# Victory Fire Blazes For Spirited 68 Homecoming

Enthusiastic people crowded into stadium bleachers Thursday evening, October 3, to honor the football and cross country teams. Cheers were interspersed with predictions of victory and several skits. Student Body President Bruce Turnbull announced the results of the Homecoming queen elections. The students then paraded to the Dust Bowl, where bonfire flames towered high above their heads.

Class floats circled the track Friday night before the football game with Pleasant View. The senior class won the first prize money with their entry, *Guess Who's Coming to Dinner.* The Cardinals proved their spirit and strength by defeating the Panthers by a score of 58-6. During halftime the queen and her court were honored by the band's performance of a show entitled *LUV.*

Murals showing scenes from *Gone With the Wind* graced the walls of the gym the night of October 5 for the Homecoming dance. The glowing queen, Sue Benner, reigned over the activities of Worthington's first Homecoming victory in eight years.

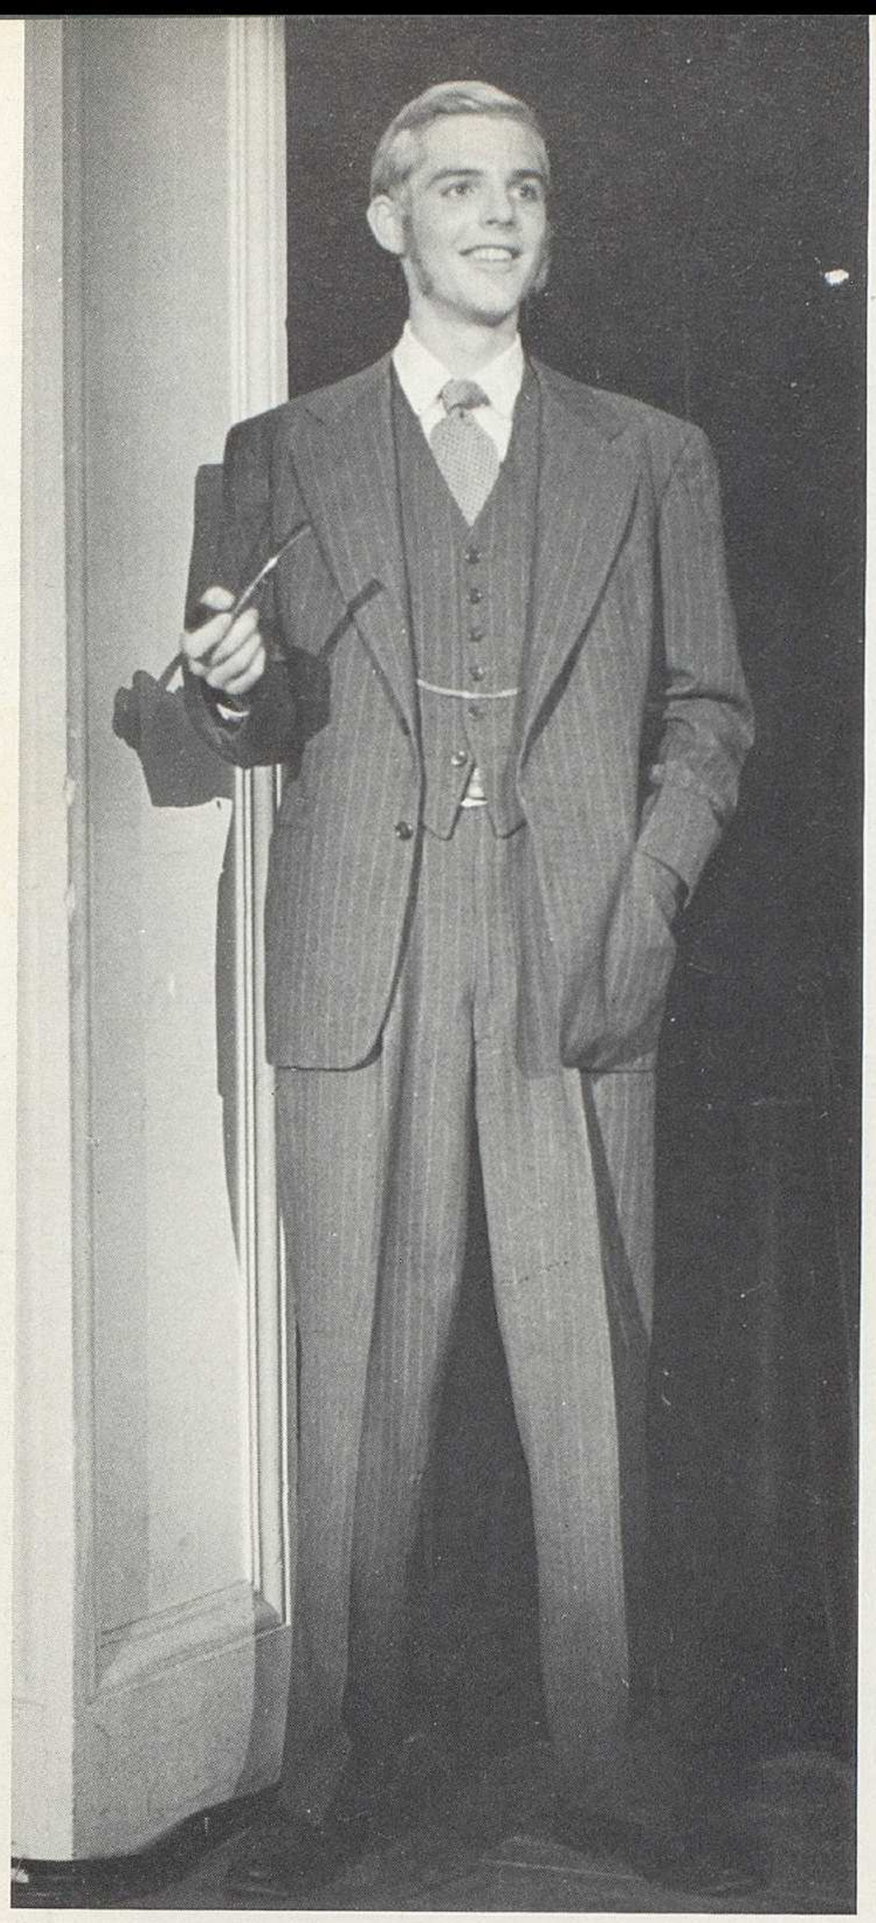
# *Our Town* Stiffly Challenges Cast And Audience

Thornton Wilder's *Our Town* was presented by the Worthington Thespians on November 8 and 9 at James Kilbourne Auditorium. Under the direction of Mr. David M. Polk and students Sheri Woodruff and Susie Chapin, the serious play revealed a story of life, love, and death. Against a blue backdrop suggesting an ethereal world, the Stage Manager moved freely through time and space retelling a timeless story. Grover's Corner, New Hampshire is the setting for the courtship and marriage of Emily Webb and George Gibbs. Emily's subsequent death awakens within the sensitive members of the audience the realization that life cannot be grasped and stored away, but only lived as fully and completely as possible.

*Our Town* is a story dominated by life and death. In the two pictures above can be seen signs of this external conflict.



ABOVE LEFT. Caught up in the story, the Stage Manager (Mike Muller) describes the people of Grover's Corners. ABOVE. Torn from the world of the living, Emily (Peggy Miller) is forced to find her place in the world of the eternal. LEFT. # Radiant Holiday Dance Shimmers With Winter

Snowflakes and glittering stars transformed the cavernous gym into a "Winter Wonderland" December 14, 1969. The decorations for the annual Christmas Formal enhanced the regal evening. Evergreen trees jauntily stood in the front lobby and in the corners of the gym. An "enchanted" white tree surrounded by blue garlands and accentuated with silver mirrors graced the lobby entrance. Hundreds of suspended snowflakes gleamed overhead as the North Polarians created a warm, romantic mood.

The main event of the evening was the crowning of the 1969 Cardinal Queen. Seven girls were chosen as finalists by the student body. Disinterested judges then rated the girls on their appearance, poise, and on their ability to answer questions before an audience. Miss Gail Frey, senior, was chosen as the 1969 Cardinal Queen. She was escorted by Steve Roberts.

The other contestants were: Missy Jolly, sophomore, escorted by Mark Denbow; Ruth Keller, sophomore, escorted by Tom Pappas; Bonnie Myers, sophomore, escorted by Tim Kight; Colleen Carter, junior, escorted by Dave Carter; Sue Benner, senior, escorted by Jim Savage; Sandy Day, senior, escorted by Jim Clifford.

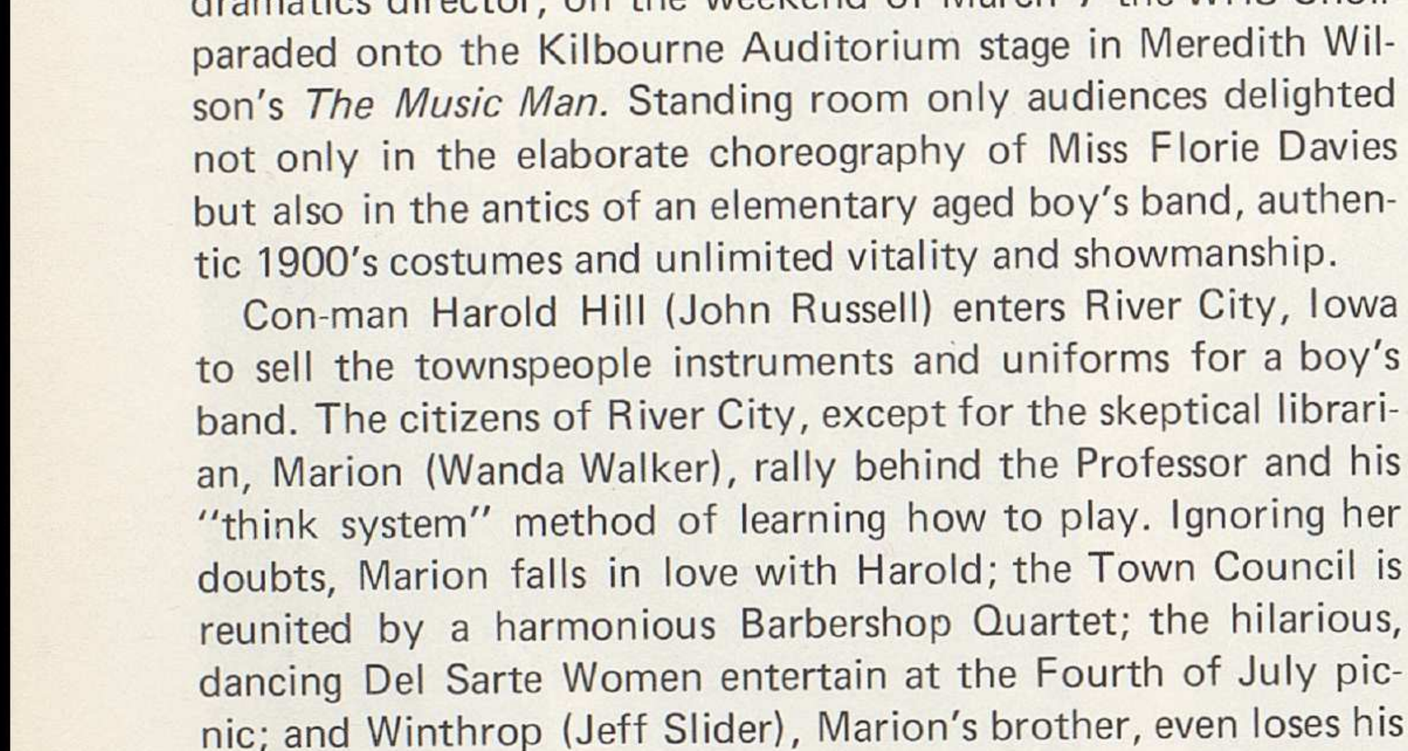
# Lively *Music Man* Plays For Standing Room Only

After three months of demanding rehearsals supervised by Mr. Joel Haney, music director, and Miss Elaine Hottenroth, dramatics director, on the weekend of March 7 the WHS Choir paraded onto the Kilbourne Auditorium stage in Meredith Wilson's *The Music Man.* Standing room only audiences delighted not only in the elaborate choreography of Miss Florie Davies but also in the antics of an elementary aged boy's band, authentic 1900's costumes and unlimited vitality and showmanship.

