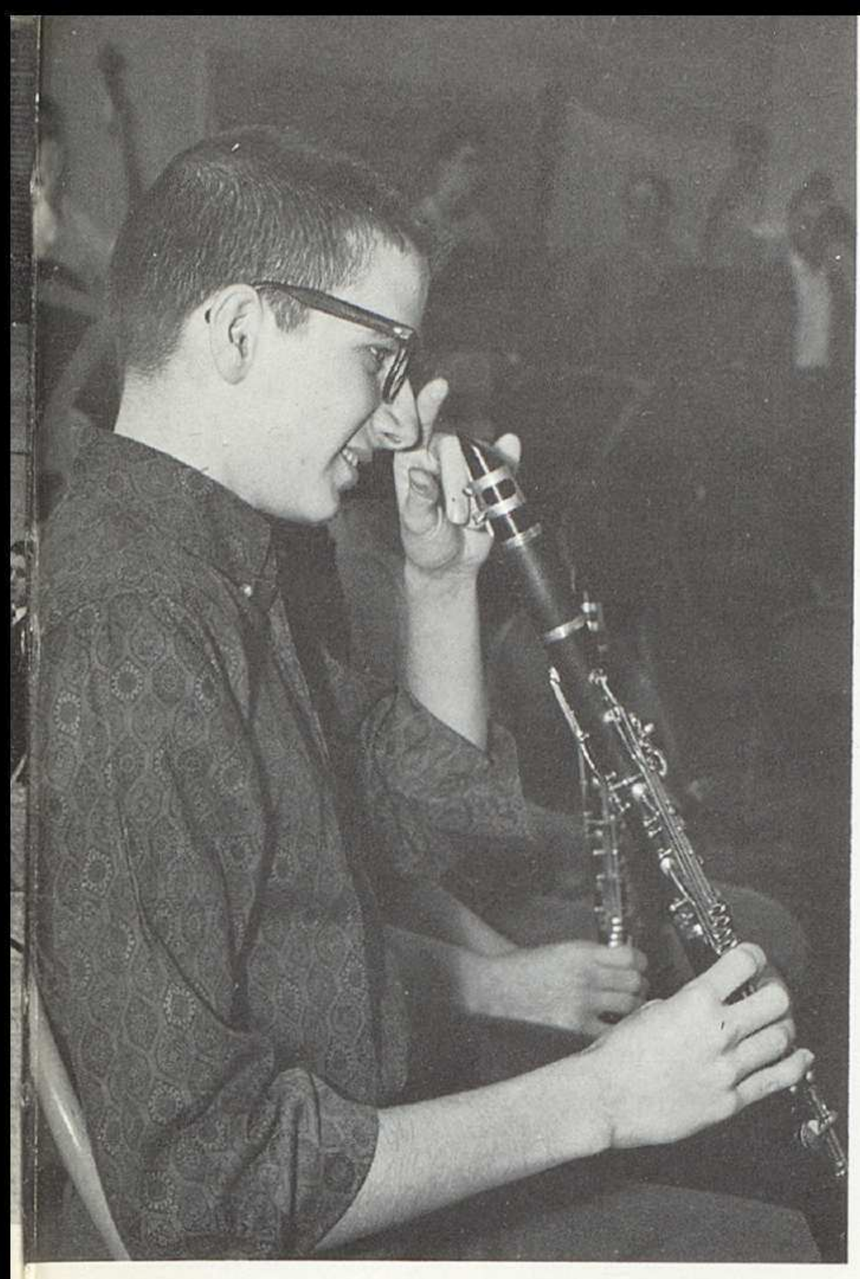

Astronomy Club Club Writes Constitution

The Worthington Astronomical Club, under the leadership of President Dave Litner, has written a constituion this year. The club's main purpose is to promote an interest in astronomy for the student body and the community. It is advised by Mr. Noel Guitry, W.H.S. physics teacher. Activities of the club include obtaining a new tube for the telescope, setting up a display in the main hall showcase, and obtaining a new observing platform for the obsefvatory.

1963 CARDINAL QUEEN

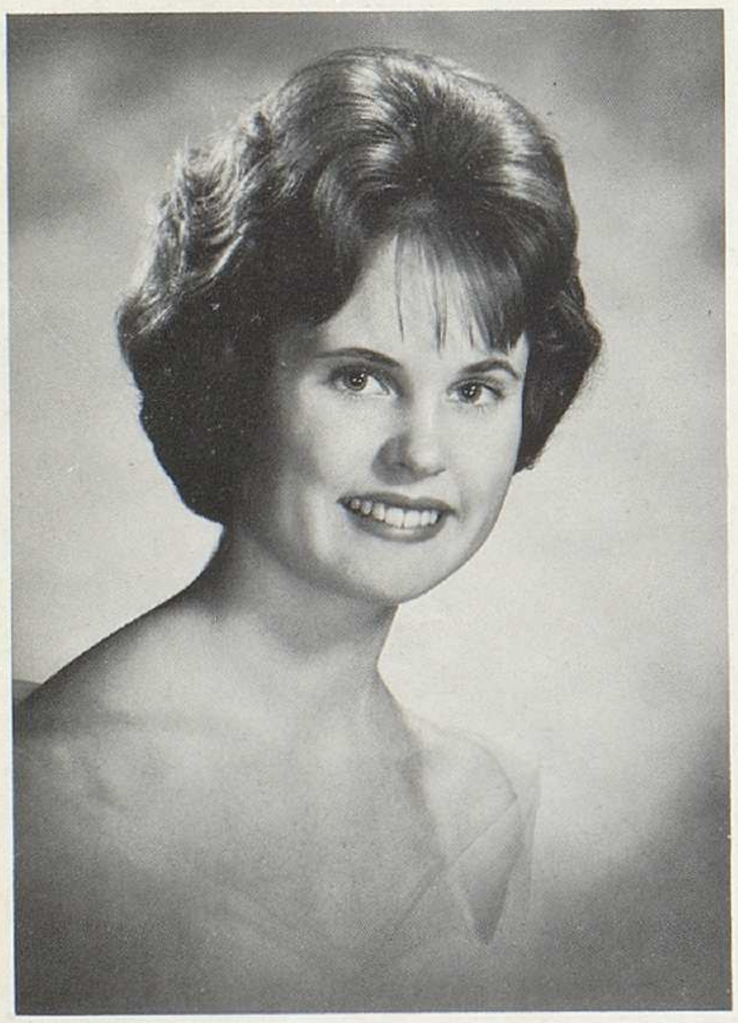

CARDINAL QUEEN Miss Beth Syverson

CARDINAL QUEEN

Beth Syverson was selected to reign as Cardinal Queen at the Cardinal Queen Dance, " . . . And Time Stands Still," Feb. 9, 1963 in the high school gymnasium.

From candidates nominated by the student body, the judges picked the girl to be crowned Cardinal Queen, basing their decision on such qualities as personality, poise, and good grooming.

Dick Rensch, Cardinal business manager, crowned the new queen and Betsy Tippett, last year's queen, placed the traditional Queen's bracelet around Beth's wrist.