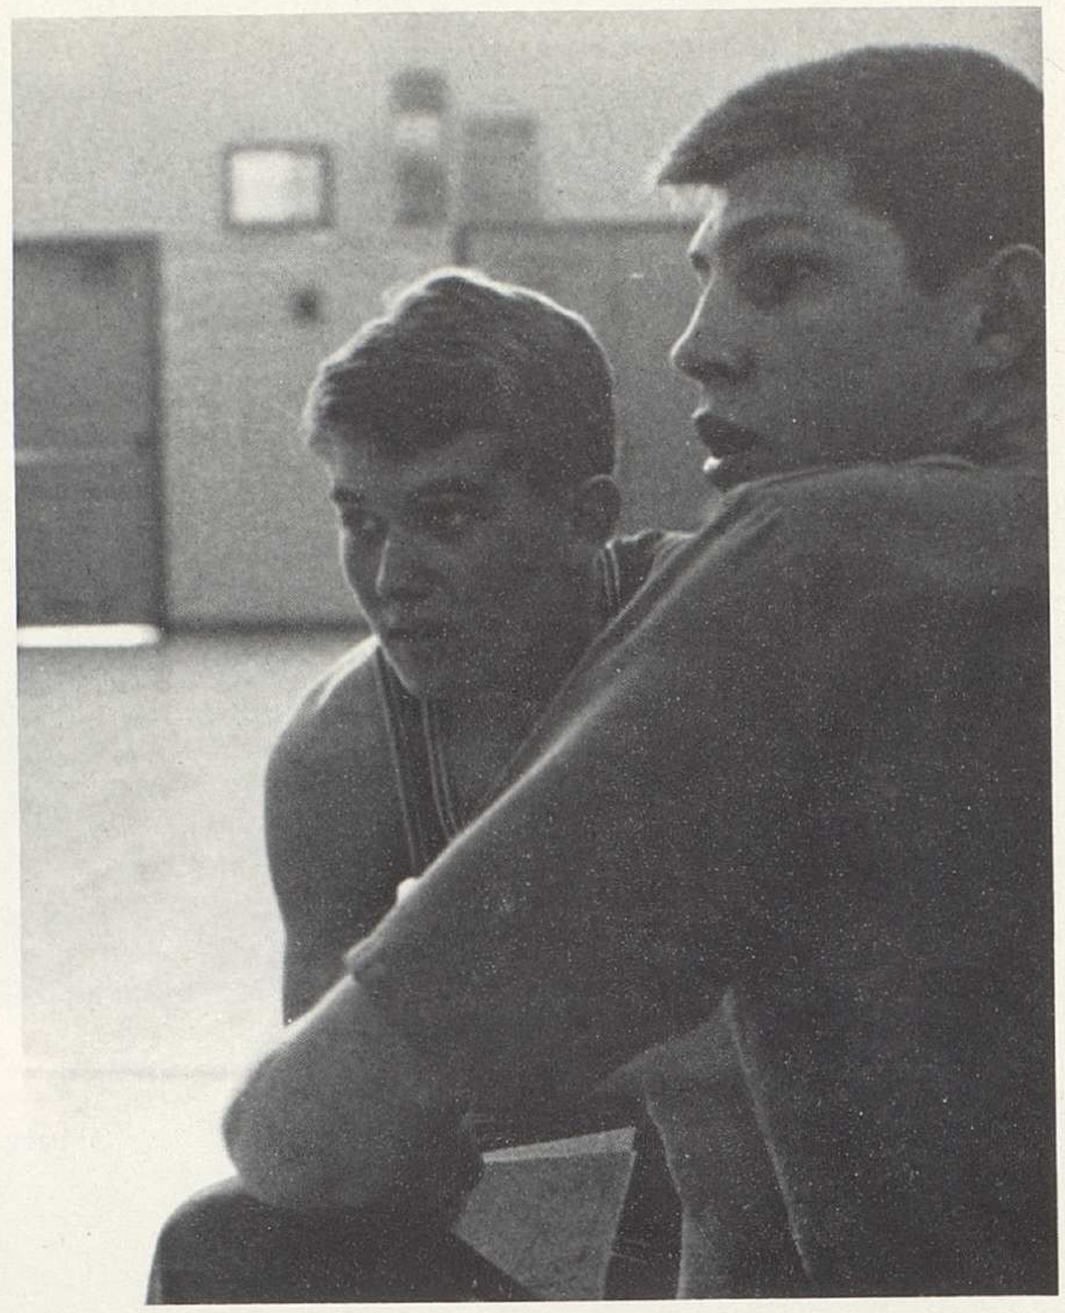
Con-man Harold Hill (John Russell) enters River City, Iowa to sell the townspeople instruments and uniforms for a boy's band. The citizens of River City, except for the skeptical librarian, Marion (Wanda Walker), rally behind the Professor and his "think system" method of learning how to play. Ignoring her doubts, Marion falls in love with Harold; the Town Council is reunited by a harmonious Barbershop Quartet; the hilarious, dancing Del Sarte Women entertain at the Fourth of July picnic; and Winthrop (Jeff Slider), Marion's brother, even loses his shyness and his lisp. The triumphant finale finds River City revitalized by the revolutionary Hill.



FAR LEFT. The town's vicious gossips vent their ill-disguised dislike for Marian in "Pick-a-Little". CENTER LEFT. Persuaded to go to the footbridge for the first time, Marian admits that she is in love with Harold. CENTER LEFT BELOW. Normally withdrawn, Winthrop (Jeff Slider) delights his sister (Wanda Walker) and his mother (Cheryl White) with a song that Professor Hill has taught him "with hardly any s's in it." LEFT. Orchestra member Judith Bartlett takes a study break. DIRECTLY ABOVE. As the proud Mayor's wife, Debbie Burkhart leads the singing of "Columbia, the Gem of the Ocean." ABOVE. The town council (Steve Nilssen, Louie Earls, Tom Conrad, Ron Hein) moonlights as River City's own barbershop quartet.

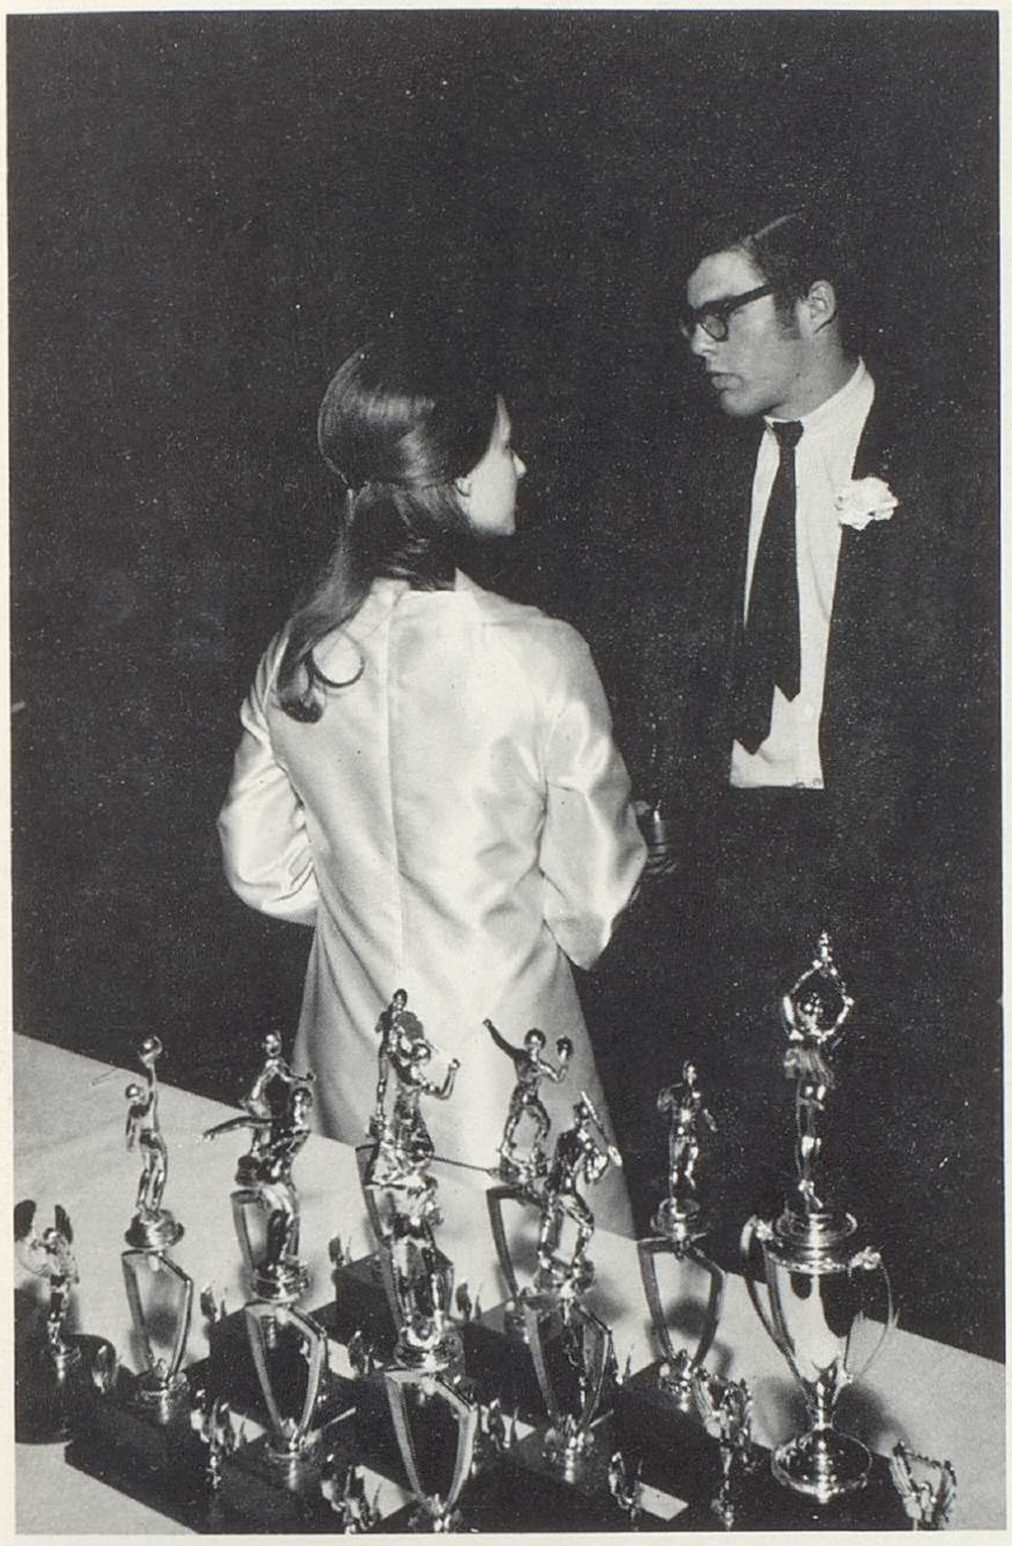
# Faculty Flaunts Students In Annual Cage Classic

Anguished cries filled the gym as the fancy faculty dribblers upset the student team in the annual Student-Faculty game played to raise money for a charity. Teachers dressed in football jerseys and knee socks stumbled through chain and pyramid cheers. Several student boys donned wigs, shirts, and other feminine accessories to root for their squad. The referees as well as the announcer admitted to having difficulty following the antics and tactics of two such outstanding teams. As the fast-paced game progressed, the lead see-sawed from side to side. But the faculty prevailed and won 25-24. Protesting students vowed revenge for next year's game.



ABOVE RIGHT. Mark Turkelson and Dick Atha intently follow the action in the Student-Faculty basketball game. RIGHT. Disguised seniors Rod McCollum and Mark Denbow ham it up as cheerleaders. ABOVE. Once again the faculty women change into hilarious cheerleaders. Involved are Mr. Montgomery, Mrs. Wooddell, Miss Hockman, and Mrs. Hook.

# Roles Twisted At All Sports As Girls Ask Boys



The WHS gym became the scene for one of the few girl-ask-boy dances of the year. Leap year was not even the excuse—it was the annual All Sports Dance. The rules for invitation were strictly initiative. There was a surprisingly large crowd in spite of the fact that it was the females who had to gather the courage this time. Everyone seemed to enjoy the change of pace.

Awards were given to the assistant coaches and to the "Athlete of the Year." This year's recipient was Dick Atha. He participated in football as co-captain, basketball, and helped at the student-faculty basketball game, among other activities.

The cheerleaders, led by Jane Shisler, made all arrangements for the dance. The trophies were larger than ever and the decorations were a new idea. The walls were covered with boards and pictures of every sport imaginable and then some. All available sources of pictures were scoured for suitable shots. The choice of bands was excellent and even the weather-man cooperated. The evening was beautiful.

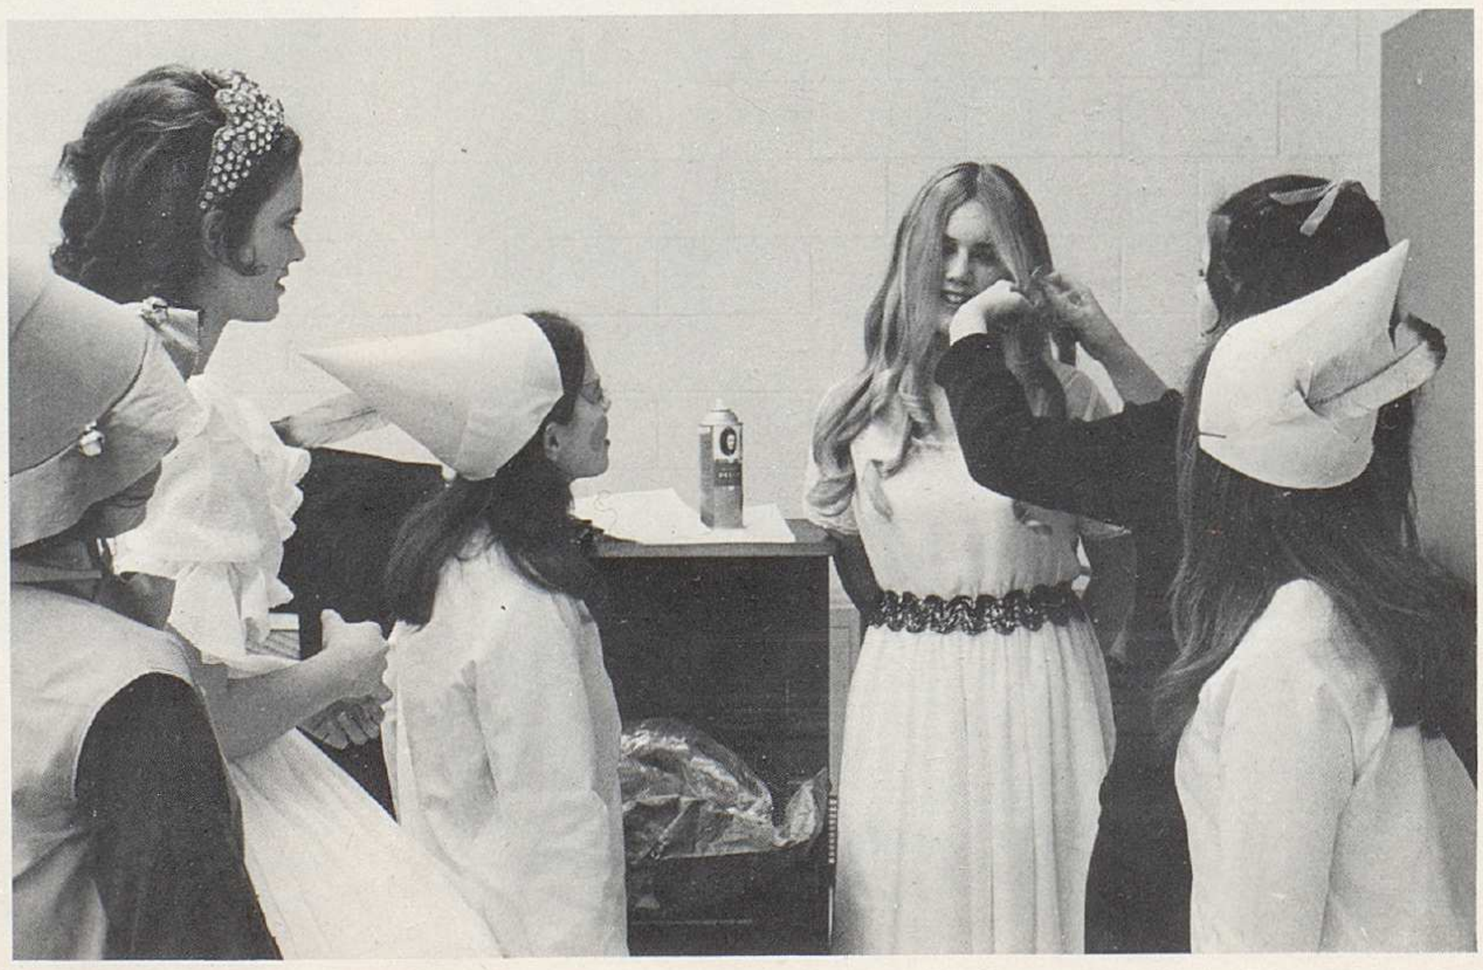
The wicked Witch of the West recoils in horror at her imminent destruction by a bucket of water. BELOW FAR RIGHT. Kris Jobst, playing Dorothy, pauses to eat before she and the Scarecrow (Kevin Taylor) start on their journey to find Oz.

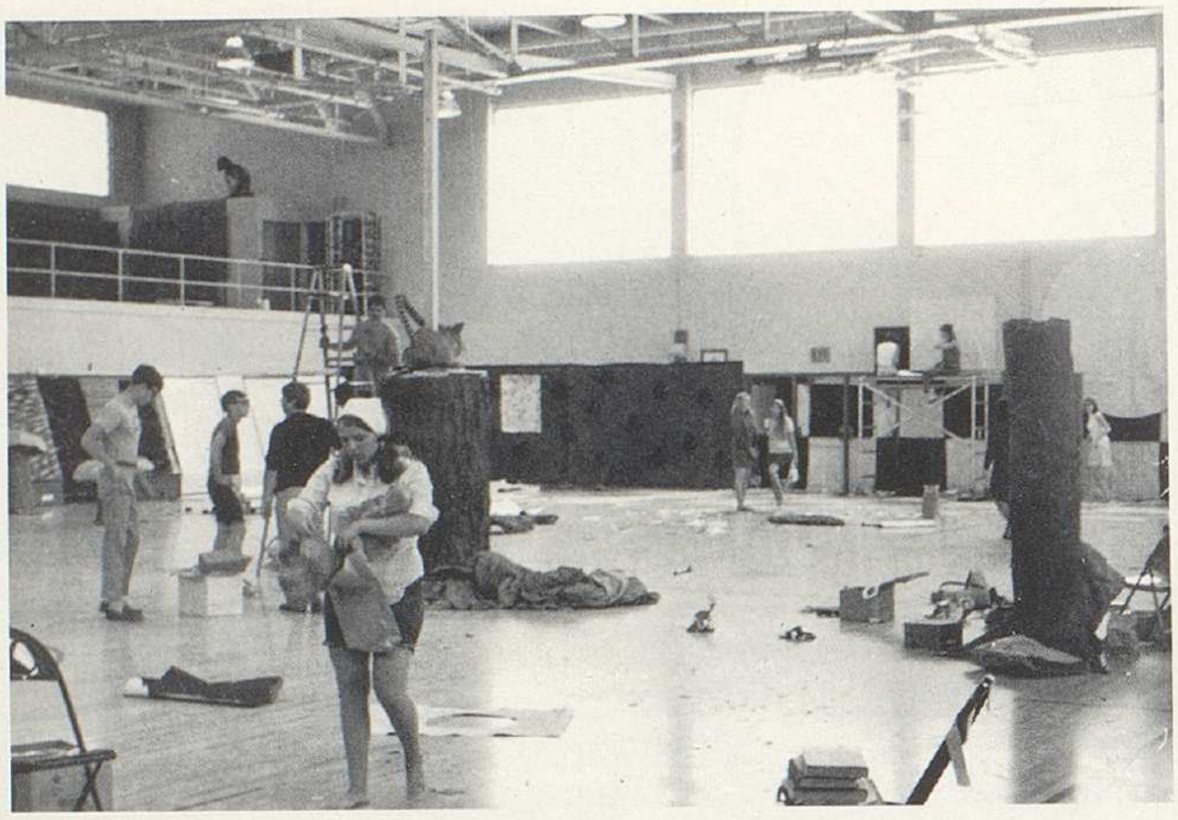


Every year children all over the country watch the annual movie, The Wizard of Oz. This year Worthington children were presented with Adele Thane's version of Frank Baum's famous story performed live under the direction of Mr. David M. Polk and student Jim O'Dell. The play was presented on February 1 and 2 at James Kilbourne Auditorium. The following week Hadassah, an Ohio State University women's group, sponsored two performances at Bexley High School.

As the play begins Dorothy and her house are swept by a tornado into a strange land. The colorful land is Munchkin land where the good Witch of the North tells Dorothy that only the Wizard of Oz, in the Emerald City, can possibly send her back to Kansas. While searching for the Emerald City, Dorothy finds a scarecrow who wants some brains, a Tin Woodsman who longs for a heart and a Cowardly Lion who yearns for courage.

At the Emerald City, Oz disappoints them, refusing to help until they kill the wicked Witch of the West. Dorothy unintentionally pours water on the witch, causing her to melt. Returning for their rewards, the group finds that the Wizard can't magically bestow them with their desired gifts, but he does give them symbols of what they really already possess. Everyone's future is happily settled except for Dorothy's. A good witch tells Dorothy the magic of the silver slippers and Dorothy returns to Kansas as the children return to Worthington.

# "Alice In Wonderland" Prom Delights Seniors



ABOVE. Juniors begin bringing their decorations into the gym Friday morning. ABOVE LEFT. Juniors learn the tediousness of prom work.

An enchanted land of white rabbits and giant mushrooms awaited the guests of the 1969 Jr.-Sr. Prom. On May 19 the gym was transformed into "The Mad Hatter's Ball." Following Alice's footsteps through a gloomy, mysterious tunnel, couples emerged into a grove of corpulent trees. Lifesize pawns and bishops danced a delicate minuet upon an enormous chess board. In the balconies, guests sipped punch under gay streamers as Alices and knaves flitted around them. Gleaming walls and silver ornaments reflected strolling couples as they enjoyed a cool breeze in the most admired of all areas, the "Hall of Mirrors." Master of all the festivities was the grinning Cheshire cat who surveyed his domain from the center of the main floor. At midnight, as the last guests disappeared with their rabbit and cat favors, the Cheshire cat remained grinning in the dark, lit by the rosy glow of the exit signs.

ABOVE LEFT. Rick Guglialmi keeps Emily Forman and Anita Cottrill well entertained. ABOVE. Enjoying the fantasy of the hall of mirrors are seniors Diane Spencer, Anne Jones and Dave Fitz. LEFT. # Carnival, Talent Show Add Sparkle to Winter Months

Balloons and high spirits prevailed as the annual Winter Carnival, sponsored by the Worthington High School Student Council, opened the gym doors on January 25, 1969. Having gained their second wind after semester exams, students lured crowds to gayly decorated booths which had been built by school clubs or classes. The variety of attractions included pitching pennies, bake sales, ring tosses, a cake walk, throwing cream pies at cheerleaders, and the opportunity of ordering one's friend into the stocks. Afterwards the crowd filed up to the cafeteria for a spaghetti dinner sponsored by the CHRONICLE. A canteen provided a fitting climax to an exhausting, fun-filled day.

Mr. Kenneth Renschler, head of the high school instrumental music department, helped students Roy Shafer and Pam Harp organize a talent show for the mutual benefit of talented students and interested community members. Before Christmas, twelve acts were chosen. The students rehearsed until the night of the show, January 18, 1969. After a night of singing, dancing, twirling and playing, the audience and the students participating expressed the hope that the Talent Show will become an annual event in Worthington.

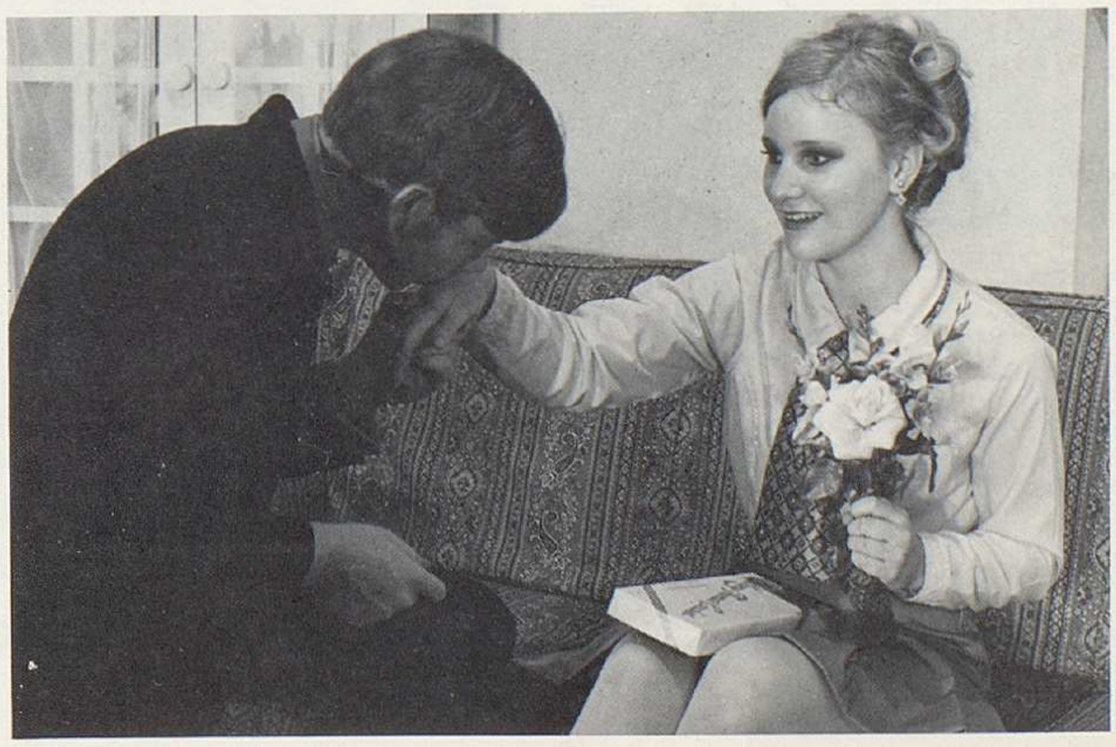
# Poltergeist Spooks Courageous Couples

A highly successful production of the comic spoof on mysticism *All Because of Agatha* was produced by the Senior Class on the nights of April 18 and 19. Despite innumerable difficulties, Miss Nedra Stimpfle coaxed from the cast an excellent performance.

The O'Haras have fled from New York to get away from family arguments. Joan's passion for the occult overrides Duff's skepticism as she persuades him to buy a house in Salem,Mass. even though it is haunted by Agatha Forbes, a poltergeist (spirit that throws things). Joan throws a party on the night that the witch is to appear. When Agatha actually does appear, the company refuses to cooperate with her and leave the house. Agatha's usual spells do not work and she is forced to resort to unethical tactics. Turning herself into a beautiful blond, Agatha tries an unusual spell. She changes quiet Teddy into a he-man and saucy Flip into a suave Romeo. The men overwhelm their chosen mates and leave. At the last minute Duff and Joan find the right Latin phrase and send Agatha packing.

TOP RIGHT. With a little manipulating by Agatha, Mrs. O'Hara manages to rewin Duff's affection. ABOVE. A highly uncomfortable "Teddy Bear" is courted by Thelma, Joan's divorced aunt from California. ABOVE RIGHT. The cast of *All Because of Agatha* was: Dr. Teddy Randolph, Norm Ferrier; Miss Thelma Breckenridge, Andi Reed; Mrs. Elsie Boggs, Sherri Koenig; Mr. Van Buren, Bob Ratusz; Agatha Forbes, Diane Disque; Madame LaSolda, Cathy Rousculp; Duff O'Hara, Pete Jolly; Joan O'Hara, Caroline Dean; Flip Cannon, Kevin Taylor; and Ethel Hinkston, Cicily Robinson. RIGHT. Flip becomes the man he had always dreamed of being.



# Seniors Capture Honors In Diverse Competitions

Buckeye Boys' State and Buckeye Girls' State are week-long experiments in government for outstanding seniors throughout Ohio. In June, 1968, Brian McClatchie, Pradip Rustagi, and Bruce Turnbull represented Worthington High School at Buckeye Boys' State. At the same time Sue Benner, Sherri Koenig, and Linda Nolt were at Ohio University for Buckeye Girls' State. These students were chosen by their classmates in a free election.

The television station TV 4 sponsors a quiz program for Columbus area high schools titled "In The Know." Worthington sponsored a group of five students, John Denardo, Jennifer Johnson, Janet Pine, Bruce Turnbull, and alternate Vickie Dapper to participate in the matches. Mrs. Hall worked with these students as their adviser. The students spent hours after school finding questions and then quizzing each other. Their work paid off as they won three matches, thus qualifying themselves for the semi-finals. The WHS team was finally defeated by Upper Arlington.

Few juniors or seniors have avoided exposure to the National Merit Qualifying Tests. National Merit Semi-finalists are those students who have earned the highest scores on these tests. This year eleven Worthington students attained the semi-finals. They were Vickie Dapper, John Denardo, Don Dixon, Karen Eversman, Kathy Imboden, Jennifer Johnson, Rick Kissell, Janet Pine, Mike Schley, Marcia Slettebak, and Bruce Turnbull.

# Senior Picnic Kindles Graduates' Enthusiasm

Swarms of seniors, dressed in t-shirts and grubby jeans, raced to the Shelterhouse at noon to begin the annual Senior Picnic. The date was May 28, thirteen days before graduation. Feasting on sack lunches, soda pop, and ice cream bars, the boisterous students enjoyed the sunshine and fresh air. They were permitted to sit near the river, but not in it.

The competitive students participated in a variety of contests designed to ease pre-exam tensions. Moving up to the football field, they raced individually and as teams, tossed eggs at each other and, everyone's shoes thrown together in a pile, dug to see who could find his shoes first. Contestants sported bruised legs, egg splattered clothes, and aching feet as a result of their exuberance.

Concluding the rigorous afternoon, cavorting students were presented prizes donated generously by local merchants.

# Graduates Told Importance Of Leadership

Four years of hope and frustration came to an end as the seniors filed into Mershon Auditorium on June 10, 1969 for baccalaureate-commencement exercises. For a brief moment a nostalgic mood prevailed as the senior choir members sang the traditional anthem "No Man Is An Island." Glenn C. Ellison, OSU Freshman Football Coach, spoke to the audience about the principles and importance of leadership.

Mr. H.C. McCord presented the Charles E. Jefferson Awards for perfect scholastic records to valedictorian Beth Ann Brough and salutatorian Susan Tracey. A third student, Sherri Koenig, also had attained a perfect record. The recipient of the Heischman Scholarship Award was Steve Kight. In honor of Mr. Charles Rousculp, the Worthington Education Association Scholarship was awarded to Randy Harrington.

# Fleet Runners Bear Ninth Place Laurels

Putting out that little extra bit of effort, the Worthington Cross-Country Team pulled away from its second-place rut to win three meets in a row; the OCC, the District, and the Regional meets. This outstanding showing placed Worthington's team in a good position for the state meet. Our fleet-footed fellows ran themselves into ninth place well ahead of most of the thirty teams participating though not quite far enough ahead to keep the state trophy won by the 1967 team. Head coach was again Mr. Les Eisenhart who was assisted by Mr. Alex Turner.

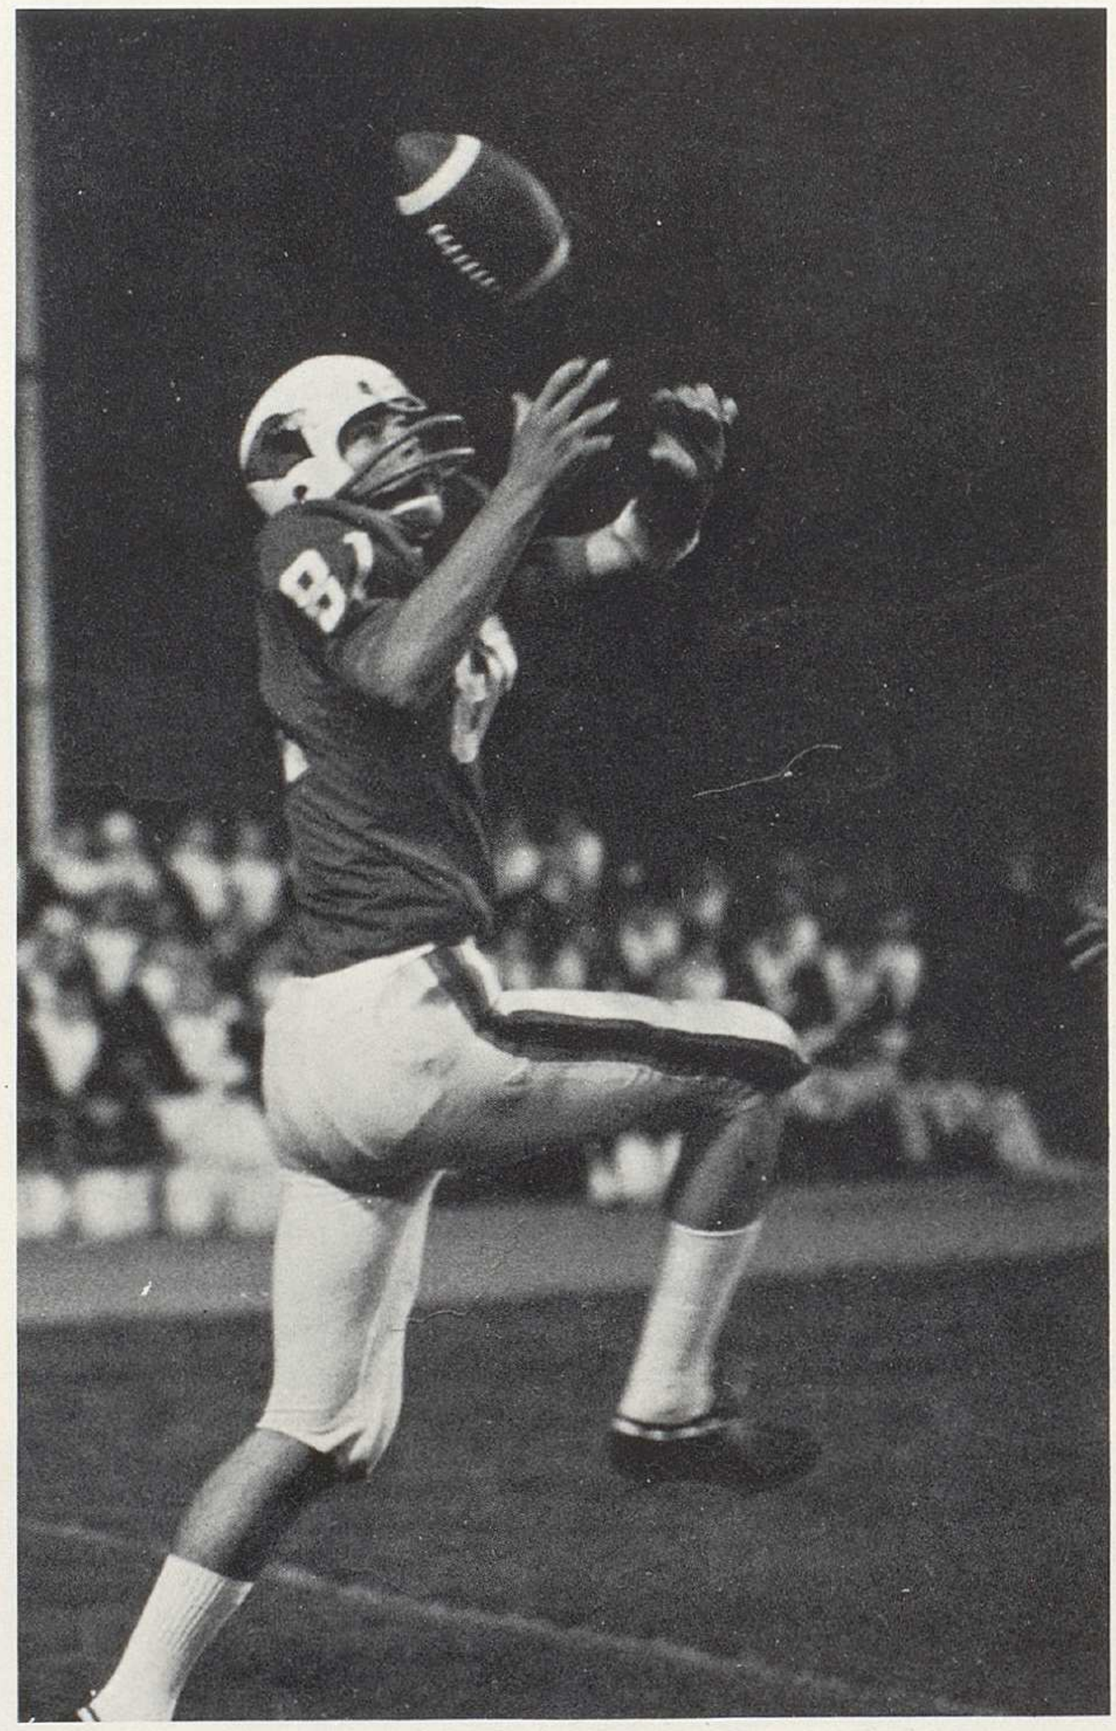
# WHS Captures New League Championship

The WHS football team got off to a brand new start this year; new uniforms, new coaches, a new league, and a new field house. The Dow Nelson Field House, located at the north end of the field, was used for the first time this year and replaced the swimming pool locker rooms. Spanking bright in their new blue uniforms and dashing like the cardinals of their helmets, the boys captured the new Ohio Capitol Conference championship. Contributing greatly to the team's success was the spirit and enthusiasm evoked by Coach "Smoky" Wion. Though this was Coach Wion's first year at WHS, he managed to gain the confidence not only of his team but of the entire student body. One of the loudest cheers at any game was "Fire 'em up, Smoky, fire 'em up!!" And he did "fire 'em up"—to a 9-1 win/loss record.

The highlight of the season was the Homecoming Game. The Cards were wildly set on fire as the boys slaughtered the Pleasant View team with a score of 58-8. The Pleasant View team was held scoreless until the fourth quarter. By that time the WHS team was composed of a conglomerate of freshman, junior varsity, and varsity team members. This was possible because Coach Wion had all the teams dress for home games.

The season was not only characterized by the team's success', but also by individual's success'. Five Cardinals were on the All League Team: Craig Dean, offense; Tom Comer, offense; Dick Atha, offense; Greg Voutyras, defense; Roger McGlaughlin, defense. Jim Savage and Joe Miller both got Honorable Mentions. Dick Atha was a quarterback for the All Ohio Team.

Another touchdown against Columbus North is scored by Craig Dean.



Alone, Craig Dean stretches to complete the well-timed pass.

The freshman and junior varsity football teams took their cue from their victorious varsity teammates and did them one better. Coached by Mr. Harvey Beahm and Mr. Frank Cozze, the freshman team allowed only one team to score against them. Though Westerville was allowed to make a touchdown and a two-point conversion, the freshmen were in good shape as they racked up fifty points to effectively smother their strongest opponents. A scoring high was reached when the frosh defeated the Clintonville Mustangs with a score of 70-0.

# Cardinal Cagemen Capture 3rd In Capital Conference

The Cardinal cagers finished their first season under the coaching of Mr. Pat Mannion with a fine 13-8 record. Their 9-5 finish in the newly formed Ohio Capital Conference was good enough to place them in a tie with Westerville for third place. In Class AA District Tournament play the Cards staged convincing victories over Bishop Ready and Hilliard before losing to a powerful London team by seven points. Dick Atha and Dave VanMeter were named to the All-League Honorable Mention roster.

# JV, Freshman Teams Prove District's Best

Both the J-V and freshman basketball teams established themselves among the top powers in Central Ohio as they achieved a combined record of 28 wins and only 8 losses. But their true mettle will be proven next season when both the J-V cagers, coached by Mr. Stan Robinette and the freshman roundballers of Mr. Mike Vance and Mr. John Elliott will be called upon to fill the many vacancies left on the varsity squad by the graduation of several senior stars.

# WHS Matmen Squad Sends Two To State

The Worthington matmen finished the 1968-69 season by compiling a 6-2 dual meet record and sending two wrestlers to the state meet. Tom Hanley, Mike Crye, and Co-captains Doug Morgan and Greg Voutryas paced the team with records of 19-5, 15-5-1, 13-6, and 25-3, respectively. Wrestling at 103 pounds, Hanley became the first sophomore in ten years to represent the Cards in the state meet. Senior Greg Voutyras (175) competed in the state meet and captured third. Over-all the Cards finished 19th in the state tournament.

This year's team became the first squad to win most of its matches with pins. Tom Hanley tied a sophomore record with eight pins while senior Mike Crye flattened 11 and senior Doug Morgan nailed 10. Greg Voutyras' 19 pins set a new school mark for number of pins in one season.

Performances by Dave Gifford (112), Pat Chew (HW), and John Stewart (138) gave promise that the Cards would continue their fine wrestling tradition in the years ahead. Stewart was given the team's most improved wrestler award and the title of "The Shiek" at the annual awards banquet.

# Tankers Set 7 Records Without Practice Pool

Seemingly unhampered by the lack of adequate practice facilities, the Worthington swimmers, under the observant eye of Coach Apthorp, enjoyed one of the most successful seasons ever. They set aside seven of the ten school swimming records. Three of the fallen records were those of relays. Captain Mike Yost, Gary Rogers, Jeff Love, and Scott Steinman posted a new school mark of 1:46.5 in the 200 yard medley relay at the District meet. The team of Scott Steinman, Gary Rogers, Jeff Love, and Jeff Rogers set a new 400 yard medley relay record while the Steinman, Pfleiger, Gary Rogers and Captain-elect Gary Yost crew paced future WHS tankers with a faster than ever 400 yard freestyle relay record.

Individual records were established by the same boys who had joined together to set the new school records in relay events. Gary Rogers set a new 200 yard individual medley record of 2:16.3 at the Whetstone meet even though the WHS swimmers lost that meet 53-42. At the Mansfield Malabar meet (where Worthington lost 52-43) Jeff Love set a new school record of 1:01.63 for the 100 yard butterfly event and Scott Steinman set a school record of 1:02.44 in the 100 yard backstroke. Scott Steinman also set a new mark in the 400 yard freestyle race.

The well balanced Worthington swimming squad saw 20 boys letter and Jeff Love earned his three-year letter award. The team's prowess as record setters was matched only by their ability to win swim meets. The tankers finished the season 5-1 in dual meets, 4-0 in the OCC, 3-2 in the COSL, third in the District and eighteenth in the State.

# WHS Tennis Players Capture CCC Laurels

Sparked by Coach Harvey Beahm, the WHS tennis team ended its most successful season in four years with a 14-13 record, over-all. The squad's 5-0 record in the newly formed Ohio Capital Conference earned them the title. For most of the season the team was comprised of Craig Kridel, number 1 singles ace; Jim Purtz, number 2 singles starter; Robby Geis, number 3 singles netter; Brian McClatchie and Dennis McDougle, number 1 doubles netmen; and Rich Pearce and Dave Molk, number 2 doubles stars. The "Tiger of the Year" award was captured by Jim Purtz.

# Cindermen Establish New School Records

Though the track team began the season with only a handful of seniors, it was able to muster enough strength to finish the season with a better than respectable 10-1 dual meet record. The cindermen captured first-place wins in both the Worthington Relays (first out of eight participating teams) and the newly formed Ohio Capital Conference, where WHS collected 80 points to the 50 points of second place Gahanna. The Cards took second-place finishes in the Arlington Relays, the Marion Relays, and the District meet. At the District meet Arlington made 72 points, Worthington obtained 52, and all other teams won less than 15 points. In the first meet of the season, the Worthington Cardinals took fifth place (out of 25) at the District AA Indoor Track Meet.

Paced by junior Gary Beavers, the trackmen toppled several school records. Beavers' time of 9.8 seconds in the 100 yard dash and 21.4 seconds in the 220 yard dash set new WHS benchmarks for those events while four-year letterman Mark Denbow tied the record of 14.4 seconds for the 120 high hurdles set by Jerry Field in 1965. Team Captain and school record holder for the two mile run, Dave Barnes, brought home several victories to culminate his senior year. The mile relay team of junior Gary Beavers, junior Bruce Beery, freshman John McConnell, and sophomore Wayne Wheatley, and 880 yard run ace Randy Chadwell also established new school marks. High-hurdler Tim Kight accompanied the mile relay team and Randy Chadwell to the state meet.

# Worthington Golfers Seize Crown, Basemen

Coach "Smokey" Wion's golf team rolled up the very impressive season record of 11-4 overall and topped off their season by seizing the Ohio Capital Conference crown. But many players and fans agreed that the most memorable triumph of the year came when the Cardinal golfers handed state champions Upper Arlington their only defeat of the season.

Outstanding linksmen for the squad were Captain and senior returning varsity man John Thalman, junior John Hagan, junior Bob Hoskins, junior Bob Clouse, and the only returning varsity letterman, Jim Longnecker.

Excellent performances by the reserve and freshman teams indicated that the Cardinal golfers may well continue their winning ways in the years to come. The reserve team posted an outstanding 4-1 record while the freshman squad, coached by Mr. Merrell, enjoyed a 2-1 winning season.

# Rained Out

The Cards' baseball season was far from the best in WHS history as they climaxed their season with a 9-14 record overall and a 6-8 tally in OCC play. Errors plagued the team from the beginning of the season; in fact, over half the runs scored against the Cardinals were unearned. But Coach Cozze's baseballers were able to end the season in victorious Cardinal fashion by handing Mr. Vernon a pair of defeats, 6-2, and 1-0.

Senior Randy Harrington ranked as the Cards' best pitcher by going 5-4 for the season with an earned run average of 1.67 for 64 innings. Freshman Clint Nicely's no-hit pitching gave hope for better seasons ahead. Jim Albright led the team in hitting with a .360 average and was followed closely by Ken Foust's .333 and Rohn Hein's .305 average.

# Fledgling Soccer Team Paced By Paulo Power

Soccer was added to the list of boys' intramural sports this year in an attempt to broaden the athletic opportunities open to all WHS students. Soccer, which has enjoyed rapid growth nationally both as a participation and spectator sport in recent years and which has been elevated to the position of a high-paying professional sport, has been described as ice hockey without the hockey sticks and the ice. A long popular national pastime in most European and South American countries, soccer demands top physical condition of those who would play it since it is a ninty-minute game of constant running and kicking with no rest periods aside from a brief half-time.

Paced by Paulo, WHS's foreign exchange student from Brazil, Coach Elliot's first year soccer team split a pair of games with the area's only two other schools currently fielding soccer squads, Columbus Academy and Lancaster High, to complete their first season with a 2-2 record. Paulo started at the center forward position and received an honorary Varsity W for being the team's leading scorer.

Mr. Pashovich was originally slated to lead the fledgling soccer squad and spent a good deal of time with the team last summer, but pressing academic obligations kept him from serving as coach.

Other widely followed intramural sports included football, basketball, and cross country.

# Stickwomen Soaked

Heavy spring rains dampened the activities of the girl's hockey squads as many practices and several of the scheduled games had to be canceled due to inclement weather. The girl's record of one win over Grandview, one tie with Columbus School For Girls, and a single loss to both Bexley and Dayton was not as bad as it might appear because, as luck had it, the Worthington stickwomen were able to play only the toughest schools on their schedule.

Departing senior letterholders who will leave some difficult to fill gaps in next year's squad include: Peggy Blackmore, Jayne Everett, Wendy Craver, Jo Buckley, Wanda Walker, Christy Jones, Debbie McCormick, Cheryl Zeigler, and Bew Clendenen. Other outstanding players on Miss Bowen's "A" and "B" teams included sophomore Barb Wetters, and juniors Linda Nutter, Leslie White, and Ann Parsons.

# Girls Become Basketball And Tennis Enthusiasts

The sparkling 13-3 record of the girls' intramural basketball teams set the tempo for the 1968-69 girls' sports program. With the skilled coaching of Miss Judith Bowen the "A" team went 7-1 while the "B" team racked-up an equally impressive 6-2 overall record. Certainly the high point of the Cardettes' roundball season came when both their "A" and "B" teams handed the Gahanna girls their first defeat in three years. The "A" team's cliff-hanger loss to Pleasant View was their first defeat in two seasons.

# Pep Club Cheers Tankers

# Boys' Ski Club Joins Girls

Pep Club's main objective during the 1968-69 school year was to emphasize school spirit. The girls put in long hours after school painting hall and locker signs, and working out music routines to be performed at games. The girls attended more away basketball games than ever before, performed at all home basketball games, and for the first time cheered the swim team at a meet. Captain Karen Wil, Secretary Carol DeVolt, Treasurer Ann Sabock and Adviser Miss Schreiner guided the pennant, decal and bumper sticker sales.

Clear Fork Ski Resort was the destination of the Boys' Ski Club in January as the culmination of the year's effort. Scott Grover, David Chakroff and Mr. Elliott served as the Advisory Board.

The Girls' Ski Club worked toward their winter weekend trip to Seven Springs, Pennsylvania. Advised by Miss Bach and Miss Bowen, the club glided through a fine season.

# Director Reorganizes Instrumental Groups

Kenneth Renschler, head of the instrumental music department, reorganized the instrumental programs. Band and orchestra were divided into two groups, senior and cadet. The senior band and orchestra were comprised primarily of upperclassmen while the cadet groups contained mainly beginners. At various times the senior band combined with the marching band for concerts. Both senior band and orchestra concentrated upon concert selections and then prepared patriotic music for the "Spring Spectacular," held on May 24. On this occasion all the vocal and instrumental groups joined together for the final concert of the 1968-1969 school year.

# Pep Band Rouses B-Ballers To Combat With Increased Vigor

Drum Major Greg Schoen and the sextet of majorettes, Pam Harp (head majorette), Linda Nolt, Jackie Naehring, Debbie Robbins, Anne Simcox, and Leslie White led the WHS Marching Band to a successful season. At every home game and two away games the band entertained the crowd with seven-minute shows. During the basketball season the Pep Band played rousing musical selections chosen by the members. Students (usually Roy Shaffer) conducted the band. In the winter both bands competed in district contests. The WHS bands also sponsored a solo and ensemble contest, playing host to twenty high schools.

# Music Fills Schedules OF Vocal Groups

Study of modern music, practice of traditional music, rehearsals, and performances filled the schedules of all six performing vocal music groups. The ensembles sang for civic organizations and were especially busy entertaining social groups during the Christmas holidays. Under the direction of Mr. Haney, the choir prepared music for student assemblies, the Christmas and Spring Concerts, and produced the very successful musical, *The Music Man.*

# Photography, Art Clubs Achieve Creative Goals

Led by Mr. Heaps, the Photography Club focused its attention on subjects which would develop both the creative instincts and the technical excellence of its members. Illustrated lectures exposed specific elements of the photograph, but perhaps the most memorable moments for the shutter snappers were those when Mr. Heaps, the punster, stopped short the development of the issue under discussion just long enough to fix a new concept of the negative or positive roles of film in this unwashed world of ours.

The Art Club's highly successful year was highlighted by the virtual sweeping of all awards in the Northland Art Show and an explanation of Oriental art by the father of Mei Wu, WHS student from Japan. Other club activities included experiments in kite design and batiking. Club officers were: Skippie Kipp, president; Stephanie DiCenzo, vice-president; Margaret Henninge, secretary; and Judy Fitch, treasurer. Advisers for the group were Mrs. Dorsey and Mr. Kuyper.

Financial success and community recognition were this year's rewards for the hard working Thespian Club under the direction of faculty adviser, Mr. David M. Polk.

Weeks of rehearsal shaped a serious drama, *Our Town,* for the fall production. The light-hearted favorite, *The Wizard of Oz,* was the childrens' theatre presentation. Members of the WHS cast scored a "first" when they appeared in additional performances of the play sponsored by the Bexley community.

Inspiration for and coordination of general club projects and productions were provided by President Sherri Koenig, Vice President Sheri Woodruff, Secretary Nancy Snyder, and Treasurer Pete Jolly.

Monthly meetings included demonstrations of pantomine and readers' theater, slides of previous WHS shows, and guest speakers.

The Thespian Club is a local chapter of a national and newly formed international organization formed to encourage students' creativity in the field of drama.

# Elite Of Juniors And Seniors Tapped For NHS

The second half of the April 2 Academic Honors Award Assembly was devoted to the tapping of new members for the National Honor Society. In May, a candlelight initiation ceremony was held for new members and their parents.

Any junior or senior in the top third of his class who meets the requirements of scholarship, service, leadership and character is eligible for membership. Teachers choose the students who are most qualified for this honor.

The main service function of the society was the operation of the bookstores located in each wing. Teachers could also order books for class projects through the club's secretary, Linda Nolt. Other officers included Rick Kissel, president; Dennis McDougle, vice-president; and Sue Tracy, treasurer.

During the Academic Awards Assembly, new NHS members were tapped by departing seniors. Rick Kissel called each new member's name. Janice Crewe rises as her name is read.

# Original Writings Viewed By ACROPOLIS Staff

The Acropolis is the literary magazine of Worthington High School which features literature from almost all schools in the Worthington school district, including elementary schools. Starting in October, the staff accepted essays and poems from any Worthington student who wished to contribute. As the works were submitted, each of the fifteen staff members read and evaluated them. Meetings were held regularly to air the opinions of individual staff members. Slowly the stacks of submissions were whittled down to the small number that could be used. As the writings were being evaluated, art students designed sample covers for the magazine and illustrations for the selected works. The final cover was secretly chosen by Editor Janet Pine and Adviser Miss Nedra Stimpfle. Professional printing readied the Acropolis for sale during May.

# Newspaper, Yearbook Report Years Activities

Under the advisorship of Mr. Richard Mansfield, the Chronical effected some minor internal changes which made possible some major strides toward excellence. In an attempt to distribute desponsibilities more evenly, co-editors were chosen for the major editorial positions. Chronical Editor-in-Chief, Steve Graves, editors Ann Schulze, Evy Pina, Jan Minor, and all the other Chronical staffers combined their talents and learning to make the school's newspaper a success.

Early in the year the lack of adequate work space delayed important preliminary work on the *Cardinal* yearbook. Later, communications breakdowns between the publisher and the staff stymied some important activities. But, by working throughout the summer, Editor Leslie Smith, seniors Jennifer Johnson, Scott Grover, and Barb and Beth DeMerit, juniors Bobbi Lane, Jan Nelson, and Jan Minor and sophomore Sharon Gibney were able to complete the demanding job.

# Turner Leads Debaters In Affirmative Season

The Debate Club's disappointing showing in the state debate tournament belied its generally high record in this year's district tournament. After battling their way through tournaments held at such diverse points in Ohio as Toledo Whitmer, Gahanna Lincoln, Akron Firestone, Columbus, North, Columbus Northland, Ohio State University and Columbus Eastmoor, Worthington's team garnered a share of a three-way tie for first place in District 1. WHS debaters shared the honor with Columbus North and Columbus Eastmoor.

This fine showing easily qualified the victorious district team—John Russell and Bruce Turnbull, affirmative side, and Mark Farmer and Dave Eddy, who debated the negative side—for a chance in the state speech tournament. The field of 42 competing school teams was narrowed from 170 schools throughout Ohio who originally qualified. Worthington's eventual record of two victories, and four losses in the state tourney placed the Debate team only 30 out of these 42.

Despite this letdown, Adviser Mr. Turner feels the future of Debate Club is far from bleak. Only junior Mark Farmer will be returning with tournament experience, but several debaters with valuable "A" team experience will be lending their skills to the 1969-1970 team.

Club Officers John Russell, president; Mark Farmer, vice-president; and Virginia Bennett, secretary-treasurer led the club through a very successful year of debate.

# AFS Students Reach Community, School

Through its foreign exchange program, the American Field Service organization attempts to develop respect and understanding between individuals and mutual awareness of cultural differences. This year, Worthington's AFS chapter greatly expanded opportunities for people to meet people.

In August, Paulo de Carvalho came from Brazil to live with the Richard Chakroff family. For the first time, Worthington hosted two foreign students. Susan Lloyd, of England, came in December and stayed with the Charles Robinson family.

In addition, two Worthington students went to live and learn in another country. Lynn Williams left in winter to begin a year in Argentina. Margaret Henninge spent the summer in Turkey.

# Colorful Banquets Flavor Spanish, SNHS Clubs

Spanish food and conversation created an excellent atmosphere for this year's Spanish Club banquet. Many fascinating speakers were entertained this year with the aid of President Flor Elena Bejarna, Vice President Chris Bachtel, Secretary Nancy Klosterman, and Treasurer Nancy Smith. Mrs. Gonzalez aided as a fine adviser.

Many WHS students proved they could hurdle the language barrier by earning eligibility in the Spanish National Honor Society. Membership in SNHS is limited to those students with a "B" average or better in Spanish. The club started off its new membership this year with an initiation ceremony in the east cafeteria. The Sociedad Honoria Hispanica office-holders this year were Kim Gross, president; Jan Minor, vice-president; Nancy Klosterman, secretary; and Barb Russell, treasurer. Mrs. Hook and Miss Hockman were the able advisers.

# Dance, Make Merry

Russian Club started a dance troupe this year to learn and perform Slavic folk dances. The club council members were: chairman, John O'Brien; treasurer, Carol Williams; secretary, Roger Brigham; Steve Finch; and Mark Lazar. Mr. Pashovich acted as adviser.

An active French Club year was wound up with a picnic. The officers aiding were: Gary Manderscheid, president; Roy Warburton, vice-president; Niki Gnezda, social chairman; and Mark Farmer, treasurer. Mrs. Chapman and Mr. Garrabrant were the advisers.

The Latin Club's annual Roman Banquet highlighted this year's activitites. Officers presiding were Pramod Rustagi, president; Lenora Goode, vice-president; Peggy Miller, secretary; and Martha Morss, treasurer. Mrs. Drumm acted as adviser.

# Apollo X1 Stimulates Science, Astronomy, And Math Interests

Math, astronomy and science were very popular this year, as evidenced by club activity. The newly formed Science Club was a group whose basic aims were to promote individual research among its members and to bring interesting speakers to Worthington to lecture on scientific subjects. Under the leadership of Dave Hein, president; Bill Arnold, vice-president; Laura Leslie, treasurer; and Bobbi Lane, secretary, the club toured nearby science-related industries, and heard many speakers. All of the teachers of the science department cooperated with the club, but Mr. Pinnicks and Mr. Wesney gave special help.

The Astronomy Club heard several important speakers this year and spent several cold winter nights fighting frostbite for an opportunity to watch the moon and the other celestial bodies that were becoming increasingly important. In addition to Mr. Guitry and Mr. Linzell, who were the club's advisers, Jack Rowlands, president; Craig Cahill, vice-president; Mary Ellen Hume, secretary; and Ron Jewett, treasurer, served the club well.

The Math Club with Mr. Butler as adviser initiated a course in computer programing for study after school. Officers Tom Long, president; Loran Duemmel, vice-president; and Betsy Allen, secretary-treasurer, worked well with the club and set up a very successful picnic at the end of the year.

# COE, OWE, DCT Provide Work

Students accepted for the Cooperative Office Education, Diversified Cooperative Training and the Occupational Work Experience programs found their work-study plan fascinating as well as meaningful. They gained valuable and practical experience in their fields of interest.

Office work, dental assistance, electronics, auto mechanics and furniture repair and refinishing were a few of the varied work programs in which students participated.

COE Club leadership was provided by President Stan Vermaaten, Vice-president Kay Alexander, Secretary Jan Rineholt, Treasurer Norma Baker, Recorder Charlene Kelly and Adviser Mrs. Provost. Officers of the DCT program were Steve Studer, president; Linda Robinson, vice-president; Kim Scott, secretary; Ann Patterson, treasurer; and Mr. Hindes, adviser. Jeff Hale, president; Terry Glass, vice-president; Linda Swain, secretary; Ed McMillen, treasurer; and Mr. Probasco, adviser provided able leadership for the OWE Club.

# After School Action

New members of the FBLA were initiated in October and immediately began to employ their knowledge of business procedures. The club used successful sales techniques in December and May when it sold candles and candy. Aided by Miss Shirley Nault and Mrs. Barbara Ley, the students printed and sold the Student Directory. Officers were: Pam Puglisi, president; Carol Saulsbury, vice-president; Marcie Mead, secretary; Diane Davy, treasurer; Cliff Tackett, sergeant-at-arms; and Margie Chapin, reporter.

Sparked into action by its adviser Mrs. Cowgill and John Richards (president), Craig Kramer (vice-president), and Dave Heir (treasurer) completed another year of broadcasting. The dedicated "hams" caught a breath of fresh air as they traveled to Dayton's "Hamvention" and as they operated an emergency radio station at a local Field Day.

The Ecology Club was recognized by the Columbus Dispatch as the leading ecology group in the area. Featured in an article were Mr. Holl, Mr. Pinnicks, Craig Kramer (president), Greg Beck (vice-president), Julie Morse (secretary), and Peggy Barnum (treasurer). The students emphasized the interest in ecology at WHS, especially concerning the area of the Nature Trail.

# Club Participants View Their Future Life In Health Professions And The Home

The central purpose of the Health Careers Club is to expose members to potential health professions. Among the topics covered were optometry, laboratory technology and veterinary medicine. Field trips this year included visits to Medicenter and the Columbus Board of Health.

Under their new adviser Mrs. Knouff, the club executed service projects such as making Christmas tray favors and collecting gift boxes for Vietnamese school children. Through the officers Martha Pfefferle, President; Kathy Imboden and Cindy Hard, Vice Presidents; and Sandy MacCauhey, Secretary, members became involved in the Volunteen program.

Members of the W-Debs club, under the direction of Mrs. McBurney and Mrs. Quilter, observed some of the more interesting aspects of the art of homemaking. In November, the girls attended a fashion show sponsored by Lazarus. Christmas activities included a gift wrapping demonstration by Sears, and the Worthington Historiacal Society Christmas Tour of Homes.

The first event of the year was a progressive dinner served at the homes of the cabinet members: Cathi Wiley, Vice President; Karen Murnane, Secretary; Anda Moore, Treasurer; and Chris VanMeter, President. Members attended several other social events including a skating party, a Valentine banquet and a mother-daughter banquet at Green Meadows Inn.

# Student Council Continues Traditions With

Perhaps the most far-reaching accomplishment of this year's Student Council was the establishment of after-school speakers on important current issues. Interested students were encouraged to attend and the other students were under no obligation. In April, Tran Van Dinh, former South Vietnamese Ambassador to the USA spoke to a large, interested audience. A few weeks later, an Army officer presented a differing opinion on the war. The directors of Student Council activities were President Bruce Turnbull, Vice President Pradip Rustagi, Secretary Sue Benner, Treasurer Nick Bonnell, Recorder Carolyn Dean and Adviser Mrs. Redick.

Another Student Council action enabled girls with classes in the Annex to wear slacks on cold or windy days. The Council arranged the Christmas decorations, assigning specific halls to each of the classes and co-ordinating all the work. The second annual Winter Carnival, sponsored and supervised by Student Council was a success for everybody involved. Another project was the Student-Faculty Basketball Game. Although the faculty won, the game was still successful, providing a large contribution to the Cancer Society in memory of Mike Marsh.

# Wrestling Club Formed
# GAA Sponsors Sports

In an attempt to support the high school's athletic effort, a Wrestling Club was formed to develop a spirited following at the wrestling meets. The club was founded by senior Lisa Cowgill who also served as the club's first president. She was helped by Vice President Cheryl Zeigler, Secretary-Treasurer Debbie Hackbarth, and News Reporter Ann Parsons. The wrestling coaches Mr. Roger Campbell and Mr. Mel Effron worked closely with the girls and served as their advisers. The main part of the club's effort was expended working at home meets, making locker and hall signs, and doing everything possible to support the boys. Time was also found for money-making events such as a slave sale and a Winter Carnival booth. The wrestlers greatly appreciated the girls' interest.

Traditionally providing an active outlet for girls' excess energy, GAA once again provided an extensive program of intramural sports. Intramural games were directed by Linda Nutter. The club's officers were Kris Sweeney, president; Mary Hanley, vice-president; and Nancy Klosterman, secretary-treasurer. Miss Mary Lou Bach and Miss Judy Bowen helped the girls in their role as advisers.

# Clubs Benefit School And Community

Varsity W is comprised of all boys who have earned their letter in a varsity sport. Aptly led by Norm Ferrier, president; Greg Voutyras, vice-president; and Ken Pruden, secretary-treasurer, the club sold programs at all varsity contests. Varsity W was commended again this year by the Central Ohio Heart Association for conducting the Heart Sunday campaign.

The spirited members of the Cheerleading Club were guided through a creative year by President Jane Shisler, Vice-president Sue Donovan, Secretary Sandi Hazle, Treasurer Charlotte Weller and Advisors Mrs. Montgomery and Mrs. Chapman. The girls were responsible for pep rallies and school decorations. Making an all-out effort in the spring, the club members presented the All Sports Dance where they honored senior athletes. The boys were given glittering trophies and an evening of relaxed enjoyment.

The Hi-Y boys joined the Y-Teen girls in the annual Kinder Key Christmas caroling project. They also participated in the picnic given for Inner-City children. Officers were: Dick Atha, president; Greg Yost, vice-president; Rob MacCauley, secretary; and Steve Kight, treasurer.

# Teens Color Easter Eggs For Inner-City Children

Y-Teens is a student service organization sponsored by the YWCA. Sr. Y-Teens were advised by Miss Pam Hecker and Mrs. Joan Kamm. Guidance for the club was given by Beth DeMerit, president; Janice Crewe, vice-president; Barb DeMerit, secretary; and LeeAnn Harness, treasurer. Inner-City children were delighted when the girls threw a wild Easter Party for them where they could color their own eggs.

Combining their creative talents, Jr. Y-Teens stitched soft animals for children in physical therapy at Children's Hospital. During a picnic held at the Shelter House in September the members met their leaders: Sharon Gibney, president; Lee Bullar, vice-president; Ellen Wolfe, secretary; and Betsy Oden, treasurer. They were also introduced to their advisers Mrs. Jerri Lawrence and Mrs. Sandra Weilnau.

# Administration Programs Seek Answers To Problems

As the school population increased, the administration of WHS attempted to find workable solutions to overcrowding. Again this year the Special Services Building was used for freshman homerooms and classes. More monitors were assigned to oversee the jammed cafeteria conditions.

For the first time a lunch-option program was initiated so that each student could have a choice of varied activities to replace the study hall—half of his lunch period. Students could go to the library, to study halls, to conversation rooms, or to practice rooms. Career conferences were scheduled during this time to give a larger number of students the opportunity to investigate various professions. For a lighter touch, movies were shown starring such great artists as the Three Stooges. In the future this time may be available for independent study programs.

A new administrative policy was instigated to eliminate waste of valuable class time students spend getting late passes. Instead of automatically going to the office for a late slip, tardy students reported to their class. Teachers determined whether the student's name should be sent to the office and the student required to serve detention.

# English Department Strives for Continuity

The English Department in the high school has joined with the junior high department in an effort to program the six-year study of literature, composition, and grammar. Mr. Charles Rousculp, a former senior English teacher who presently teaches eighth grade students at Kilbourne, serves as the English Department's coordinator. He is currently conducting a thorough survey of the English courses and their respective points of study in grade seven through twelve. He was chosen as Ohio's Teacher of the Year for 1969.

In the present high school curriculum, freshmen and sophomores deal with basic grammar and general coverage of prose and poetic techniques. Expository writing and specific areas of literature are emphasized in the junior and senior year.

Three traditional projects, autobiography, monologue, and research paper must be completed by each senior before graduation. Indications are that the monologue requirement, often a terrifying symbol to underclassmen and upperclassmen alike, will soon become simply one choice among many for an oral assignment.

# Student Creativity Aided By Skilled Staff

Bulging enrollment has necessitated the hiring of additional English teachers. Both administration and faculty hope to keep English classes relatively small for more effective cooperation between teachers and students.

Opportunities for other outlets of student creativity and expression are offered by journalism, drama, and speech classes. Students annually become involved in the CHRONICLE, the ACROPOLIS, and the Thespian productions.

# Social Studies Teachers Seek New Approaches

As in the English Department, the Social Studies program is being evaluated in attempt to unify history courses from grade seven to grade twelve. Department superviser Mr. Townsley is working closely with the high school teachers in an effort to modernize the social studies courses available to students, and to avoid duplication of history courses which students have experienced in earlier years.

Geography, world history, American history, American government, and comparative political systems are the main course choices open to students. Many social studies courses include a unit designed to increase understanding of economics. This being an election year, students benefited from the additional emphasis on political evident in most classes.

The Social Studies Seminar is geared for seniors with a 3.0 average in previous history courses who are interested in in-depth exploration of the social, political, and economic affairs of national and international prominence.

# New Interest Develops From Math Computer

In an effort to keep the mathematics department in step with modern developments, a computer was added to the school's equipment. The use of the computer was supervised by Mr. Gerald Haas. Mr. Haas was also the coordinator of the department. Many students used the computer for their semester projects in physics.

The mathematics department continued its broad coverage of different areas of the field. Course offerings included Algebra I, Algebra II, Geometry, Math IV, Math V, Refresher Math, and General Math. Math V is a course offered for those students who took Algebra I while still in junior high school. Refresher Math is a course for seniors not majoring in math who would like a review before entering college. The majority of students progress steadily from Algebra I to Geometry, then to Algebra II, and finally on to Math IV.

# Science Department Changes Coordinator, Divides Physics

This year the science department offered a new approach as an alternative to the PSSC course. The new course places less emphasis on mathematics. It is geared for the student desiring a familiarity with physics, but not intending to pursue the area further. Now three areas of the science department, physics, chemistry, and biology offer students two different courses, allowing the students a choice to suit their individual needs.

This year also marked the formation of the Worthington Field Studies, Inc. Under the direction of Mr. McBurney, Mr. Linzell, and Mr. Bohl, this organization offers students the opportunity to take extended field trips to study ecology. Last summer, the Field Studies bus took its first trip, a month-long journey through the North-West. The plans are for more summer courses and shorter trips during the year.

# Students Develop Dexterity in Applied Arts

Increasing enrollment in vocational courses has created a demand for more classes and teachers. The goal is to incorporate various types of training in the curriculum.

The Art Department is gaining recognition as a result of the efforts of their many talented students. WHS students sponsored two art exhibits and entered one local art show, winning nine of fourteen places.

The office staff, guidance office secretaries, and study hall monitors spend long hours completing student records and working with other departments in the school.

# Teachers Strive For Sports Participation

Students are enjoying the efforts of dedicated teachers. Gym instructors are hoping to increase student interest in the required physical education courses. Often hampered by a lack of space and/or equipment, teachers fight to add new activities to the list of old favorites. Boys have been permitted to use the weight machine in the new Dow Nelson Field House. Instruction in bowling and billiards is now open to the girls.

Reference materials and books are constantly being added to the shelves by the two new librarians. In addition to being the Head Librarian, Mrs. Purcell is now also in charge of the new Educational Media Center which is a centralized distribution point for audio-visual aids for the entire school system. Mr. Hammill and Mr. Hitzmann continue their efforts to instill in WHS students respect for the automobile. A new nurse has appeared on the WHS staff list, Mrs. Genevieve Knouff. She is available to ill students at any time during the day.

# Vocational Arts Train

Worthington's desire to offer vocational courses of study for students is reflected in the expansion of classes and the purchase of additional equipment. Engineering drawing, mechanical drawing, basic electricity and industrial arts encourage interested students to pursue their career choices.

Enrollment in the home economics classes greatly increased with the procurement of new sewing machines and kitchen equipment. Courses in vocational and general home economics emphasize cooking, sewing, decorating, and budgeting skills.

# With Steady Perseverance Freshmen Conquer Ribbing

Once again when September came, Worthington greeted an enraptured group of students generally referred to as the freshman class. They came, they saw, and most conquered. Life for the incoming class included meeting counselors, teachers, and lots of upperclassmen. They earned their way through by holding bake sales every other week in the concession stand. Ambitious freshman girls donated the variety of goods to be sold. The culinary delights proved irresistable to everyone.

With lots of encouragement from their officers, the freshman class had no trouble sliding into Worthington life. Those students smoothing the way were: Steve Donovan, president; Tom Harbrecht, vice-president; Doug Gordon, treasurer; and Ginger Everett, secretary. Aid and comfort were also given by advisers Mr. Cazan and Mr. Valentine. Adding a feminine point of view to the advisory staff were Mrs. Simcox and Mrs. Feusner. A retrospective look shows that experience was gained and the usual frosh ribbing was survived and so the year was very successful.

# Sales Initiative Insures Sophomores Of Success

The sophomore class officers Vicki Sproat, president; Steve Hedge, vice-president; Sue Jones, secretary; and Margie Bennett, treasurer, worked effectively in leading their comrades in a busy year. Hard work and enthusiasm led to the capture of second prize for their homecoming float with the theme of "Gone With The Wind." The class also participated in the Winter Carnival with a turtle ring-toss booth.

Sophomores also sponsored numerous money-making projects. Major undertakings included the chicken dinner and a canteen. Class members also worked on several car washes and bake sales. Other sales included sweaters and zip code directories. With so much initiative, next year's Prom is assured of success.

# Juniors Juggle Studies And Prom Plans

The juniors this year were led by John Snouffer, president; Chuck Walker, vice-president; Becky Fabbro, secretary; and Pramod Rustagi, treasurer. The Homecoming float was based on the movie *Hang 'Em High.*

Again this year the concession stand for the football games was run by the junior class. However, the class' other money-making projects were rather unique. During the Christmas season they sold tree and home decorations. Later in the year the class sponsored an assembly which featured the New Folk, a group of folk singers from the Ohio State University.

The theme of this year's Jr.—Sr. Prom was "Alice in Wonderland." The decorations included a hall of mirrors, the white rabbit's tunnel, and servers dressed as rabbits, cards and Alices.

# Seniors Hasten Through Final Year

Victorious football games and a crowded canteen launched the beginning of a successful year for the class of '69. Spirit rose as first prize money for the senior Homecoming float was added to the treasury.

Within a three month period, seniors resorted to ingenious time saving methods to complete autobiographies, plans for the Senior Smorgasbord, monologues, and projects for the Winter Carnival.

Spring days brought "senioritis" to every dusty hall corner and hectic class. Seniors again raced through time organizing the senior picnic, the commencement program, and senior research papers. But the thoughts of their approaching graduation and its implications turned idle chatter to talk of past moments and future plans.

Senior Class Officers: President Brian McClatchie, Vice President Pete Jolly, Treasurer Peggy Miller, Secretary Jane Everett.

A major decision for any senior is whether to go to college, and, following this, where to apply. Afterwards comes the anxiety of waiting. Many sources are investigated to make this decision. Dave Barnes, Wanda Kress, Bruce Turnbull, and Janet Pine attend an Oberlin College conference.

# Worthington Teen Council

The winners of the costume contest at Sadie Hawkin's are brought before members of Teen Council for presentation of their prizes.

Worthington Teen Council provides recreation for Worthington students and has donated profits from the functions for community benefit. Some of the main events Teen Council annually sponsors are summer canteens, a Cedar Point trip, the Sadie Hawkin's dance, and the New Year's Eve dance. The Worthington Jaycees generously act as sponsors and advisors to the group as well as chaperoning many functions.

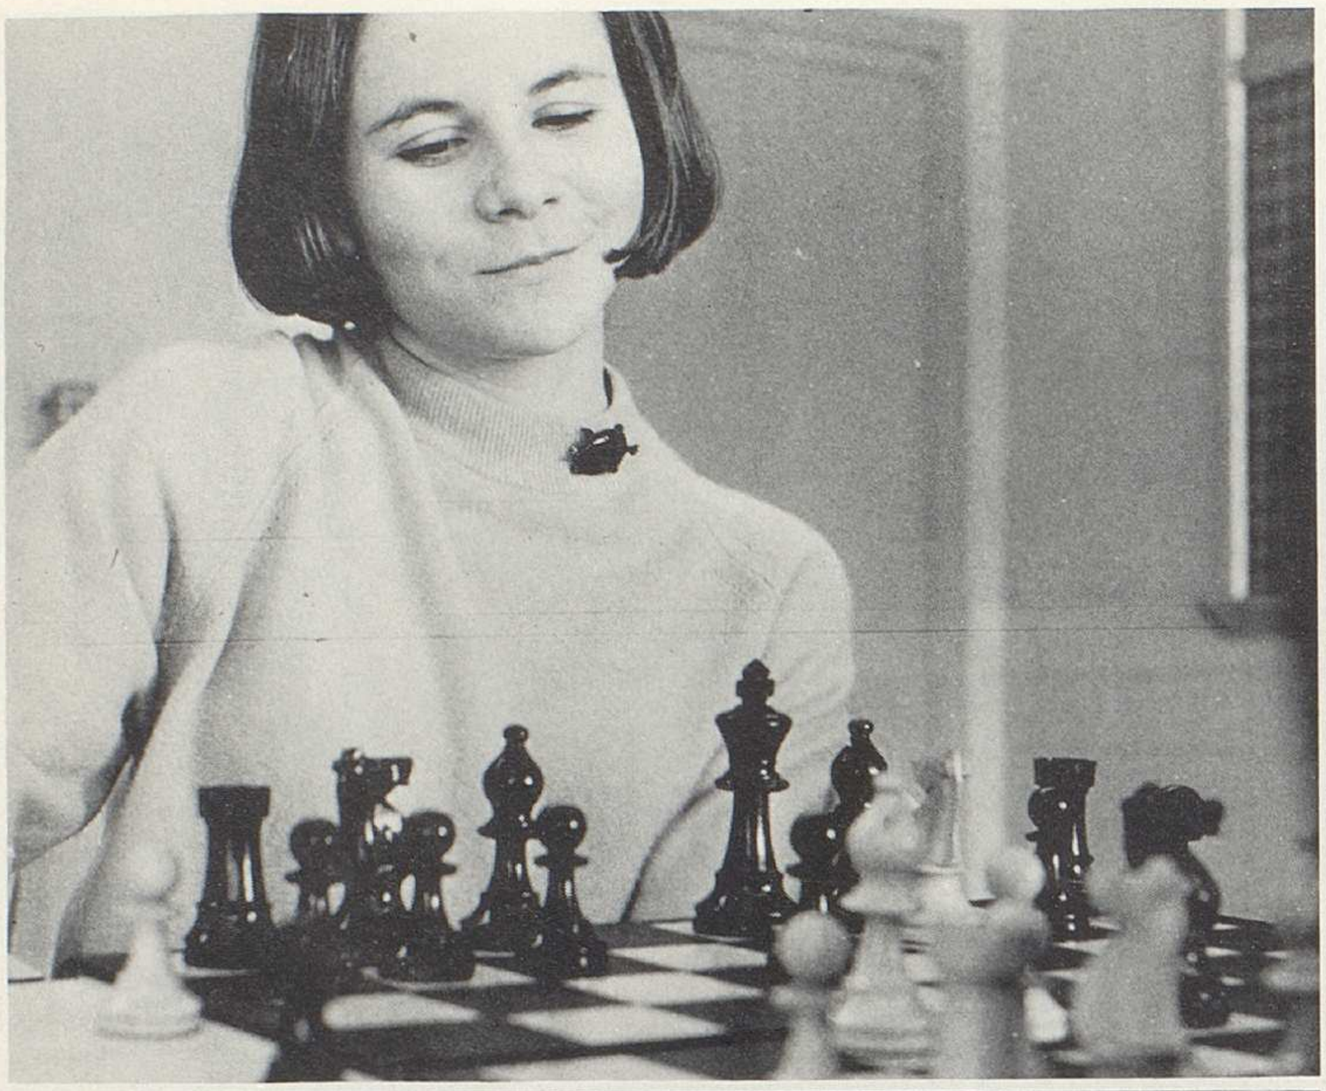
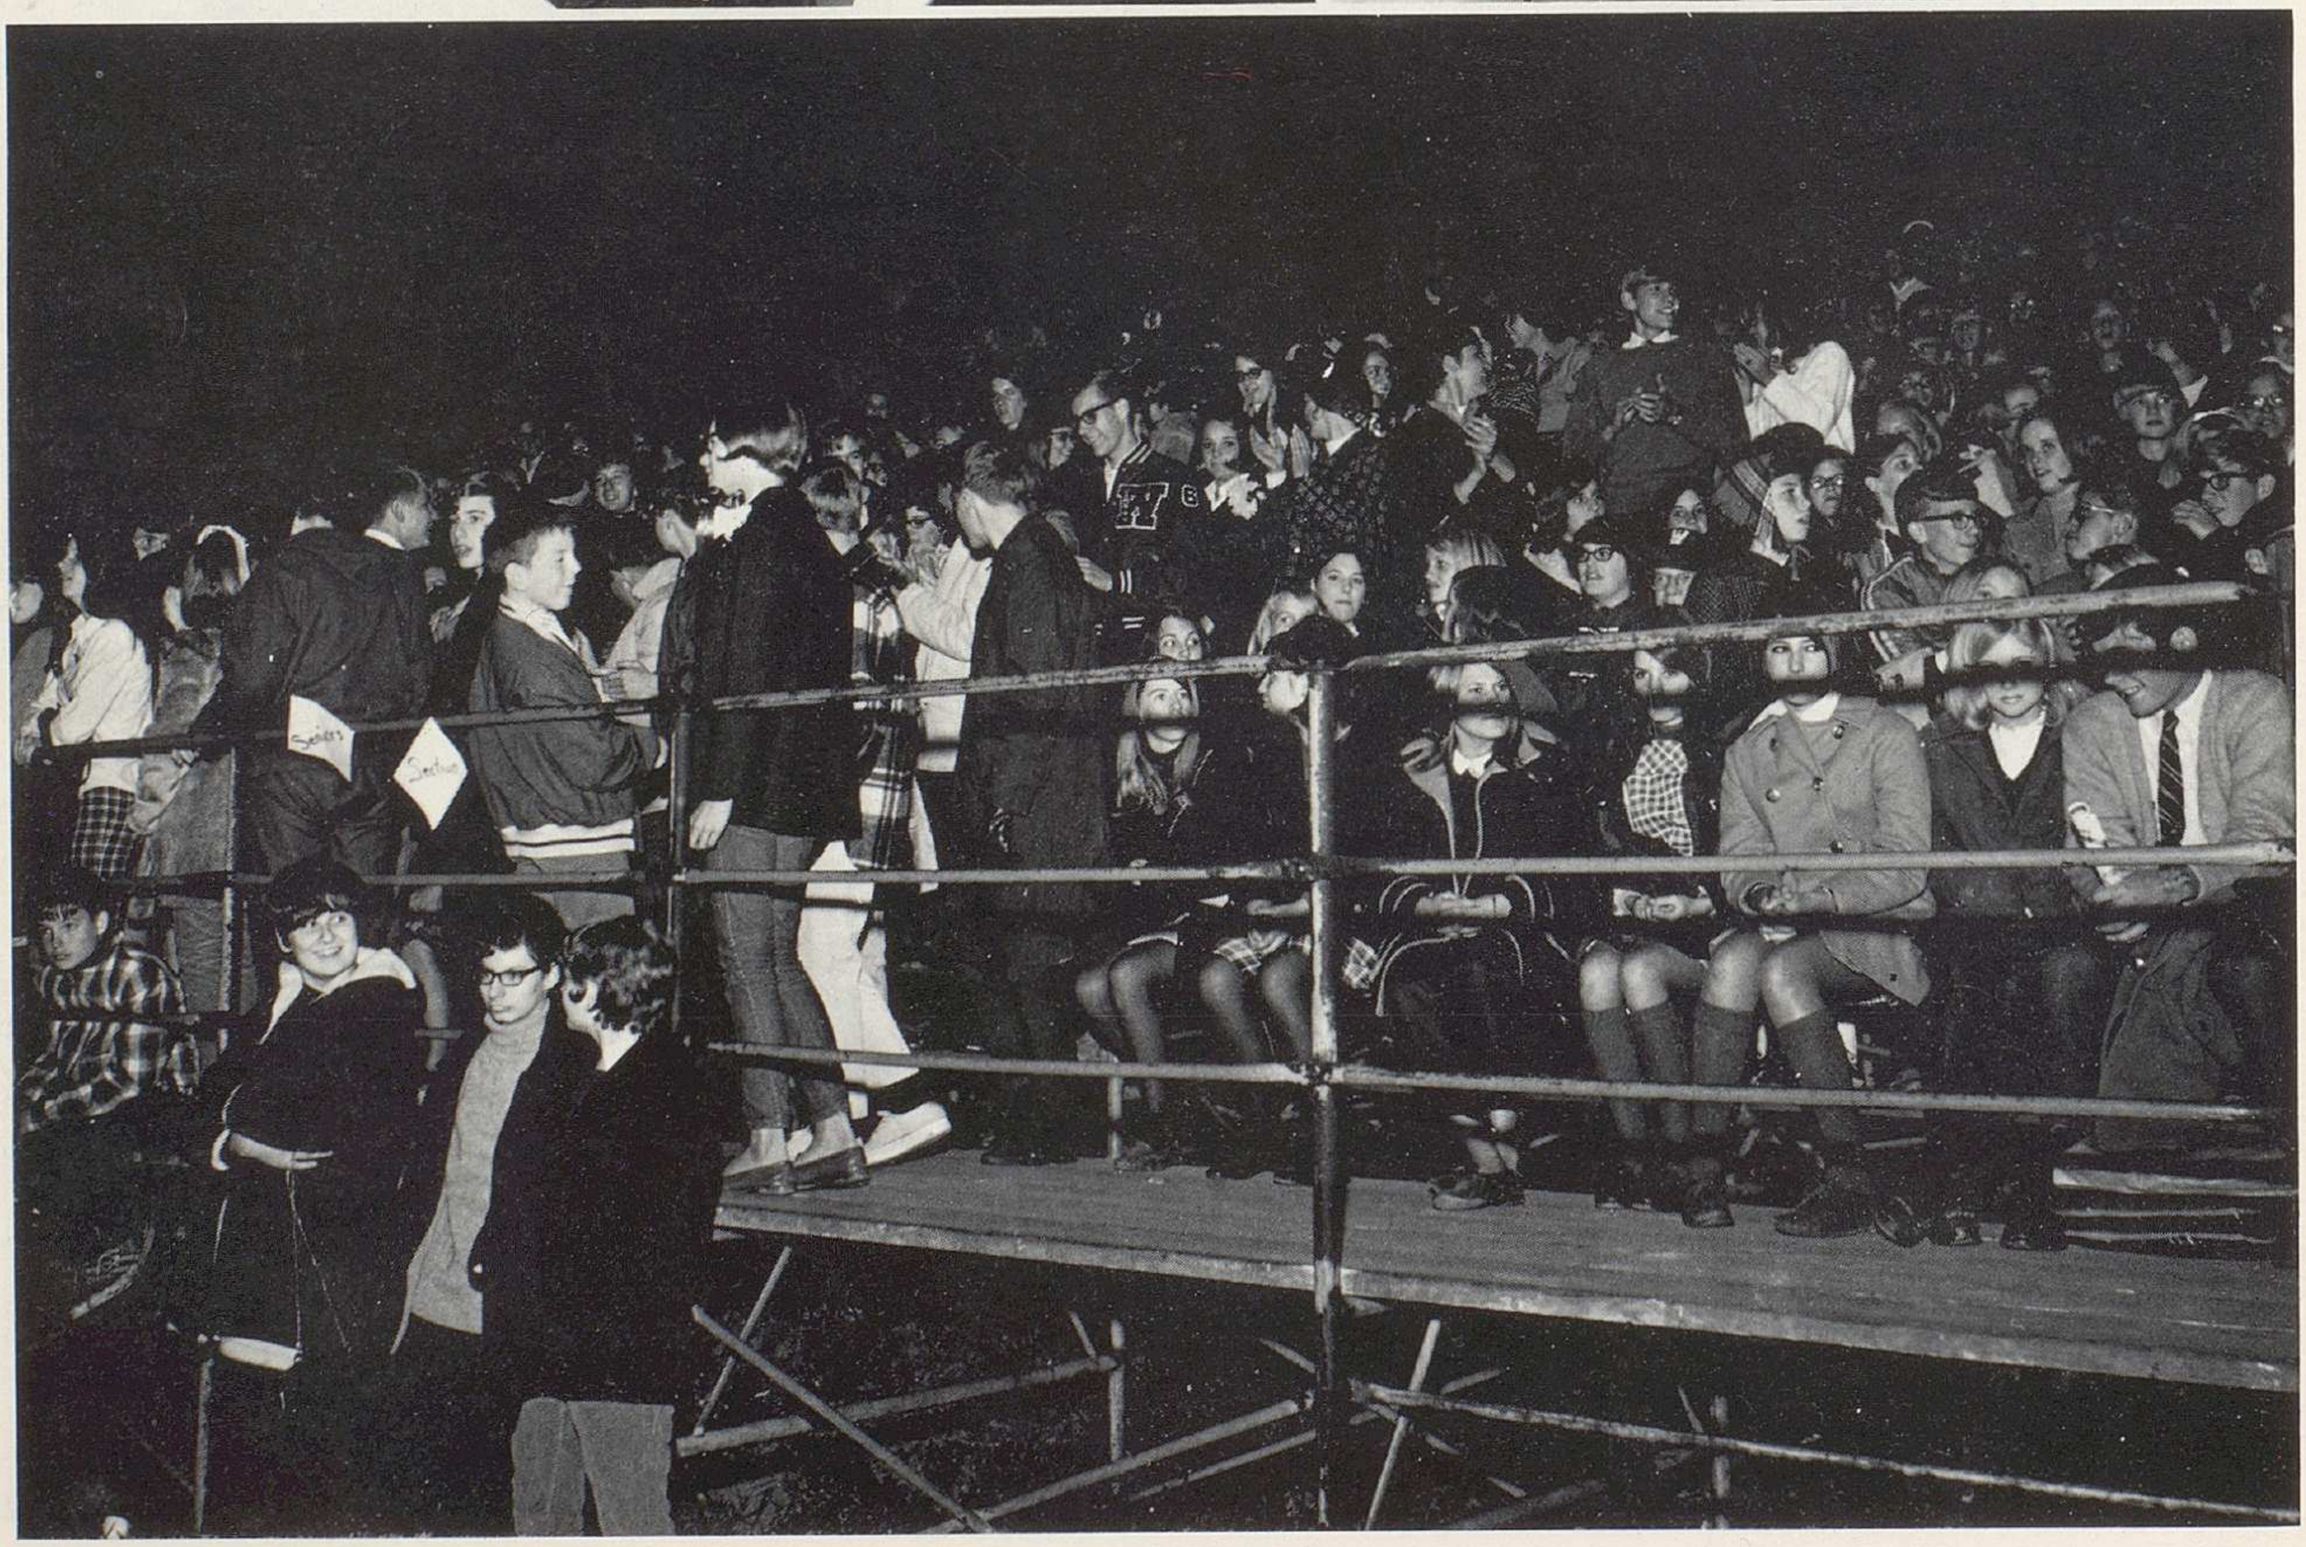
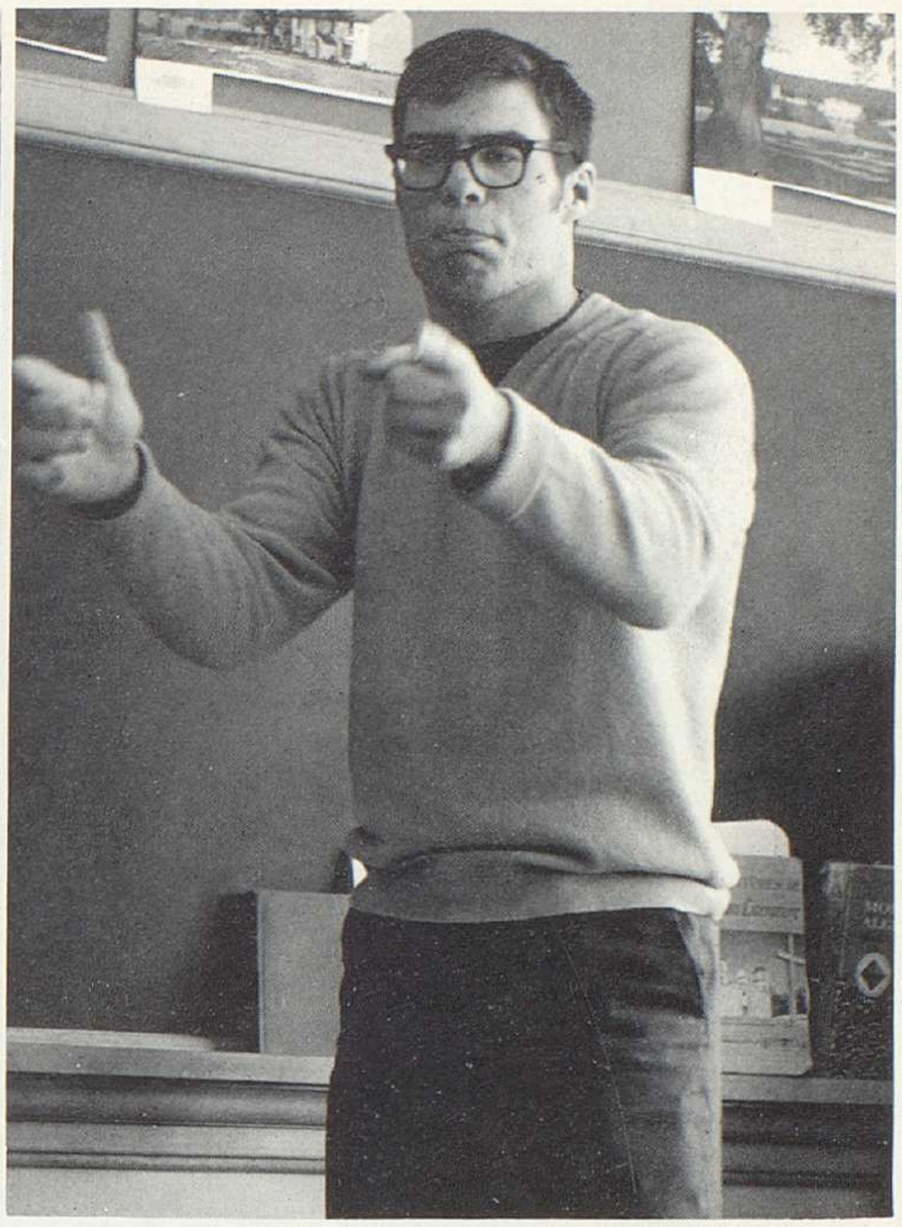
NIXON







This is the end,
Beautiful friend,
This is the end,
My only friend,
The end of our elaborate plans,
The end of everything that stands,
The end. No safety or surprise,
The end. I'll never look into your eyes
Again.

Can you picture what will be,
So limitless and free,
Desperately in need of some stranger's hand
In a desperate land.
Lost in a Roman wilderness of pain
And all the children are insane
All the children are insane;
Waiting for the summer rain.

This is the end,
Beautiful friend.
This is the end,
My only friend, the end.
It hurts to set you free
But you'll never follow me
The end of laughter and soft lies,
The end of the night we tried to die.
This is the end.
